BURLINGTON

Word has been received from Ottawa that Pte. Bruce Peer has been wounded in action while serving with the Scottish Infantry in Normandy. Pte. Peer enlisted with the Lorne Scots and has been overseas three years. His father, Vernon Peer, resides at Fisher's Corners.

Pte. Elmer Maude, son of Mr. and Mrs. John Maude, Brant Ave., was among those who were invalided home from overseas and reached Toronto on Monday morning.

Drug addicts are very active in the city of Hamilton at the present time, and many physicians are reporting the loss of pills, etc., either from their office or car. Last week, one of our local doctors was the victim of the drug addicts. He had parked his car in front of St. Joseph's Hospital, while in visiting a patient, and when he returned he found that his medical case, which had been left in the car, was gone.—Gazette.

OAKVILLE

Major Grant Peter Marriott, son of Mr. and Mrs. George C. Marriott, who was reported injured in Italy on June 3rd, has recovered and has returned to duty.

Carolyn Ryan, of Miss Toronto fame, made the draw at Victoria Park on Friday evening, following the Hornby Royals and the O. C. R. C. game. The draw was in benefit of Larry Wilson, who fractured his ankle in an exhibition game at the Oakville Amateur Sports Association Field Day, July 1st, and netted \$141.95. John Rowland, Clarkson, won first prize, and the second went to Jack Barnes, Oakville.

Miss May Dennis, principal of Central School, has maintained an enviable record since assuming the principalship two years ago. Last year 98 per cent of her entrance class passed on to High School, and this year all of her 47 pupils were successful.—Record-Star.

CAMPBELLVILLE

The July meeting of the W. M. S. of St. David's Church was held at the home of Mrs. Robert Inglis, with 26 ladies present, and the president in charge. The devotional period was conducted by Mrs. Chas. Roberts assisted by Mrs. Geo. Inglis.

After the usual reports were presented, the topic was taken by Miss Jean McPhail and was very interesting. Miss McPhail gave a resume of the different phases of our work in the Bible field. Evangelism, schools and hospitals and all giving encouraging reports. The prayer from the Glad Tidings was taken by Mrs. Menzies. The roll call was answered by the text word, Mercy. A report of the quilting held in June was given by the Secretary. There were seven quilts quilted, three for W. M. S., one for Blair Y. W., one for Grace M. B. and two for the Patriotic Society. The meeting was closed with prayer by Miss Janet McPhail and the national anthem. Refreshments were served by Mrs. Elsley, Mrs. Peacock and Mrs. Menzies and a social time was enjoyed by all.

The Patriotic Society held a very successful tea on the lawn of Mr. and Mrs. Quinlan on Tuesday afternoon. The weather was perfect, the attendance was large and the receipts were most gratifying as there was \$41.00 cleared. This will be used for war work.

There will not be any service in St. David's Church on Sunday, August 6. Rev. Mr. Poole of Moffatt will occupy the pulpit the following three Sundays in August as Rev. J. C. MacNeil and family are having holidays at Pickering Park.

Opposition to Family Allowance Continued 'till Last

(Continued from Page One)

spect to that family of fifteen amounts to \$65.

The speech of Mr. Cleaver was interrupted continuously by Mr. Hornuth on Wednesday and yet when the final vote was taken there was not a dissenting vote recorded. Judging by the record, a lot of time was wasted on this bill by opposition that did not really exist but merely sought to delay a measure that all agreed was for the common good.

PALERMO

The Palermo Junior Institute were guests of the Senior Institute at their July meeting held at the home of Miss H. Vansickle on Thursday last. The president, Mrs. H. Burton was in the chair. The Roll Call: "How I Have Spent Money Foolishly," was well answered and very amusing. The minutes were read also letters from members thanking the Institute for gifts while being ill. Mrs. H. Proud brought the village book and the members all agreed she has done an excellent job of compiling it.

The program was provided by the Juniors and included a paper on Citizenship, prepared and read by Miss Marion Galbraith; solos by Mrs. G. Hammond, Guelph; a demonstration on Summer Salads and Supper, prepared by Mrs. G. Heslop and Mrs. M. Heslop, a solo by Miss Evelyn Pelletier, accompanied by Mrs. Sam Reid. The meeting closed with the singing of God Save the King, after which a dainty lunch was served.

Rev. and Mrs. McGinnis of Durham have been spending a few days with Mrs. A. Galbraith and other friends in the district.

The Board are financing the up-keep of the Cemetery. A well-kept cemetery is always a token of respect on the part of the community for their departed friends and neighbors. In this work the Board is to be commended and may the response to their appeal be generous.

HUGHES CLEAVER

The main debate on the family allowance bill is over. When the vote was taken the Conservative members withdrew their opposition and supported the bill, excepting one member who was paired.

When notice of this measure was first given some weeks ago and before the bill was printed, many Conservative newspapers and Mr. Bracken strenuously opposed it on three grounds:

- (1) It was a bribe to the electors.
- (2) It favored French Canada.
- (3) Its benefits would not reach the children.

The bill fully safeguards against any of these three things happening. So, since reading the bill and as a result of the debate on it, all of the above arguments were found to be groundless and all the members of the House of Commons (except one) voted for the bill. How much better it would have been had the critics waited until they knew what they were criticizing.
