Plans now made call for a parade of service personnel of both wars, floats, presentations to the "boys", ball games, sports and band selections for the afternoon. After supper a band concert will be held on Main Street, followed by a street dance and fireworks.

It is hoped the local organizations and merchants will assist by exhibiting floats in the parade. All citizens are urged to decorate their homes with flags and streamers in order that the "boys" may be royally "welcomed home."

WESTERN FARM HANDS HELP HALTON FARMERS

Haying is now in full swing on the great majority of Halton farms. While the crop varies materially from farm to farm, in general, the crop can be considered from fair to good. The harvesting of the crop reveals the shortage of labor on a great many farms. In conversation with Agric. Rep. J. E. Whitlock, we learned that the Milton office of the Ontario Department of Agriculture has placed ninety Western farm hands on as many Halton farms during the past ten days. The great majority of these Westerners come from the provinces of Saskatchewan and Alberta, with a few from Manitoba.

We also learned from Mr. Whitlock that there is also a demand for day labor. In order to cope with this need, Commandos are being brought out from Toronto.

Halton farmers interested in securing help of either type, would be well advised to contact the Agricultural Office, Milton 230, at once.

HALTON JUNIORS COMPETE AT GUELPH FARMER FIELD DAY

The Junior Farmer Field Day for Western Ontario was held at Guelph on Saturday, June 29th. Nearly 2000 Juniors were in attendance, and a full day's program resulted. No less than 19 counties entered soft ball teams in the boys' section and 8 counties in the girls' section. Halton was represented in both divisions by teams from the Palermo Juniors. While neither team attained a championship they nevertheless made an excellent showing.

In the first round the Halton boys' team eliminated the strong Dufferin County contenders, but in the second round bowed to the Oxford County team, which in turn was eliminated in the finals.

Milton Lose Home Game Win in Oakville Last Night

Oakville Took Game on Saturday by 13-10 and Milton Took Lakeshore Boys by 8-6 Last Night in Return Game—Oakville to Play Here on Saturday

Milton nine lost out in a see-saw battle on Saturday afternoon to the league-leading Oakville team. The game was played in Milton Park in the sweltering 90's before a fair crowd that all sought shelter in the grandstand. The score was 13-10.

Both teams said it with hickory to run up the 23 run total, but the seventh innings was the disastrous one for Milton and the break for Oakville when the visitors' well placed hits scored five runs. Milton came back in the eighth with a fine rally that put four counters across the plate for them.

McGowan started on the mound for Oakville and lasted until the eighth innings when Roberts and Anderson took three-base drives from his offerings and Pollock was sent in to relieve him.

Gervais was the starting pitcher for Milton and retired in the third innings when he received a leg injury in attempting to block an Oakville runner sliding home. Clements relieved him and went through the nine innings. Oakville took two runs in the first innings but Milton came back with three in their half and led at the end of the second 5-2. When the Lakeshore boys put across four runs in the third innings they took the lead and held it for the rest of the game.

The score by innings:

Milton	320	000	042	11
Oakville	204	100	501	13

Milton evened the week's score with Oakville last night when they took the Lakeshore boys for an 8-6 win on the grounds in Oakville. The Milton nine led all the way and held Oakville at 8-2 in the last of the seventh innings when Oakville brought their count up to six runs.

North Halton School Boards Met At Milton Thursday

Last Thursday evening representatives of the School Boards of Acton and Georgetown were guests of the Milton High School Board at a meeting in the Milton High School when more information was secured regarding the High School District for North Halton and the matter was discussed. Inspector Wm. Stewart and Inspector L. L. Skuce were present and gave answers to all questions.

The present area of North Halton will give a pupil enrollment of about 350 pupils. Since county boundary lines have been eliminated in setting up these districts, it is felt that the North Halton district could offer splendid facilities to some of the district north of Halton. The ideal school is given as between 600 and 700 pupils so that in setting up this district ample provision is made to allow for the growth that can be anticipated over a long period.

The meeting is just a forerunner of gatherings to get the facts and it is anticipated further meetings will be held in the other municipalities at later dates. The Milton Board very hospitably served a delightful lunch and provided an opportunity for informal discussion of the change that must be met if the children of this district are to have educational facilities equal to those provided in other sections of the province.

Milton Defeated Georgetown 6-5 Here Last Evening

Best Game of Season Played By Juveniles—Triple Play A Feature

By defeating Georgetown in a twilight fixture in Agricultural Park here last night the local juvenile aggregation won their fourth straight win in the schedule. Although the kids seemed to be on the skids in the third they came back in the fourth and fifth frames to hold out on top by a score of 6-5.

Spence started on the mound for the visitors but the Milton group banged him all over the lot until he was replaced in the third. Grenke and Currie hit two long safeties. Herrington, a long lanky lad, pitched air-tight ball until the fourth when Fay landed a long drive to right after two were scored as out. Grenke banged a liner down right short which Scott had no chance to grab. The right fielder muffed a grounder advancing Grenke to third, scoring two runs. Currie struck out to end the inning with a score sheet reading Georgetown 5 and Milton 3.

Let's go back to the big third when Georgetown grabbed off five runs. Marshall, who was on the mound for the locals walked two batters when they were hit by pitched balls. Spence struck out. Scott and Sargent landed safeties and Muir struck out. Norton was hit by a pitched ball and Hoare landed a safety counting five runs. Dillon struck out but that big five didn't discourage the locals for they came back fighting like a pen of bantams. The third innings was the only innings in which the visitors scored counters, although in each of the other frames they threatened, but Marshall who bore down on all players with the support of the team retired the side before additional damage could be done. Stover's long hit to centre worried Herrington. He settled down to strike out South but next walked both Vaughn and Marshall. The Georgetown short stop was scored with an error on Nadalin's grounder which brought in Stover, Vaughn and Marshall. Fay and Robertson, the next batters, each enjoyed a strike out. There was no further scoring by both teams.

The highlight of the contest was in the first inning when the visitors were at bat. Scott, the lead-off man, was walked and Sargent went to first on a fielder's choice. Muir, the third batter, decided a bunt would place three men on the potato sacks. He missed and popped a fly bunt to Marshall who threw to second, to first for the first triple play of the season. It was one of the rare occasions in any sort of organized ball and the kids were roundly applauded by the largest crowd yet to see juvenile ball here this year.

Here's a tip to all you baseball fans. Go to see those juveniles play ball! If that gang will stick together it will not be many years before Milton has the O.B.A. pennant again.

Line-ups: Georgetown: Scott, ss; Sargent, rf; Muir, 2nd; Norton, c; Hoare, 3rd; Dillon, lf; King, cf; Sykes, Wylie, 1st; Spence, Herrington, p.

Milton: Nadalin, 3rd; Fay, 1st; Robertson, c; Grenke, ss; Currie, rf; Stover, cf; South, lf; Vaughn, 2nd; Marshall, p.

Umpires: Stan Fay, Milton; Merv. Robb, Georgetown.
