## Milton Takes First Game of Juvenile Series from Grimsby

### Went on Scoring Spree to Eliminate Visitors by Score of 13 to 1

In the first game of the Juvenile C home and home game series, Milton defeated Grimsby 13 to 1.

Milton started right at the drop of the puck with Stover scoring from Scott at 1:05. Service came right back at 4:10 to score with Fay getting the assist. At 6:20 Evans scored, from a pass from Scott. Fay laid over a beautiful pass to Grenke, who made no mistake in beating James at 9:25 and again at 10:41. Grenke scored again from Fay which ended the scoring for the first period. Penalties, none.

In the second period, Milton still kept on the goal hunt with Grenke scoring at 7:22 with a pass from brother Fay again at 7:23. Fay sat up another for Grenke. Stover was sent to the sideline for tripping at 8:04. Grimsby scored their only goal at 14:20 by Robertson who raced in to beat Rush on Rushtan's rebound off the boards. At 14:30 Evans drew Milton's second penalty for holding. Grenke and Fay came back to score at 15:42 with Grenke being the marksman.

In the third period, Milton started right off at the one minute mark with Service slipping over a pass to Fay who scored. Grenke scored on a pass from Service at 7:20. At this stage of the game, the play became rough which ended in a free for all, both teams doing a little rights and lefts and when the mist had cleared, referee Scilizzi had sent Grenke and Scott for Milton and Schwab and Sobkovich for Grimsby to the cooler for 5 minutes for fighting. At 8:17 Stover picked up a loose puck at centre, coasted in on James, to beat him easily at 10:42. Grenke took a pass from Fay at 15:18 to score his seventh goal of the game. By this time things began to get hot and Scott and Lawson threw right and left hooks at each other and were sent off for 5 minutes' rest. Grenke, on a solo rush, scored his 8th and final goal to make the score Milton 13, Grimsby 1.

Penalties: Grenke 5, Scott 5, Fay 5, Schwab 5, Lawson 5, Sobkovich 5, Allan 2.

Rush in goal for the winners played a head-up game while Grenke scored 8 goals, Stover 2, Fay 1 with 7 assists on Grenke's goals.

Line-ups were:

Grimsby: G. James, G. D. Caltog, R. D.; C. Schwab, L. D.; B. Rushtan, C.; M. Robertson, R. W.; R. Lawson, L. W.; alternates, L. Smith, A. McPherson, W. Moberley, S. Sobkovich.

## HALTON HOLSTEINS IN CANADIAN HONOR LIST OF PRODUCERS

In a recent issue of the Holstein Journal, Halton Holstein Breeders were again in the limelight. No less than nine Halton cows are listed among the Canadian Honor List Producers for 1945. Dr. Chas. N. Blanchard of Freeman had the high senior two year old for Canada in the 305 day division on two times, in Osage Orange Valadonna, who produced 16,296 lbs. milk and 529 lbs. fat. In the junior 3 year olds, Harold Bingham of Georgetown had the fifth high fat producer in the 305 day division on two times, in May Rag Apple Dutchland, whose production was 13,839 lbs. milk and 574 lbs. fat.

E. J. Meagher of Oakville, had no less than seven honor list producers, four of these being by his former herd sire, Armac Sylvanus Pathfinder. Another daughter of this noted sire, namely Graymar Bessie Pathfinder, has just recently broken the 3 year old Canadian record for milk production with well over 26,000 lbs. milk on three times. It will also be of interest to all Holstein enthusiasts to learn that the Graymar herd owned by Mr. Meagher made 22 records averaging 17,520 lbs. milk and 626.8 lbs. fat in 1945. Three long time production certificates also came to Halton this year—Methuen Dearing, on Alcartra Netherland Nancy who in 9 lactations has a total of 140,319 lbs. milk and 5000 lbs. of fat to her credit; Emerson Ford, on Lynn River Tensen Olive, whose production in 9 lactations totals 139,917 lbs. milk and 446.8 lbs. fat; and Harold Bingham, on Meadowbrae Sylvia Polly who in 8 lactations has a total of 139,141 lbs. milk and 4714 lbs. fat. All of these long distance records were made on two times milking.

