Accused to Make Restitution to Two Acton Residents

Had Given Victory Bonds—Accused Released on \$4000 Bail

With consent of the Crown, Magistrate Kenneth M. Langdon approved an adjournment to June 11, as proposed by the defence counsel Joseph Sedgwick, when Henry Bausch, Toronto, appeared in Magistrate's Court here last Wednesday. Bausch was charged with obtaining \$1,000 Victory Bond from Frederick Cooper, 74 year old Acton resident, by fraud and false pretenses.

He is also charged with obtaining a second \$1,000 bond from the complainant and \$1,500 from Margaret Denny, also of Acton.

Following the testimony of Cooper at the preliminary hearing, defence counsel asked the complainant if he would be content to have restitution made. "All we want is the money," Cooper replied.

Mr. Sedgwick then read a letter to the court from the complainant to Bausch, stating "we would be satisfied to have our money with interest before June 15."

"Bausch claims he has assets which will bring him money in the next 40 days. I would suggest a remand until June 11 that he might make restitution. His trouble has been market misfortune with no intention to defraud," Mr. Sedgwick claimed.

"I don't like to use the courts as a collection agency, but in this case I will agree to let it stand over until June 11," stated Crown Attorney W. I. Dick.

Mr. Cooper said in his testimony he gave the accused the \$1,000 Victory Bond to purchase 350 shares of Upper Canada, on February 7, 1946. "We didn't receive anything in return except promises."

The crown read five letters into the evidence from Bausch, one stating "to accept these butter coupons. I hope the market will change and bring you dividends." Another said "it's a crime you lost so much money already." Others stated "I'm sorry things didn't turn out our way. We'll hang on until they do." "Will see you next week. Placed an order to sell, but market went down. I don't want you to lose anything. The market will be better."

Under cross examination by Mr. Sedgwick, witness said he knew the accused about six or seven years. "He claimed he knew the inside of the mining game, and we took him for an honest man. He was to invest the money in mining stock which in his judgment would make us some money."

Bausch was released on \$4,000 bail following the adjournment to June 11.

Pleading guilty to breaking a window in a car owned by J. R. Patterson and creating a disturbance on April 19, John Stover was assessed \$10 and costs of \$2 or in default 10 days in jail.

According to Provincial Constable E. R. Lemon, Stover admitted breaking the window. "He had been drinking but was not intoxicated, although he had a cut on his hand," the officer stated.

The court was informed the damage caused to the car was being taken care of.

Edwin Welsh was also fined \$10 and costs of \$8 or 15 days when he entered a plea of guilty to a charge of creating a disturbance on Brant St. in Burlington, Saturday, April 19.

Constable Crawford stated he found the accused in a residence in which a number of articles were broken. He explained he had a cut on the head and had to use force to apprehend him. Welsh was so hard to handle, the doctor was unable to suture his head. He received treatment after he was brought to Milton jail.

Speaking on behalf of the accused, George E. Elliott said he had a good job in the city, but couldn't manage his liquor sometimes. "He doesn't recollect what happened that night," he said.

To be shown for the first time at the British Industrial Fair will be a new alarm clock that needs neither winding nor resetting. Unlike the standard alarm which fails to go off if its owner forgets to set it, the new clock is 24 hour fully automatic. Once set for "revelle" it will automatically go off at that time every day until readjusted. It is electrical and therefore requires no winding.

Tag Day For The Blind Saturday May 3rd

On Saturday, May 3rd, The Canadian National Institute for the Blind will hold its annual tag day in Milton. There will be no tag day in the Fall as the Halton County Advisory Board has decided to have all tag days in the Spring at the same time as the Toronto canvass.

The John Milton Chapter of the Imperial Order of the Daughters of the Empire has kindly consented to assume the convenorship of the tag day this year.

Contributions not made to taggers may be left with our Treasurer, H. C. Morris at the Bank of Nova Scotia, Milton. It is hoped that all citizens will support the Institute in its great humanitarian work in the same generous manner as has been done in the past.
