Oakville is to have an ambulance service. At Monday evening's meeting of council it was decided to grant S. S. Russell the sole right to operate an ambulance service in Oakville for a period of ten years, provided that service is satisfactory. During that period no one else will be permitted to operate an ambulance in the town.

Once again Charles Priestman took his annual St. Patrick's Day walk from Toronto to Oakville on Monday. Pacing along the Lakeshore Highway with a vigor that belied his eighty years and would have done credit to a man half his age, the veteran hiker walked into town to be greeted by curious, admiring groups of townspeople, and received a civic welcome from Mayor Charles V. Hillmer.—Record Stor.

MOFFAT

Many of our farmers are busily engaged in their sugar bush. The weather has not been conducive to a good flow of sap and the syrup yield may be rather disappointing.

The evidences of spring are again with us, and a severe winter has come to an end.

Our community was shocked by the sudden death of one of our elderly and much respected citizens in the person of Mr. John Peer. He was enjoying his usual health and was busy chopping wood all morning, and while resting before dinner passed peacefully away and was found by his beloved wife when she called him to dinner.

A largely attended funeral was held in the Community Church conducted by the Rev. Mr. Jackson, rector of St. John's Anglican Church. The sympathy of the community is extended to the sorrowing widow and the bereaved family.

Mr. and Mrs. Bud Fraser and Catherine spent the week-end in Hamilton, the guests of Mr. Mrs. Roy Spears.

The Sodom Church held a bazaar and social evening on Tuesday under the auspices of the Women's Association of the church.

Mrs. Vernie Campbell in St. Joseph's Hospital, where she is undergoing treatment for badly burned hands. We are glad that she is progressing favorably and will soon return home.

S. S. No. 7

Wedding bells are ringing for another No. 7 girl.

Sympathy is felt for Mr. and Mrs. Wm. Service and family in the loss of Mrs. Service's father, Mr. John Peer of R. R. 1 Moffat. Although in poor health his death was sudden and a shock to his loved ones.

The No. 7 Farm Radio Forum met at the home of Mr. Lockie McLean (Mr. and Mrs. Peter McLean) on Monday night. After listening to the broadcast the questions asked were discussed and answered by members. Questions asked on daylight saving and standard time brought forth a lively discussion and it was thought it would be a good topic for discussion next year. It was moved that the Forum would listen to and meet as suggested for discussion of summer fallow. Mr. and Mrs. Stephen Coxie St. Helena, offered their home for the first meeting.

As this was the end of the season's broadcasts, a social evening had been planned in the form of a progressive euchre party and oyster supper. Four tables of euchre were played with Mrs. Wilfred Kennedy and Miss Hazel Kennedy as winners for ladies and Mr. Stephen Coxie and Mr. J. J. Kennedy for men. The tables were then covered with cloths and twenty-four people sat down to the meal of oysters for those who liked them and Bisk, a delicious concoction, of our hostess for those who didn't like the oysters, soda biscuits, cheese, hot buns, celery, pickles, buttered date bread, cherry ice cream, cake, cookies and a choice of tea or coffee. Some one reported three servings of ice cream and we believe it. Mr. Stan Robinson on behalf of all moved a vote of thanks to the hostess who thought of and did everything possible to make the evening a success, and to Mr. George Locker who made the best ice cream ever, and others taking part in the evening.

The bad roads, misty night and promise of heavy rain and wind had no influence on stopping this final get-together of a winter's helpful discussion and friendly gatherings. Credit is given to the president Mr. C. E. Davenport and hard-working secretary Mr. Wilfred Kennedy, and the gracious volunteering of each week's hostess for our forum's success.