The annual theatre night sponsored by the Halton Holstein Club and Halton Milk Producers' Ass'n. is scheduled for Milton on Wednesday, March 27th.

## One Killed in Car Accident at Norval Last Saturday

Hurling down a precipitous bank at the side of highway No. 7 last Saturday night, a light coupe driven by William Steep, 19, Parkway Ave., Toronto rebounded from tree to tree until it stopped, 50 feet from the highway, a twisted mass of metal.

Steep, fatally injured, was hurled from the shattered vehicle into underbrush where he lay for some minutes before he could be found by passing motorists who came to his rescue. Three chums riding in the coupe with him escaped severe injury but two were admitted to Peel Memorial Hospital.

They were: Terrance O'Grady, 19, Westminster Ave.; Joseph MacDonald, 18, Garden Ave.; and James B. Walsh, 18, Shaw St. Dr. W. W. Bartlett, Brampton, was called to the scene of the accident and kneeling in the snow, gave Steep what assistance was possible. Steep, carried up the sharp incline by six men, was taken to hospital, but died seven hours later.

Provincial Constable B. Farrell of Brampton investigated the accident. He said the car left the road on the outer edge of an S curve as it was approaching Norval. The light car dipped into the ditch, then mounted the outer edge of the ditch on the south side of the road and plunged into a deep ravine, crashing against a score of trees in its plunge. Bark was torn from the trees and limbs crushed by the force of the impact.

The car was torn to pieces in its fall, the front and rear wheels on the left side were torn off, and the left side of the body was badly crushed.

Police said the four youths were on their way to a dance in Georgetown, four miles beyond Norval, when the accident occurred.

MacDonald and O'Grady were treated at hospital for cuts about the upper parts of their bodies and shock. Walsh suffered minor cuts and bruises and was able to return home.

The euchre to be held in the Hall was left in charge of the directors.

## MILTON JUNIORS STAGE DEBATE AND ELECTS OFFICERS

The first meeting of the newly organized Milton Junior Farmer Group was held at the home of Margaret and Bob Ford, near Omagh, on Tuesday evening of last week. Notwithstanding unfavorable weather conditions, between 40 and 50 young people were in attendance.

At the boys meeting with Cameron Wilson in charge, a short talk on Calf Club work was given by Wm. Brain. The guest speaker, Mr. H. C. Morris of Milton, gave an interesting and informative address on Banking Services which created considerable discussion.

The young ladies, with Miss Lulu Row of Women's Institute Branch, Toronto and Mrs. Lloyd Crawford, Halton District W. I. President, in charge, decided to organize a Junior Institute. The election of officers resulted as follows:

President—Marjorie McCready.  
Vice-president—Norma Lawson.  
Sec.-Treas.—Margaret Ford.  
District Director—Margaret McCready.  
Pianist—Lyla Cairns.

At the joint meeting, four of the young men, namely R. W. Ford, Cedric Harrop, Wm. Lawson and Jack Marchmont, debated the subject "Resolved that in each Township, all Public Schools should be placed under a single board of trustees." All four young men gave an excellent presentation and were congratulated by Agric. Representative J. E. Whitelock, who on behalf of the judges, awarded the decision to the negative, who were represented by Cedric Harrop and Jack Marchmont.

## Tax Rate for Year Set at 38 Mills for Milton

### Higher Rate Than Last Year Made Necessary by Increases in Various Departments—By-law Will Be Presented at Subsequent Meeting

At a special meeting of Milton Council on Tuesday evening, all the Councillors and Reeve C. Heslop and Mayor Geo. Dawson were present. The meeting dealt entirely with the estimates for the year and striking the rate of taxation necessary to raise the funds.

The rate was finally struck at 39 mills, less one mill provincial subsidy, a net to the taxpayer of 38 mills.

The Clerk was instructed to prepare a by-law covering the levy and the prepayment schedule of taxes.

The increase in rate over last year is largely accounted for by school rates which are 3½ mills more than in 1945, increases in wages, and added costs in bridge repairs and streets and walks maintenance. Last year's net rate was 32 mills.

