- Brevities -

—Easter comes early this year—on April 1st.

—Many stores in town have been busy stock taking.

—It's quite often daylight now at six o'clock. The days are lengthening.

—Pte. Harold (Mike) Cox, who was injured while serving in France, returned home on Monday night.

—The snow shovelling by-law is not being very strictly enforced by the looks of many sidewalks in town.

—Men are busy opening the snow-filled roads with snow plows and hope to have most of them open for travel soon.

—The snow accumulation was not quite so heavy this week as last and there are prospects of roads being opened.

—The teams of horses and bob sleighs have taken the place of the automobile on the roads of Milton and district.

—Word has been received that Pte. David Harrop received slight shrapnel wounds in the foot, but is now back on duty in Belgium.

—Mrs. Geo. Chisholm who resides on Woodward Avenue, had the misfortune to fall and break her hip last week and is now in Milton Private Hospital.

—The tennis court on Main Street has been made into an open air skating rink and is being well patronized by many skaters. The arena is still partly filled with bales of wool so it looks like very little hockey in Milton this year.

—About 11:30 Wednesday morning Milton Fire Brigade answered a call to the home of Mrs. H. Wadham, Mill St. The fire was caused by an overheated stove, which ignited the wood behind it. Firemen soon extinguished the fire and little damage was done.

—Strathaven Supreme Comrade, owned by W. S. Hall, Oakville, was named Reserve All-Canadian three-year-old Holstein bull for 1944 in the All-Canadian Contest, just concluded. He was first prize three-year-old and Reserve Grand Champion at the Regional Championship Show held last fall at Oakville. In 1942, and again in 1943, he received Honorable Mention for All-Canadian.

JUST FEELING

Private: "I feel like telling that Sergeant where to get off again."
Second private: "What do you mean again?"
First private: "I felt like it yesterday too."

Obituary

She was born in Dublin, Ont., 29 years ago, and went to Hamilton six years ago. Surviving besides her husband are four children, Ruby, Bruce, George and John, all at home; her mother, Mrs. Catharine Rosehart, of Hamilton; two sisters, Mrs. Charles Bridges, Sheffield and Mrs. Emily Attfield, Campbellville; a brother, Norman, of Clappison's Corners. Funeral services were held Monday afternoon with interment in Grove Cemetery, Dundas.

JUSTIFIED

A General returning to his quarters one night, found a Private crawling under a lamp post.
"What are you looking for?" asked the General.
"I lost a half-dollar a couple of blocks down the street," answered the Private with a suspicious hic in his voice. "Well, if you lost it two blocks away, why are you looking for it here?" asked the General.
"The light's better here," explained the Private.

Do Not Waste Vitamins

Taking too much of some vitamins and not enough of others is unnatural and wasteful. Each Vigran Capsule supplies the full minimum daily requirements of vitamins A, B₁, C, D, Riboflavin and Niacinamide. No other vitamin has been officially recognized as useful in a general diet supplement.
