A contest was won by Mrs. G. Booth and Mrs. M. Deering, after which the hostess served a cup of tea.

Congratulations are extended to Squadron Leader, the Rev. Maurice Flint (nee Honora Atkins) on the birth of a daughter.

MOFFAT

The rain and the frost are hurrying our folk in caring for the corn and the garden stuff. The silos and the cellars will be well filled this fall and there should be joyous thanksgiving.

The Harvest Home services at the Community Church was attended by almost a capacity audience. The Church was tastefully and appropriately decorated with flowers and tokens of the field, the garden and the vineyard. The minister took for his text the well-known words of St. Paul to the Galatians: "Whatsoever a man soweth that shall he also reap." In the course of the sermon he presented the analogies that exist between the seed time and the harvest of the physical and spiritual worlds, making it clear that if we are going to have good harvests much attention must be given to the sowing.

Mrs. W. A. Fraser and Mrs. Poole furnished a very appropriate duet and solo.

On Monday evening a very fine entertainment was presented to a fairly well filled church. Mr. T. Simpson, entertainer, lately of Guelph, but now a resident of Moffat, regaled the audience with his fine solos and humorous presentations in costume. He responded cheerfully to the encores demanded. The Fraser sisters of Guelph, radio artists, were well received and delighted their hearers with well chosen numbers. Mr. Andy Frank enlivened every one with his violin selections, Mrs. Poole sang two splendid solos. Miss Doris Raine and Mrs. Evans were the very capable accompanists of the evening.

After the program, Mr. Poole, who presided, asked the ladies to volunteer for service and they responded by serving very generous lunch, enjoyed by all. This concluded a very fine time of fellowship and fun. Rev. J. A. McNeil brought the greetings of the Presbyterian Churches of Sodom and Campbellville. The evening closed with the National Anthem and Benediction by Mr. McNeil.

The interior of the building was tastefully decorated for the occasion with large bouquets and baskets of beautiful flowers and ferns. The services were in charge of the minister, who was ably assisted by two splendid ministers from Toronto. The Rev. Wesley A. Hummissett of the Fred Victor Mission of the United Church brought a very practical and helpful message in the morning service using as his text "She hath done what she could." Mark 14: 8.

Inspiring music was furnished by the choir of Ashgrove United Church under the capable leadership of Mrs. A. J. Ruddell, assisted by Mr. W. R. Sharpe, tenor soloist of Toronto. The guest preacher for the evening service was Squadron Leader, the Rev. G. W. Porter, R.C.A.F., principal Protestant Chaplain, Manning Pool, Toronto. HUGHES CLEAVER

The Fourth 1944 report of the Special Committee on War Expenditures is of special interest to agriculture. War needs made it necessary for Canada to produce nitric acid and ammonium nitrate on a large scale and plants were established at Calgary and Niagara Falls. During the operation of these plants surpluses developed and on account of the scarcity of commercial fertilizer caused by the war, research work was done and a process was perfected for the production of commercial fertilizer for the use of Canadian agriculture and for export. The subcommittee making this inquiry has recommended that the title to both of these plants should be retained by the Government after the war and that they should be operated by the production of commercial fertilizer for Canadian agriculture.

The Conservative members on the committee voted against the report, but it was supported by all government members and members of the other opposition groups.
