There was the farmer, for example, who wrote that his telephone enabled him to get better prices for his crops.

"It gets me to market in a few seconds," he said, "and at the best time."

Today, the number of rural telephones is at an all-time high. When materials and man-power are again available, it will be much higher. Telephone service for farms will be even better than ever before.

RATIONED MEAT IN LOCKERS

must be declared

All consumers who store rationed meat in lockers must declare in writing to the nearest Ration Branch Office the quantity of rationed meat they had in storage on September 10, 1945

Rationed meats include all cooked, canned, fancy and "red" meats. For a full list of rationed meats, see the Consumer Meat Coupon Value Chart. Copies are available at all Ration Branch Offices.

COUPONS MUST BE SURRENDERED FOR STORED MEAT

Consumers must surrender coupons for all meat held in lockers over and above 4 lbs. for each person in the household at a rate of 2 lbs. per coupon. However, no more than one-half of the "M" coupons in the ration books of the consumer and his household need be surrendered.
