EVANS—In loving memory of John A. Evans, who departed from life March 17th, 1944.
When the shades of night are falling
And I'm sitting all alone,
Comes a longing and a heartache,
If you only could come home.
Sadly Missed by his Wife May

-Brevities-

—The ice crop was not very good this year.

—Good Friday two weeks from tomorrow.

—March has given splendid behaviour for the first half anyway.

—At this time of year the benefits of daylight saving once more become noticeable.

—We surely may soon expect to have that spring delicacy maple syrup on the menu.

—Robins seem quite the usual thing again and their call is often heard these mornings.

—The little green stamrock will be much in evidence on Saturday in honor of St. Patrick.

—Some of the sidewalks which have been covered up since last December are coming into view again.

—Donald Robertson had the misfortune to break his collar bone while playing hockey in Oakville last week.

—Please watch the label on your paper. We cannot assure regular delivery unless your subscription is paid in advance.

—Word has been received by Mr. Jack Robins, Milton Heights, that his son Cpl. Fred Robins has been seriously wounded while serving in Holland.

—Miss Hales, soloist at Central United Church, Weston, assisted the choir and gave a well rendered solo to the delight of the congregation of St. Paul's United Church last Sunday.

ACTON

A very sociable and enjoyable evening was spent at the home of Mrs. W. Footitt. The occasion being a welcome and shower for Mrs. Fred Turner, Jr., newly arrived bride from England. About 50 friends gathered for the event.

Harry Oakley, municipal employee pointed out to Council that the separate collection of ashes and garbage was a lot of extra work and too heavy. It was almost impossible under present conditions to make the regular trips.

Dr. W. G. C. Kenney was appointed Medical Officer of Health. This appointment had the approval of the Ontario Department of Health and was effective from that date.

A fairly large audience attended and enjoyed the band concert in the Town Hall on Sunday evening, presented by Acton Y's Men's Boys' Band.

Principals Stewart and Smith were in Toronto regarding the new visual-sound equipment purchased by the Board. Mr. Smith gave a report and both were much impressed with the type and variety of films procurable from the department and the possibilities of teaching with this new aid in both the Continuation and Public Schools.—Free Press.

WE'LL EGG THE DAYLIGHTS OUT OF BENITO, HITLER, AND HIROHITO

• Eggs are right around the top of the list of food-for-victory items. Are your birds carrying their share of this extra production burden?

We'd like to see you try Dr. Hess POULTRY PAN-A-MIN in your ration. The reason is this—the Research Farm birds lay as many as 23 more eggs per bird per year when they get PAN-A-MIN.

And here's why—PAN-A-MIN is a tonic that stimulates the consumption of feed—also supplies essential minerals. It's our belief that both are often necessary for heavy production. We sincerely believe PAN-A-MIN will help you produce more eggs.
