THE SMALL-BLACKLOCK WEDDING AT ST. JOHN'S ANGLICAN CHURCH

St. John's Anglican Church, Campbellville, decorated with evergreens and spring flowers, was the scene of a wedding when Jean Elizabeth, elder daughter of Mr. and Mrs. John Blacklock, Campbellville, became the bride of George Bruce Small, elder son of Mr. Harold Small and the late Mrs. Small, Campbellville. Rev. Jackson officiated.

The bride, who was given in marriage by her father, was charming in a floor length gown of white velour with full skirt, sweetheart neckline and long sleeves pointed over the hands. Her finger tip veil of net was held in place by a band of flowers, and she wore a gold necklace, the gift of the groom, and carried Better Time roses.

Miss Annie Blacklock, sister of the bride, wearing a floor length dress of peach taffeta, puff sleeves, with hat to match and long white gloves, and carrying pink Delight roses, was bridesmaid.

Mr. Donald Small, brother of the groom, was best man. The ushers were Mr. Bill Blacklock, Rockwood, brother of the bride and Mr. Lyle Wigood, Mountsberg.

Mrs. William Early, aunt of the bride, played the wedding music and during the signing of the register, Miss Phyllis Robertson sang "O Promise Me."

Immediately after the ceremony a reception was held at the home of the bride's parents where a buffet lunch was served for about fifty guests.

Receiving with the bridal party were the mother of the bride and aunt of the groom. Mrs. Blacklock wore a light blue suit with a corsage of pink Delight roses and Miss Small wore a navy blue dress with a corsage of butterfly roses.

Later the young couple left on a short wedding tour, the bride wearing a turquoise suit, brown hat and matching accessories and a corsage of Better Time roses.

Guests were present from Hamilton, Guelph, Corwin, Kilbride, Campbellville, Badenock, Aldershot and Rockwood.

SUNDAY, JUNE 1st WILL BE SHUT-IN'S DAY

On Sunday, June 1st, Canada will pay tribute in a special way to her sick and disabled, young and old alike, who are confined through illness or disability to their homes, hospitals or other institutions. This is the Day when the public at large will remember with visits, letters and gifts, those who are laid aside. These people, the sick and shut-in, are an inspiration to everyone; by their ability to meet adversity with cheerfulness, they earn our admiration and regard.

But remembrance—a precious thing in itself—should also be a practical thing. In this connection shut-ins should be generously remembered. Their one desire is to be accepted as members of the community—to feel that they are not forgotten. Shut-in's Day is an opportunity to revive old friendships, to make new friends, and to gain a fuller appreciation of their problems and abilities. Recognition, consideration and affection are as much desired by the shut-ins—and valued more—than by any other group.

So make June 1st a day of remembrance and then make every Sunday Shut-in's Day.

FLUID MILK SALES

Reports of sales of fluid milk and cream for January, 1947, show consumption being maintained at about the same level as a year ago. The increase in consumption that was apparent throughout most of 1946 is no longer evident, states the Current Review of Agricultural Conditions in Canada, and indications seem to be that there will be some small decline, with a larger reduction in the sales of fluid cream. The lifting of restrictions on cream will probably have the effect of increasing cream consumption, says the Review, but it is not expected that this increase will bring sales very much above those of 1946.

BACHELOR HEALTH

Those who strive to "live alone and like it" are reminded by the National health authorities that, even more than family folk, they must watch their living schedules, if they would preserve their health.

It is such a temptation for the bachelor or bachelor-girl to make do with a snack, and, the doctors fear, many living alone are inclined to be careless with cleaning up their living quarters. Strict self-discipline is advised not only with respect to cleanliness of rooms and apartments, but with meal schedules and other aspects of living.

Bishop of Niagara Confirms Sixteen Anglicans at Hornby

On Whitsunday (May 25) at 11 a.m. fourteen members of the congregation of St. Stephen's Church, Hornby, and two members of the congregation of St. Paul's Church, Norval, received the Apostolic Rite of Confirmation (Laying on of Hands) from the Right Reverend L. W. B. Broughall, M.A., D.D., Bishop of Niagara Diocese.