## GOOD ENTRY FOR SEED FAIR AND BACON SHOW IN HALTON

Plans are well under way for an outstanding Seed Fair and Bacon Show at Acton on March 15 and 16, according to president A. T. Woodley of the Halton Crop Improvement Ass'n., under whose auspices the event is being sponsored.

Some 40 odd entries have already been received for the Bacon Show from as many Halton hog producers. These entries are being marketed between Feb. 25 and March 4. Following slaughter, the resulting carcasses are being made into Wiltshires and a Wiltshire from each of the 20 carcasses dressing closest to 150 lbs. will, with the co-operation of Canada Packers Limited and the Federal Department of Agriculture, be brought to the Acton Town Hall, where they will be on display on March 16th.

A new feature in connection with the Bacon Show will be a carcass grading competition which will be open to all who wish to participate, between 1:00 and 2:00 p.m. on March 16th. Some excellent cash awards have been provided through the courtesy of the Milton Milling Co., Ltd. and the Milton District Co-operative Ltd.

The annual Halton Junior Farmer Judging Competitions in grain and seeds, potatoes, hog carcasses, weed and forage crop naming, will be held in conjunction with the Show on Saturday morning, March 16th. The Achievement Day for the two Halton Grain Clubs with Ajax Oats and Galore Barley, is also being held in connection with this live show which a year ago got a capacity crowd at the Milton Town Hall.

The principal speakers for the afternoon of March 16th are Prof. W. M. Drummond, head of the Department of Agricultural Economics, O.A.C., and W. S. McMullen and Elgin Senn of the Federal Dept. of Agriculture. All in all, it looks like a very interesting and worthwhile program and those interested would be well advised to come early in order to secure a seat.

## MILTON AND PALERMO JUNIORS TO MEET IN DEBATE

The second debate in the Halton Junior Farmers Debating Series brings together Milton and Palermo Juniors at the Milton High School on Friday evening, March 8th. Palermo Juniors have the affirmative and will be represented by Miss Mary Vivian and George Pelleterio, while the negative will be upheld by Milton, represented by Miss Lois Merry and Cameron Wilson.

The winners of this debate will meet the Acton Club, who were adjudged the winners over Norval earlier this month. The final debate is scheduled for Friday, April 12 when the winners will receive the W. I. Dick Challenge Trophy.

On March 8th, following the debate, Halton Juniors are to have the privilege of hearing an address from Howard Laidlaw, President of the Provincial Junior Farmers Ass'n. who represented the Farm Youth of Canada at the recent World Youth Conference held in London, England.

All Halton rural young people are invited to participate in the program sponsored by the Halton Rural Young People's Ass'n.

## CHINA LOSES ACRES OF CITRUS ORCHARDS

CANTON, China, Feb. (CP) — One of the heavy economic blows of eight war years in South China's Kwantung province hit its once-thriving citrus fruit industry.

F. Dickinson, U.N.R.R.A. representative here, estimated that at least 10,000 acres of orchards — involving several million sweet orange, pomeelo and mandarin orange trees — were destroyed. The loss swept away the primary economic resource of many Chinese families.

The problem of rehabilitating the citrus industry is complicated, the U.N.R.R.A. representative said, by the shortage of nursery stock, of grafting materials and of Chinese trained in citrus culture.

"Even with the maximum of effort of all interested parties," Dickinson predicted, "1955 will be the very earliest that Kwantung will be able to produce citrus crops comparable to pre-war days."

## THE INGLIS-THOMAS WEDDING SATURDAY IN GUELPH CHURCH

St. George's Anglican Church was the setting for a pretty wedding Saturday afternoon when Audrey, daughter of Mr. and Mrs. I. J. Thomas, of Guelph, and Charles Inglis, son of Mrs. Inglis and the late John Inglis, Moffat, were united in marriage. Rev. Stuart H. Brownlee officiated at the ceremony which took place at four o'clock.

Wearing a floor-length gown of white satin, fashioned with sweetheart neckline, long sleeves and bouffant skirt, the bride was given in marriage by her eldest brother, Bertrand Thomas. Her full-length embroidered veil was caught to a head-dress of orange lilies. Her only ornament was a pearl necklace, the gift of the groom. She carried a bouquet of calla lilies and maiden hair fern.

