Brevities

—Home gardeners have been making the best of the bright days as they come.

—At least the grass seems to have thrive well in the kind of weather we have been having.

—Ken Gullis has taken over and will operate the White Rose Service Station at Palermo.

—June the month of roses and brides—also should be the month of strawberries and green peas.

—Creeks and ditches had a heavier flow of water on Monday than has been experienced in any springtime freshets.

—June floods are pretty rare. Not in our recollection have we seen such high water in this district at this season of the year.

—Donna June Hutchinson was one of the graduating students from Macdonald Institute at Guelph, in the Home Economics Course.

—Dr. J. H. O'Neill has decided to open an office in his residence, Main Street. He is not an entire stranger to Halton County as he taught school in Lovville many years ago.

—An unusual tulip, one with six blooms on a stem and another with eight blooms on one stem were grown by Mr. George White of Milton. These flowers were grown from bulbs brought from Holland by his son. All blooms were of perfect shape and lovely color.

MISS F. STEVENSON SPEAKER AT ST. PAUL'S EVENING AUXILIARY

The regular meeting of St. Paul's Evening Auxiliary was held at the home of Mrs. Henry Cripps on Tuesday evening, June 3rd with the president, Mrs. E. W. Foster in the chair. There were twenty-eight members and eleven guests present.

Mrs. H. Jennings led the Devotional Service which was based on Prayer, the effectiveness and power it could be in our lives.

Miss Frances Stevenson missionary on furlough from India was guest speaker. She chose as her subject, "The Differences between the Christian and Hindu Religions". In the course of her remarks she definitely showed how the Hindu religion retards progress of any kind whatsoever.

The ladies trio, Mrs. K. O. Foster, Mrs. F. Hayward and Miss Edna Anderson, presented two beautiful numbers.

The task of democratic government is not to govern but to inspire people to govern themselves.
