Thefts of Car Suitcase and Money Heard in Court

In Police Court in Milton yesterday afternoon two charges of theft were heard by Police Magistrate Langdon.

Harold Spafford, Hamilton, was remanded a week on a charge of stealing a car belonging to J. R. C. McDonald, Hamilton. The court is waiting to hear another witness.

McDonald had left his car on the side of the Queen Elizabeth Highway west of Appleby when he had a flat tire. W. J. Richardson, Appleby, saw a car parked when he drove to Freeport. On his return he found Spafford pushing the car up his lane. He asked him what he was doing and took the number of the car Spafford was driving and notified police.

Spafford said a soldier had stopped him and his wife who were on their way to Toronto, and asked him to push the car for him. His wife corroborated his story.

Harry Vanderberg was convicted of stealing a club bag and \$425.26 from F. W. Watson's restaurant in Burlington. On being questioned by the police in Hamilton he denied knowledge of the theft. Chief Lee Smith and another officer went to his apartment and Mrs. Vanderberg showed them where the money was hidden. When shown the cash Vanderberg said he had taken it and thrown the suitcase in an oil drum behind the restaurant.

Watson had closed his store and gone out with Mrs. Watson about 7.45 Thanksgiving Day for a turkey dinner. When they came back at 8.30 they discovered the kitchen window had been broken and opened. Then they discovered that the club bag and money were missing. Vanderberg will be sentenced next week.

Dr. G. Seger Speaker at Women's Canadian Club

The Women's Canadian Club of Milton met on Friday, October 13th in the Farmer's Building. The speaker for the afternoon was Doctor Gerhart Seger, lecturer, author and a former member of the German Reichstag. Dr. Seger reviewed the rise to power of Adolph Hitler and traced the growth of the Nazi party in Germany. By personal experience Dr. Seger was able to confirm reports of the atrocities committed in German concentration camps and made all realize the iron grip of the Gestapo upon the German people. Despite this, however, the speaker still had faith that the democratic anti-Nazi element in Germany would be able, after the war, to educate the children of Germany in the ideals of democracy. This re-birth, the speaker declared, must be brought about by the German people themselves, aided by educators, ministers, strict discipline and supervision.

Dr. Seger concluded his address with the plea that all citizens of our country should consider it a duty to be interested in and well-informed upon foreign affairs. Thus a sound public opinion in reality, the foreign policy of a nation will contribute along with even-handed justice in the formation of a lasting peace.

THIS WEEK

By H. L. JONES
Canadian Press Staff Writer

TORONTO (CP)—Verbal cross fire rose to new heights on the Ontario political scene during the week with indications that Premier Drew's Progressive Conservative administration may face a stormy road when the next session of the legislature roils around.

Perhaps the most pertinent development of the week was Liberal Leader Harry Nixon's flat statement that the political truce which existed between the Liberals and the government in the last session of the legislature had ended. In a province-wide radio address, Mr. Nixon sternly criticized the Drew administration for its political record, for its condemnation of the federal Family Allowances Act and for Premier Drew's outspoken hope to replace Prime Minister King at Ottawa with Progressive Conservative chief John Bracken.

In an interview next day Mr. Nixon amplified his radio address by saying "I will have no hesitation in voting against the government on anything that does not meet with my approval."

That statement would indicate that Mr. Nixon plans to remain in the Legislature where he has sat for 25 years. Last week it was rumored he might take a Senate post and be replaced by former Premier Mitchell Hepburn who recently made public his intention to emerge from his independent Liberal role and actively support the Liberals.

Mr. Hepburn attended a Liberal caucus and was warmly welcomed. It was learned the subject of party leadership was discussed but nothing official was said about any decision.

The Ontario C.C.F. party's young leader, E. B. Joffile, meanwhile threw out an invitation to the Liberals to join against the government. In a radio speech he said the Drew administration was "so reactionary and so utterly unfit to deal with post-war problems that I hope in the future the Liberals and other groups in the legislature will oppose it as the C.C.F. members did in the last session."

