New Health Unit For Halton County To Open in Milton

Health Unit Opening September 1 Has Specially Trained Staff For Whole County

On September 1, Halton County Health Unit begins its work. This union of rural and urban municipalities has as its object the promotion of an efficient community health program on a county-wide basis by full time, specially qualified personnel. Under this plan, local Boards of Health, local Medical Officers of Health, etc., will be replaced by the county-wide organization. The chairman of the county Board of Health is Mrs. M. S. Pettit, reeve of Nelson Township and the other members of the Board are J. W. Higgins, reeve of Milton; K. R. McDonald, Georgetown; R. M. Smith, Oakville and W. T. Dales, Milton. The Secretary-Treasurer is Miss M. Maxted, Treasurer of Halton County.

The Medical Officer of Health is Dr. James M. Mather, who, for the past two years, has been Assistant Medical Officer of Health in the St. Catharines-Lincoln Health Unit. There will be two Sanitary Inspectors, Mr. J. A. Powell, until recently a District Sanitary Inspector for the Saskatchewan Provincial Department of Health will be in charge. A second Sanitary Inspector will be appointed in the near future.

The Health Unit office will be in Milton. The telephone is Milton 330W.

The Unit is fortunate in having obtained a full staff of experienced Public Health Nurses. Miss R. L. Sutcliffe, who for the past two years has been in charge of the County School Health Service, will be Supervisor for a staff of 6 nurses. Miss A. Anderson, a graduate of the Womens' College Hospital, Toronto, and the School of Public Health Nursing, University of Toronto, will have a district including Nassagaweya Twp. and part of rural Esquesing Twp. and the village of Norval. Miss M. Higginson, a graduate of Toronto Western Hospital and the School of Public Health Nursing, University of Toronto, will be assigned to Milton and the upper portions of Trafalgar and Nelson Twp. Miss O. Chant, who has been School Nurse for Milton, Georgetown and Acton for over two years, will be in charge at Acton, Georgetown and Glen Williams. Bronte and the lower portions of Trafalgar and Nelson Twp. will be served by Miss S. Cameron, who is a graduate of St. Martha's School of Nursing, Montreal General Hospital and the University of Toronto School of Public Health Nursing. Miss L. Larsen, who has been Public Health Nurse in Oakville since November 1946 will continue in that position. Miss D. Sanderson, a graduate of Toronto General Hospital and University of Toronto School of Public Health Nursing, will be assigned to Burlington.

The ultimate objective of the Health Unit is to provide the county with a public health service that, up until recent years, has been possible only in large cities. This will include communicable disease control, discovery and follow-up of cases and contacts of tuberculosis, discovery and follow-up of cases and contacts of venereal disease, school health supervision, both in primary and secondary schools, maternal, infant and child hygiene; sanitation, water and food control, health education, mental health, and oral hygiene. To develop such a program will obviously take time. Parts of the county have had an excellent Public Health service. It is the aim of the Unit to make these services available to every person in the county.

Rowdyism on Milton Streets Is Deplorable

Rowdyism, drunkenness and boisterousness prevalent on the Main Street for the past several months, was climaxed last week when two individuals attempted to beat up a resident, crippled citizen, causing severe scratches about the face and eyes.

Mr. Kelman, lunching in an eating house, took exception to words spoken by two men to two young ladies with whom he was sitting. Instead of apologizing to the girls as he requested, they gounced on him, wielding pop bottles. Not until they were separated by police and others did the fracas terminate. No charges were laid.

For what used to be an almost peaceful community, Milton has seen an unusual amount of boisterousness since the several construction gangs have come to town. It is unfortunate that young ladies have to hear remarks passed by these individuals; it is worse when these individuals choose to chastise a person who is unable to defend himself like one blessed with the possessions of a normal man.