Miss Gladys Thomas, wearing white chiffon and rose-trimmed shoulder-length veil and carrying a bouquet of red roses, was her sister's only attendant.

Douglas Inglis, Moffat, acted as best man. The ushers were Russell Inglis, Campbellville and Eric Thomas of Guelph, brothers of the bride and groom. The wedding music was played by Ralph Kidd.

Following the ceremony, a reception was held at Club Ritz, attractive with pink streamers and spring flowers. The bride's table centred with a three-tiered wedding cake, was also decorated in pink and white.

Receiving with the bridal party were the mother of the bride, attired in a two-piece frock of Air Force blue crepe with sequin trim, black accessories and a corsage of roses; and the groom's mother, who chose an Air Force blue dress, trimmed in light blue and beading, with which she wore black accessories and a corsage of roses.

For the wedding trip to Colborne and Ottawa the bride wore a dressmaker suit of pale blue wool, black seal coat with matching muff, blue hat and a corsage of red roses. On their return they will reside in Moffat.

Guests were present from Colborne, Rockwood, Moffat, Kitchener, Campbellville, Hespeler, New Dundee and overseas.

## BROADCAST TO BE MADE FROM MILTON OF POPULAR PROGRAM

Since the present series of Ontario Panorama, a Friday night radio feature, began on the 28th of last September, Alan Savage and Gordon Sinclair have travelled 2897 miles, through storms, floods, snowdrifts and fogs, in fact every kind of weather, and have never missed nor even been late for a broadcast. The distance they have travelled thus far this season is about the equivalent of a trip from Toronto to Edmonton. During those four months, "Ontario Panorama" has visited and originated its broadcast from 18 different communities, has had an average attendance of better than 400 per program. Nearly 125 people have been interviewed and the different community organizations which have acted as sponsors have realized an average of over \$100.00 per broadcast. This sum, which includes the \$50.00 donated each week by the sponsor is earmarked for welfare work in the respective communities.

Alan and Gordon say that on "Ontario Panorama" they never know what to expect, and anything is liable to happen. However, they both insist they enjoy it. Perhaps it's because it combines those things which have become a very part of them—the lure and fascination of radio, and an insatiable passion for human interest stories.

Under the auspices of the John Milton Chapter of the I.O.D.E., this broadcast is to be made from Milton on Friday evening, March 8th.

We owe the Chinese the invention of paper, printing and gunpowder.

## Milton Takes Game 10-9 From Acton Tanners Last Night

### Benefit Game in Milton Arena Drew a Good Crowd

In an exhibition tilt in Milton Arena last night, Acton Tanners succumbed to Milton by a 10-9 count. The game was well supported.

Morton opened the scoring for Acton early in the game on a backhand shot. However, Milton came back with two goals in quick succession, both by Timbers, the first assisted by Basso and the second by Scilizzi. Riddall pushed in a fluke as he shot in the corner the tie score up again. Two other goals were added in the dying minutes of the period, Mattison for Milton and Townsley from Goy for Acton.

In the second period, Acton had an edge on the goals scored as Morton, Townsley and Lindsay (2) counted while Milton tallied once when Timbers twinkled the light. The score at the end of the second period was 7-4.

Hale came into the spotlight in the third period when he scored 4 on Masters in the Acton net. Other Milton goals went to Coxo and Scilizzi. The visitors counted twice when Lindsay and Bayliss pushed the puck past McDuffe.

The two penalties of the game were dealt out to Brush of Milton for tripping and to "Dang" Kentner Sr. of Acton for boarding. Referee Patterson handled the game under his eagle eye and the teams sent the fans home well satisfied.

The line-ups were:

Milton: McDuffe, G.; Brush and Coxo, D.; McMunn, C.; Wings, Mattison and Hale; alternates, Timbers, Basso, Scilizzi, Gowland, Dewhurst and Blicco.

Acton: Goal, Woods (2 periods), Masters (1); Bayliss and Riddall, D.; Morton, C.; Wings, Goy and Townsley; alternates, J. Kentner, Sr., J. Kentner, Jr., Marzo, Lindsay, Anderson.
