BORN

SILVER—At Newmarket Hospital on Thursday, March 6th, 1947, to Mr. and Mrs. Joseph Silver of Newmarket, a son, Joseph Thomas.

CALVIN—At Mt. Hamilton Hospital on Monday, March 3rd, 1947, to Mr. and Mrs. J. Calvin, a son, brother for Brian. Mother and baby doing nicely.

POWELL—At Milton Private Hospital on Saturday, March 8, 1947, to Mr. and Mrs. Charles Powell (nee Jessie Howard) a daughter, a sister for Eleanor.

IN MEMORIAM

EVANS—In loving memory of a dear husband, John A. Evans, who passed away March 17th, 1944.

Resting after life's journey, Resting in God's loving care, Over death's deep dark river, Safe in God's home so fair.

—Sady missed by his Wife May

- Brevities -

—Highways are down to the bare pavement again.

—A week from to-morrow is the first day of spring and three weeks will be Good Friday.

—Mr. Hatley will be the conductor of the Victory Choir in their concert next week in Massey Hall.

—Warm sunshine and road clearing machinery have made real headway against last week's pile-up of snow.

—Last Friday evening friends and neighbors of Mr. and Mrs. William Morrison, Court Street, tended them a surprise party at their home, the occasion being their Thirtieth Wedding Anniversary. A very enjoyable evening was spent playing cards followed by a dainty lunch.

—The home of Mr. and Mrs. Fred Robertson, Hornby was the scene of a happy gathering last Saturday evening when the latter's mother, Mrs. Humberstone, of Toronto, entertained her brothers and sisters with their wives and husbands. The evening was spent playing progressive euchre after which Mrs. Humberstone and her daughter served a delicious buffet supper. Guests included Mr. and Mrs. Elmer May, Mr. and Mrs. Edgar May, Mr. and Mrs. Clifford May, Mr. and Mrs. Norman Copeland and Mr. and Mrs. N. J. Brown.

Acton and Palermo Reach Play-Offs In Junior Farmers

The Acton and Palermo Junior Farmer teams meet in the first game of a best two out of three series play-off, in the Milton Arena to-night, Thursday 13th. Both teams will be out there to win the Milton Milling Company Trophy, emblematic each year of the winning Junior Farmer Hockey Club Team in inter-club competition. The Norval and Milton Junior teams will play exhibition games in the same series to complete a double bill.

In the first game at the Arena last Thursday, the Palermo boys beat out a 4-3 win over the Milton team, which was anybody's game until the final bell. Goals scored by Palermo were, Delmar Galbraith, 2; and Bill Meredith and Willard Bridgeman one each. For Milton it was Bruce Marshall, 2; and Russ Coulson one.

In the second game of the twin-bill, the Acton Juniors earned a 4-0 shut-out from the Norval boys. However the Norval line of John McClure, Bill Laidlaw and Bill Cunningham were always a serious threat around that Acton net. The goal-getters for Acton were Bob Marshall and Jack Stewart with two apiece. Incidentally Bob Marshall is the league's leading goal-getter with a total of nine goals to his credit. Stan Price and Neil Charette of the Milton team have six apiece. Vernon Bridgeman and Delmar Galbraith of Palermo, John McClure of Norval and Jack Stewart of Acton each have five apiece. Gib Jordan of Acton is the leading goalie with only seven goals against him.

The "Vampire of Rueil" who was reported as having attacked four women and bitten them about the throat has been arrested by Paris police.

SLIPPERY WALKS

One feature of winter life which is more or less troublesome, consists of walks that are slippery in many towns with icy surfaces. Some people fall on these icy walks, and a number suffer broken bones. These conditions change very rapidly when a warm spell of weather turns suddenly cold, and a watery and slushy surface suddenly becomes icy.

Many cities and towns do what they can to make such walks safe, but it would be so expensive and impossible to remove all chance of such falls that not many communities would want to assume the cost of trying to do so. Some householders sprinkle sand and ashes on their walks, which is a great help. People need to use special care when they walk over such surfaces.

Halton Seed Fair Annual Bacon Show Offers Fine Program

The annual prize list for the 1947 Halton Seed Fair and Bacon Show which has recently been distributed, reveals an excellent prize list for both sections of the show, and an outstanding program. The event is scheduled for the Milton Town Hall, on Friday and Saturday, March 14th and 15th. We understand from C. L. S. Palmer of Freeman, president of the Halton Crop Improvement Association, that all entries and exhibits will be received on Friday morning, with judging taking place the same afternoon. The Seed Fair this year, has a new feature in the form of a special Junior Farmer Section with classes in Oats, Barley, and Winter Wheat. Halton Junior Farmers are offering a \$10.00 Special to the Junior Farmer Group getting out the largest number of exhibits from their respective members.

The achievement day for the members of the two Boys' Grain Clubs organized in 1946 is also being held at this event.

Still another feature which is also scheduled for Saturday, is the annual Judging Competitions in Grain, Seeds Potatoes, Hog Carcasses and Identification of weeds and forage plants, open to all Halton Junior Farmers. Registration takes place at the Milton Town Hall, at 9.00 a.m.