MANY YOUNG PHEASANTS HAVE BEEN RELEASED IN HALTON

In co-operation with the Department of Lands and Forests, Halton Sportsman's Association, along with Game Warden Dudley Hitchcox, of Oakville placed 1,120 ten week old pheasant hens and cock birds in temporary shelters throughout Halton County last week. All birds were banded by the Department, and sportsmen who bag birds at the next shoot will know whether the birds were raised under natural surroundings or whether they were birds released this year. The photo, at upper left shows Wilfred Crozier, treasurer of the Halton Sportsman's Association and Game Warden Hitcheox standing beside a temporary pen. It is planned that if a greater percentage of birds reach the adult stage

this year, permanent pens will be constructed. In lower left Wilfred Crozier, Jack Deyell, Millbrook, of the Department of Lands and Forest, Game Warden Hitcheox and Clare Robertson, inspect some of the chicks before release. One of the temporary pens is situated on Mr. Robertson's farm.

Ten-year-old Martin Davenport, R.R. 2, Rockwood, proudly snuggles one of the cock birds before it was placed in a pen on his father's farm. "I'll feed and water them every day," he said, placing the chick tenderly in the pen.

Milton Lost Chance For O.B.A. Title to Oakville Last Night

Milton Intermediates Lost Third Game of Series 3-1 to Oakville Team

Dropping three in a row, Milton Intermediates were put out of the running for County O.B.A. honors when Oakville handed them a 3-1 defeat down at Oakville last evening. It was the best game of the play-off series with hits and runs being a scarcity.

Braun went the route for Milton while Pollock hurled good ball for Oakville. Stan Fay grabbed the only run for the locals in the 7th innings, while Oakville scored in the 2nd, 6th and 8th. The last counter from the port-town boys was a home run banged out by Markey. There was some dispute over the clout as it hit a tree and bounced back into the ball park, and the runner was caught at second. However, officials said it was a homer as ground rules called that if a ball went over the fence it was a four sacker. They also contended that if the tree had not been there it would have been for sure. Some say it hit a limb which hung over the inside of the fence. However, that is a debatable feature of the game.

The batteries were: for Milton, Braun and Brush; for Oakville, Pollock and Patterson; with officials being Mike Timmis and Johnson.

FAMILY HISTORY

The history of their common family is a subject likely to be prominent at family reunions. The older people relate reminiscences of the generation that went before them and tell of things achieved by members of their family, many of whom have done remarkable things. Information may be presented in regard to the original ancestor or ancestors who came to this country and stories of their early days in Canada may be related.

There are interesting stories of the traits and habits and ideas of former members of the family with quaint sayings handed down from the old days. The family reunions hand down these traditions of family life, and so the young people get a clearer idea of the people from whom they are descended.

Sympathy of the community is extended to Mr. and Mrs. J. Lillycrop upon the death of his mother, Mrs. Wm. Lillycrop. Mrs. Lillycrop, who was in her 84th year, was highly respected and had been a life-long resident of this community.

Surviving besides her husband is one son James of Kilbride and one daughter Mrs. O. Pegg, Mountsbury.

The funeral was held Wednesday afternoon, August 27th from her late residence with interment at Waterdown.

Milton Wins Championship In Two Straight Games

Replayed Series with Oakville Reverses Standing as Locals Pile up 32 Runs Against Oakville's 2 Tallies—Juveniles Will Now Go into Ontario Playdowns

Milton Juveniles won the Halton County Championship for the second time in a row when they handed Oakville a severe drubbing down at Oakville, Tuesday evening by a score of 17-1. In taking the two games they amassed a total of 32 runs as against 2 for their opponents.

Cowboy Grenke was sent in to hurl again, and he twirled his second one hit, one run game. This time he went the entire route of nine innings. Weakened pitching and six errors along with too many walks accounted for Oakville's defeat. Milton grabbing off the same number of errors held the Oakville nine in tow except in the third inning when two accounted for Oakville's only run of the game. Philbrook who relieved Acheson in the fifth landed Oakville's only hit, a two sacker deep at left centre.

It was most unusual when Philbrook took over hurling duties. He walked four men, forcing a run when he was yanked from the mound and sent to left field. Luckily Manager Corbett placed Acheson at short as he was again called upon to use his hurling arm. In fact he was more effective after the few minutes rest.

It was a slow game to watch. With so many runs coming in and four of the nine produced high scores, the crowd gasped wondering where it all would stop.

