CAMPBELLVILLE

The fine weather has been a great boon to agriculturists. Several farmers have sown fall wheat and rye. The warm weather and showers are beginning to bring the grain up and the fields are looking green already, although the pasture fields are badly burned.

Potato picking is also the order of the day, but warm days make the job easier. A bumper crop is reported from most farmers. Second growth clover is being cut on some farms near here and will make excellent feed especially for cows and calves.

Most residents near here attended the Halton County Fair at Milton last Saturday. The first peace-time fair in several years revealed new features. Warm weather drew the biggest crowd in years and a large exhibit of horses, livestock, flowers, baking, handicrafts and children's work.

A large number from here attended the tea sponsored by the Milton Red Cross for war brides at the home of Mrs. McKenzie on Monday afternoon.

Mr. and Mrs. Alexander Moore, Misses Janet Currie, Jean McPhail and Mrs. Thomas McPhail and Ronald of this village were guests at the McPhail-Gibson wedding in Dublin Street Church in Guelph on Saturday afternoon.

Miss Betty Webb spent Sunday with Miss Jean Cramp.

Mr. and Mrs. Percy Hammond, of Buffalo and Mr. and Mrs. Fred Hammond of Toronto, were Sunday guests with Mrs. Sophia Patterson.

Mr. and Mrs. Walter Turner, of Galt, were week-end guests of Mr. and Mrs. Alfred Turner.

Mrs. Howard Lush has accepted the position as organist of Nassagaweya Church on trial.

Mrs. Neil McMillan, of Waterdown spent the week-end with Miss Margaret and Mrs. Archie McMillan.

Congratulations to Mr. and Mrs. Thomas Howard on the arrival of twins, a son and a daughter, at Mrs. Raspberry's nursing home in Milton.

Mr. and Mrs. William Taylor, of Alberta visited the home of Mr. and Mrs. John Gilmour on Sunday. Mrs. Taylor is a sister of Mr. Gilmour. Mr. and Mrs. Charles Weir, of Carlisle, were also guests.

Textile strikes which have plagued the country in the recent past, are to blame for the scarcity of diapers. There is some hope however that the shortage will soon end for textile companies are in full production now.

Mrs. E. Cairns was hostess for the W. M. S. for their September meeting. The scripture was read by Mrs. Howard Lush followed by prayer by Miss McPhail. The Welcome and Welfare convener, Mrs. Elsie, reported four calls made. Letters of appreciation from members who had been ill were read. Plans for the Diamond Anniversary were discussed.

The topic from the study book was taken by Mrs. A. T. Moore, who made it very interesting by showing how our church works in Africa. Mary Slessor and Mary Murray were especially mentioned as devoted workers who accomplished much for the people of Africa, also how the orphaned missions had been helped and encouraged by our Canadian churches helping in the time of their need. The prayer from the Glad Tidings was read by Mrs. R. Inglis. A short report of the Presbyterian executive meeting was given by Mrs. Menzies. "Grace" was the word by which the roll call was answered. The offering was dedicated

by Mrs. Neil McPhail. The meeting was closed with prayer by Mrs. Gilmour.

A social half hour was enjoyed with a cup of tea and refreshments served by Mrs. Moore, Mrs. Laking, Mrs. Lush and Miss McKenzie. There were twenty-four members and five visitors present.

KILBRIDE

The September meeting of the W.A. of the United Church was held at the home of the president, Mrs. A. Wetherault who presided.

Mrs. Elmer Heatherington conducted the devotional service. Others contributing to the program were: Mrs. F. Davis, Mrs. E. Harbottle, Dorothy Heatherington and Mrs. W. Bullard.

During the social hour, Mrs. E. McArthur conducted a sun contest which was won by Mrs. Heatherington and Mrs. Davis.

Arrangements were made for a special meeting and a birthday tea to be held late in October, when Miss Sybil Bennett of Georgetown will be guest speaker and several other associations will be invited as guests.

Most of the folk in this community attended the County Fair at Milton on Saturday.

Mrs. H. R. McDonald spent a few days last week at Hastings with her sister and brother, Clara and Richard Williamson. Her brother returned home with her and enjoyed a few days holidays with Dr. H. R. McDonald.

Mrs. Marion Cartwright spent the week-end with her friends, Mr. and Mrs. George Fox at Palermo.

Mr. and Mrs. F. Davis and Mr. and Mrs. J. Bennett attended Anniversary services at Palermo United Church on Sunday and visited with friends in the district.

The special service of the W.M.S. meeting will be held on Tuesday, October 10th, instead of Wednesday, October 9th as was formerly announced at the home of Mrs. Elmer Heatherington.

Mrs. Mary Simpson spent the week-end with relatives in Campbellville.

HORNBY

Sponsored by the Hornby Women's Institute, the Eckardt Brothers gave their Musical Review in the Princess Theatre, at Milton on Wednesday, September 25th. The bell-ringing, cathedral chime playing, and piano work were worthy of appreciation. Considerable skill and ability were displayed. It was difficult, however, to appreciate the shadiness which was substituted for humor, and which put the over-all performance on a much lower level than seemed necessary. Some people in the audience felt that their intelligence had been underestimated by the performers.

Rev. Ross Hare's sermon on "Holes in Our Pockets" was very much appreciated by those who attended the service in the Hornby United Church recently when the minister was absent preaching the Harvest Home sermon at the Millgrove United Church.

The Official Board of the Hornby United Church met at the parsonage last Thursday evening, with thirteen members present. Ways and means of paying for the parsonage bathroom installation were dealt with, and the matter of painting he outside of the parsonage, or putting on insul brick was discussed.

The Hornby United Church is having its Anniversary Services on Sunday, October 6th. Rev. Wesley Hunnisett and his musicians will have charge in the morning at eleven o'clock and Rev. John McDermid of Brampton, with a quartette, soloist and accompanist, will take care of the evening service from eight o'clock.

Mrs. James Bailey has been on a visit to her daughter in East Rochester, N.Y.

The Spence children have been distributing apples to those in our community who do not grow them. The price? The lowest possible—nothing. They also entertain their customers with delightful chatter.

The Young People's Union are planning their first meetings of the fall season.

LOWVILLE

Quarterly Communion service will be held in the church next Sunday.

A birthday party of interest was held on September 24th at the home of Mr. and Mrs. Erland Colling in honor of Mr. William Gunby of Waterdown. In addition to the members of Mr. Gunby's family there were two sisters, Mrs. G. H. Harbottle and Mrs. E. B. Coulson. Following the dinner at which a beautiful decorated birthday cake was cut by the honored guest, short addresses were made eulogizing Mr. Gunby and wishing for him many more years of health. Most speakers stressed the useful life which he had lived, blessing to his family and helpful in the communities where he had lived.

In reply Mr. Gunby expressed appreciation for the party. He stated that he was indeed thankful for many things, not the least had been his health and the confidence which others had placed in him with offices in the church and municipality, and he appreciated very much the fact the people had over the many years been so kind to him.