Halton Hog Producers Association under the leadership of president R. Bruce Reid, Georgetown, and his fellow officers, have secured an excellent entry for the Bacon Show. No less than 45 Halton hog producers have each entered a hog for this show. These have already been marketed, and are being processed into Wiltsires, and a portion of which will be on display at the Milton Town Hall on Saturday afternoon. The prize list for this section is being provided by the Federal Live Stock Branch, the officers of which with the co-operation of Canada Packers Ltd. are selecting the sides and bringing the display to Milton.

Primarily the Halton Seed Fair is a commercial show and only those with seed for sale are eligible. Furthermore the grain and seed exhibited must be of the same quality and grade as that being offered for sale, and consequently provides an excellent opportunity for sellers and buyers to get together. Incidentally, there is an auction sale of ten bushel lots of both oats and barley, at 4.00 p.m. on Saturday.

Perhaps the outstanding feature of the excellent program on Saturday afternoon, is to be an address by W. P. Watson, popular and well-known official of the Ontario Live Stock Branch. As the representative of the Ontario Department of Agriculture, Mr. Watson recently returned from studying agricultural conditions and markets in Great Britain, Denmark and Southern Sweden. Notwithstanding bad road conditions, officials of the Show predict another packed hall at Milton on Saturday afternoon of this week.

ANIMAL GROOMING BY SUCTION CLEANED

A United Kingdom firm has developed a new use for suction cleaners—that of grooming animals. A special machine which it has produced for the purpose is mounted on a small push handle base, fitted with caterpillar tracks for mobility and capable of being driven either by a miniature petrol engine or by a 1.5 horsepower motor. The filter container has a removable top thus enabling the internal dust bag to be emptied. Equipment includes an assortment of cleaning tools and brushes.

Milton Red Cross Branch Report A Successful Year

Geo. H. Dawson Elected President Mrs. Dewar Tells of Peace Time Program

Geo. H. Dawson was elected president of the Milton Branch Red Cross Society at the annual meeting held at the Legion Hall last Wednesday night.

A small attendance was present to hear the various reports. Chairmen of the different committees reported a successful peace-time year with a balance of \$1,475.19 on hand after all disbursements had been made. Mrs. F. E. Babcock reported that the society had made 502 knitted articles, 482 sewn articles, seven hospital articles and 97 quilts.

Mrs. Mervin Ezeard, convener for the Nursing Committee, said a home nursing supply cupboard had been opened recently, which contained articles useful for home nursing. These articles would be loaned by the society on an order of the doctor or nurse, she explained.

Commending the society for its work in the past, the president-elect said the country is passing through a period regarding activities of many organizations since the war, but looked forward to great improvements during the coming year.

Mrs. F. D. Dewar, who was wartime president of the society and also a member of the Red Cross executive, told the meeting the Red Cross is planning a large peace-time program which included work with the D. V. A., health, out-post hospitals, dental survey and special instruction.

She said that four out-post hospitals were planned and a great portion of the money derived from the campaign would be used for that purpose. Continuing she said swimming instructors would be available to centres where there were such facilities, and the dental survey would be principally among the children for the purpose of teaching prevention and the care of the teeth.

Declaring that there was a large balance on hand, she said the govern-

ment ruling stated that all monies raised under the War Charities Act was to be used for International Relief. The former president exhibited an afghan made from wool ends, which she said would be presented to either the Sunnybrook hospital or another hospital for invalids confined to wheel-chairs.

Following is the treasurer's report:

Receipts

Balance of Cash, Jan. 1, 1946	\$1,168.42
General Donations	77.60
Campaign	1,190.20
	\$2,436.22

Expenses

Remitted to Division	\$ 800.00
Materials	96.73
Equipment	35.00
Miscellaneous	29.30
Balance of Cash, Dec. 31st, 1946	1,475.19
	\$2,436.22

Auditors—H. R. McGrogan and A. D. Sprout.

Other officers chosen were Mrs. F. D. Dewar, Honorary President; H. C. Morris, 1st Vice President; Mrs. F. E. Babcock, 2nd Vice President; R. E. McAndless, treasurer; Mrs. G. W. MacKenzie, Secretary; Executive Committee: Mrs. R. M. Clements, Mrs. Mervin Ezeard, Mrs. K. Agnew, Mrs. J. E. Marcellus, Miss Laura Chisholm; Chairman of the Campaign Committee, H. C. Morris. Delegates to the annual convention to be held at Toronto March 21, Mrs. F. E. Babcock, Mrs. G. W. MacKenzie, Mrs. J. E. Marcellus, Mrs. R. M. Clements.

CHIEF CONSTABLE'S ADVICE

Ottawa's veteran chief constable, J. P. Downey, recommends these safety resolutions for drivers in 1947: "More cautious driving, obeying all traffic laws, signalling intentions to turn left or right, no drinking and driving, right of way for pedestrians even when they are wrong, never driving at a speed greater than condition of the road and traffic justify, being particularly careful when passing schools and playgrounds."

For pedestrians the chief urges obeying all traffic lights, not walking into traffic from behind parked cars, remembering the motorists right to use the road, looking both ways before crossing a street, and if you must have a drink, have it only at home and stay there.