Despite constant rain and grey skies Anglicans arrived in large numbers, and the historic pioneer church was well filled when the service began. As the first hymn ended, the Rector of St. Stephen's, Rev. H. Leigh Pink, L. Th., said, "Reverend Father in God, I would ask you to dedicate the decorations and improvements in our church".

Bishop Broughall congratulated the congregation upon the restoration of the sacred building and conducted a brief service of dedication. Presentation of the confirmation candidates followed. They were: Alma May Bradley, Edna Louise Bradley, Eleanor Shirley Burton, Marjorie Bernice Burton, Glenna Elvera Bussell, Jean Clayton, June Eleanor Laver, Mae Edna Laver, Verna Merle Price, Mary Elizabeth Thompson, Mrs. Florence Jolley, Norval, Harry Albert Burton, Edwin George Laver, Ernest Earl Price, Craig Collin, Thomas Royce, Mr. William Finnermore, Norval.

In his sermon, the Bishop congratulated the sixteen candidates, "on being young, on being confirmed, on being members of that branch of the true Holy Catholic and Apostolic church which was established in England as early as 200 A.D. and which received its Orders and commission from missionaries linked directly with the first Apostles appointed by Our Lord Jesus Christ." All the members of the great Anglican Communion, with its millions of communicants and adherents all around the world, have a "precious heritage" said the Bishop, "in this long and historic tradition and continuity, in preserving unimpaired the teaching and discipline and authority of the Apostles."

The Rector of St. Stephen's, welcomed Bishop Broughall. He commended the men of the congregation for re-roofing the church despite cold winds and chilling rain. "Those who tackled the steeple deserve the name heroes—it must be the most difficult shingling job in all Halton County." He also gave advance notice of the special service on Sunday June 1st at 3 p.m. when the new Honor Rolls of World Wars I and II are to be dedicated, with the Milton and Georgetown branches of the Canadian Legion attending Church Parade led by the Lorne Scots Regimental Band, the address to be given by the Rev. C. G. Eakins, Rector of Milton.

ENGLISH COLLEGE OF MUSIC REPRESENTATIVES TO VISIT MILTON

Trinity College of Music, London, Eng., is sending Principal W. Greenhouse Allt, Mus. D., F.R.C.O., organist at famed St. Giles Cathedral, in Edinburgh, and Mr. A. T. Rees, Secretary of the College to Canada by air in June for the purpose of re-establishing its activities in the Dominion following the curtailment necessitated by the war. Dr. Allt and Mr. Rees are visiting Milton during the course of their visit, at the invitation of Mr. Alec Pudwell, and on the recommendation of Mr. E. S. Roper, Organist and Composer at H. M. Chapels Royal, with a view to establishing a residential college of music here in affiliation with the college in the motherland.

Ranking with the Royal Schools of Music as the three outstanding colleges of music in the British Isles, Trinity College has centres in every part of the world. Even during the war years its list of examination candidates topped the 200,000 mark, and through its University affiliations with Durham and London it is able to give its students the finest in musical education that the old land has to offer. Being a non-profit organization, it has been able to offer remarkable scholarships to its overseas students, and there are nine of these available for Canadian students consisting of free passage to and from England, free tuition, board and lodging, and chaperonage. These scholarships, which are tenable for three years in England, are only the cream of several hundred scholarships tenable for one, two and three years locally in each centre throughout the world.

The visit of Dr. Allt and Mr. Rees will be watched with keen interest by the community.

DRINKING MILK

National Health nutritionists suggest that children should be encouraged rather than forced to drink milk. If parents insist that the youngsters take the amount of health-giving milk they should have, an aversion which will last a lifetime may be developed. "Just have lots of milk about" say the food-wise government people. "Let the children take their time about milk: they'll like it then, and it'll do them the most good. But, since milk is essential to their diet, serve it to them in soups, puddings, sauces, on cereals, with mashed potatoes, and with all other foods with which it mixes so well."