Representatives of 86 labor unions in the Toronto area decided to urge Liberal, C.C.F. and Labor-Progressive members of the legislature to call a special session at once and unite to defeat the Drew Administration.

Their call came just a day after Premier Drew announced that there would be no special session this fall "since nothing has arisen since last session which calls for a special session of the house." The Premier's announcement brought a sharp rejoinder from Labor-Progressive Leader Leslie Morris that the Premier was "clearly afraid to call a special session of the legislature where the government has but 38 seats, against 34 C.C.F., 16 Liberal and two Labor-Progressive."

Premier Drew's only reference to the developments came in an address at Alliston, Ont. He said that any Liberal "who sells his principles to follow the Communist party line in Canada is not worthy of a party of great tradition that has contributed many splendid men to public life in the past."

Dr. H. J. Cuddy, president of the University of Toronto since 1932, is retiring. The University Senate has accepted his resignation to be effective June 30, 1945 and named Dr. Sidney Smith, former president of the University of Manitoba, to replace him. Dr. Smith is at present president of University College.

Scout Apple Day Had Sales of \$154. To Set A Record

"Apple Day" was a grand success in Milton this year with the gross sale totalling \$154.00. This amount appears to be a record for our Pack and Troop to date. The profits on the sales will be slightly over \$100.00 and will be all spent on uniforms for the Scouts and Cubs. The co-operation given to the boys by the citizens of the Town indicates that Milton is solidly behind its Scout organization. To Mr. David Hartley, who so kindly loaned his truck and to the citizens and visitors who contributed so generously in purchasing the apples the Group Committee the Leader and the Boys all say "Thank you."

Harris: "My daughter is having her voice trained abroad."
Neighbor: "How thoughtful of her."

BURLINGTON

The 25th anniversary of the founding of the Burlington High School was commemorated in a splendid program held in the school auditorium on Tuesday evening.

On Monday evening Watson's service station on the beach was burglarized, and a valuable club bag containing papers, cheques and \$350 in cash were stolen. Entrance was gained by breaking a window at the rear of the building and unfastening the hook.

Mr. and Mrs. Wm. Stevens, 6 Clark Avenue, received word last Thursday that their son, Pte. Herbert Stevens, had been seriously wounded in Belgium. To-day (Wednesday) they received the sad news that he had died in a military hospital from his wounds.

W. R. Bridgman, of Zimmerman, picked 62 pints of raspberries from his patch on Friday last, which is rather unusual at this time of year. They were of excellent quality and flavor, and sold for 35 cents a pint on the market on Saturday.—Gazette.

GIRLS' GARDEN BRIGADES MADE EXCELLENT DISPLAYS

At both Georgetown and Milton Fairs, one of the most interesting displays in the respective hall exhibits was that staged by the members of Halton Girls' Garden Brigades. At Georgetown only four young ladies exhibited, but the quality of the displays more than compensated for the lack of numbers. In the Milton Hall twelve young ladies staged the best garden display held in the County in recent years. At both points the quality of the vegetables and the attractiveness of the arrangement of the respective displays brought forth many complimentary and enthusiastic comments from those fortunate enough to have visited the hall exhibits. Some 35 Halton young ladies enrolled in Garden Brigades last spring and the prizes awarded are based on the aggregate score, taking into account their respective gardens, canning, note books, displays at the fair, written tests on preparation of vegetables, canning, etc.

The winners were as follows:
Georgetown—Annie Snow, Doreen Ferguson, Margaret Beene, Joan Somerville.

Milton—Marjorie McCready, Frances Cripps, Ruth Wilson, Mrs. Clarence McCready, Irene Mitchell, Edna Aitken, Mae Winfield, Betty Ruddell, Mrs. H. Switzer, Bessie Reid, Marion Currie, Margaret McPhail.
