Milton Juveniles Chalk Up Another Win Against Acton

(Continued from Page One)

and Early landed safely on the 1st sack when the Acton 2nd baseman fumbled. McPhail walked and South grounded to 2nd who muffed the throw to score Milton's two counters for the inning. South tried to squeeze it into a double but was tagged out at 2nd. Salt was the only man to reach 1st for the tanners in the 3rd.

Rusk singled and reached home on Marshall's long hit over 2nd. Allan made 1st but failed to get any further in the game. Early and McPhail both clouted safeties and scored on Lawson's overthrow at the plate, to put the homesters up for the first time in the contest. Acton was scored with a single hit in each inning but was unable to add a count, while Milton amassed four more.

Stan Fay batted out the longest, a triple in the 5th with a brand new shalleah made for the senior club.

Acton scored a singleton in the last inning when Salt landed safely after two were out. Adamson walked and when Grenke failed to stop a grounder in right, Salt crossed the plate. Morton who relieved "Lefty" in the 6th went down swinging.

Line-up, Acton—Townsend 3b; Allan 1b; Duval ss; Zajac rf; Kentner lf; Hutchison lf in 5th; Salt cf; Adamson 2b; Blaw c; Lawson p; Morton p in 6th.

Milton, Vaughan 2b; Rusk ss; Fay 1b; Marshall p; Stover cf; Early 3b; McPhail c; K. Fay lf; South rf; Grenke rf in the 4th.

THE HOME NEWSPAPER

One of the most essential institutions of modern and progressive community is the home newspaper. It gives the people the information they need about the activities of the home town. It tells about the things the home town organizations are doing for the benefit of the community. It supports progressive movements, and gives these activities publicity, so that people are led to take an interest in these proceedings and give them their co-operation.

The home newspaper is the voice of the community. The people are invited to write to the home paper expressing their ideas about town life, and this helps to create support for progressive movements. The home newspaper reflects the ideas of the community, and through it the community gets the chance to express its ideas to the outside world.

Friends of Mr. Oscar Locker are sorry to hear of his illness in St. Joseph's Hospital in Guelph, but are pleased to know he is expected home in a few days.

OUTDATED NOTION

Someone once said, in reference to Parliament, that it could do anything except make a man a woman, or a woman a man.

It is a saying that must have disturbed the vanity of legal draftsmen for some years. Hitherto they have not attempted to disprove it, but that may be only because they can think of no reason for changing the sex of any Canadian citizens.

Just to show what they can do if they put their minds to it, it may be noted that the Receiver-General, for purposes of the Income Tax Act, has the power to treat as single persons numerous married men and women.

Also, according to the Foregoing Exchange Control Act, "the Governor in Council may make regulations... prescribing that persons who would otherwise be residents shall be deemed to be non-residents or that persons who would otherwise be non-residents shall be deemed to be residents for any of the purposes of this Act." —The Printed Word.

PLAYER INJURED IN SOFTBALL GAME IN BRAMPTON

An unfortunate mishap occurred last Friday evening when the local Legionnaires visited Brampton in a regular scheduled softball fixture. While they were taking a shellacking, Chuck Gervais, Milton's second baseman, ran deep into centre to nab a pop fly as Eric Toletzka came bounding in to make the put-out. They crashed and Chuck was removed to the Brampton hospital for repairs. It was discovered he received a severe injury to the ligaments of his right knee and after taping by Dr. Freed, a former Miltonian, will have to resort to crutches for a short time. We hope Chuck has a speedy recovery.

It cost two billion dollars to complete the atomic bomb.

Highway and County Roads Have Surfaces Badly Broken

The road-bed of Highway 25, is breaking up badly, especially between the Base Line and Number 5 side-road, following the spring grading operations. While it was stated some time ago the highway was to be improved from Milton, four miles north, announcement has not been made that the contract has been let. Surveyors have been working in and around the town recently and it is hoped work will begin within a short time.

A noticeable change in township roads has been made this year. Nearly all roads are in excellent condition with the continual grading in the different municipalities.

County roads have broken up badly, especially the Base Line and the Seventh line. Both of these roads have a hard surface, and workmen spent considerable time a year ago making repairs on this surface. It has broken up much worse than ever and workmen have filled the holes with sand, which is thrown out with the passing heavy vehicular traffic. The maintenance of a light-weight hard surface is far greater than a road-bed which should be constructed for the traffic which uses the road today.

New "air" of Smartness

A product of General Motors

FOLKS EVERYWHERE are singing the praises of the smart new Oldsmobile car. Style alone would make it the smart buy of the year! Long, flowing lines, tasteful trim, beautifully tailored interiors... all combine to give this car a smooth-as-a-melody, "new-as-tomorrow" look. And when you consider that the new Oldsmobile is the lowest-priced car to offer GM Hydra-Matic Drive*, the General Motors drive—that makes Oldsmobile a smart choice automatically. For Hydra-Matic Drive* is the only fully proved, fully automatic drive. The only drive that shifts gears through four forward speeds without any effort whatsoever on your part. The only drive that eliminates the clutch pedal entirely!... Just forget the clutch and gear... all you do is sit and steer.' No wonder so many smart people say "It's SMART to own an Olds."

*Hydra-Matic Drive optional at extra cost.

KEEP YOUR CAR "IN TUNE"

To you who are waiting for your new Oldsmobile—our thanks for your patience... our tribute to your wisdom. The demand for Oldsmobile with the new GM Hydra-Matic Drive* is so widespread that it still greatly exceeds the supply. Make sure your present car carries you conveniently and safely through the waiting period by having it serviced regularly by your Oldsmobile dealer.