First Inning

Vaughan fanned. Stan Fay walked. Rusk went to first when hit by wild pitch. Stan scored when centre fielder threw wild. Early safe on fielder's choice scoring Rusk. Acheson walked McPhail, loading the sacks. Keith popped to Acheson. Grenke scored on wild pitch. Stover safe when short failed to pick up his grounder. Two runs scored but Stover caught stealing second. 5 runs, 1 hit, 2 errors.

Second Inning

White fanned. Hooper grounded out Grenke to first. Rusk's wild throw to first left Patterson safe on second Cowan fanned. 0 runs, 0 hits, 1 error.

Third Inning

Grenke grounded short to first. Early hit clean through second. Early went to second on a balk ball. McPhail hit through third. Keith Fay

fanned. Stover's single brought in two runs. South grounded out, second to first. 2 runs, 2 hits, 1 error.

Acheson fanned. White walked. Vaughan's error placed Hooper on first. Stover missed Patterson's fly scoring White, placing Patterson on second. Cowan fanned. Hooper grounded out to Stan Fay. 1 run, 0 hits, 2 errors.

Fourth Inning

Vaughan went to first when hit by ball. Stan Fay walked. Rusk safe on bunt but threw wild to first, scoring Vaughan. Grenke's hit through second scored Fay and Rusk. Early hit safe through second. McPhail grounded out second to first. Keith touched out on third strike. Stover's safety scored Grenke. South walked loading the sacks. Acheson walking Vaughan scored Early. Stan grounded to Hooper who threw wild scoring two more. Rusk grounded out to first. 7 runs, 4 hits, 2 errors.

Brown walked. Matusi fanned. Rutledge struck out. Acheson grounded out Grenke to Fay. 0 runs, 0 hits, 0 errors.

Fifth Inning

Philbrook replaced Acheson in this frame. Early popped out to first as Grenke crawled back to first. McPhail walked. Keith walked loading the bases. Philbrook walked Stover forcing Grenke across the plate. South hit scoring McPhail. Vaughan was hit again by wild throw forcing Keith across. Acheson came back in box after three runs had been counted. Stan fled out to left. Rusk popped to pitcher. 3 runs, 1 hit, 0 errors.

Philbrook's long fly turned into a double. Hooper hit into fielder's choice as Philbrook was tagged at third. Cowan fled out to South. 3 runs, 1 hit, 1 error.

Sixth Inning

Grenke fanned. Early popped out to third. Hooper failed to stop McPhail's grounder. Both Keith and Stover walked loading bases. South safe on fielder's choice as Stover was thrown out at second. 0 runs, 0 hits, 1 error.

Keith pulled a shoe-string catch off Hooper's long fly. Early threw out Matusi at first advancing Brown who was previously walked. Brown made 3rd on a wild pitch. Rutledge thrown out at first by Early. 0 runs, 0 hits, 0 errors.

Seventh Inning

Vaughan hit through second. Stan Fay hit into a double play. Rusk grounded out to first. 0 runs, 1 hit, 0 errors.

Acheson was safe when Vaughan, South and Stover let high fly drop between them. Philbrook popped out to Grenke. Acheson was caught going to second. Hooper lined out to Rusk. 0 runs, 0 hits, 1 error.

Eighth Inning

Grenke fled out to centre. Early fled out to Philbrook at left. McPhail fanned. 0 runs, 0 hits, 0 errors.

Marshall replaced Vaughan at second. Patterson fielded out to South. (Continued on Page Five)

Legionnaires Are Eliminated By Caledonia 10-3

Dropping two straight in the second round of Zone championship softball, Milton Legionnaires were eliminated from the running by Caledonia. In the second game played here Monday evening they went down to defeat by a count of 10-3. In the former game the count was 13-5.

While the local club played good ball, they failed to take advantage of breaks in base running. In many instances the visitors grabbed an extra base on uncertain fielding. Many excellent plays were featured by both clubs and hurling kept hits to a minimum. Fedorka smashed the only homer, coming in in the third inning with no person on. Mike Cox hurled the route for Milton while Lawrence and Harris twirled their teams to victory.

1947 PRIZE LISTS HALTON COUNTY FAIR OFFER BIG PRIZES

Prize lists for the ninety-fifth Halton County Fair to be held at Milton on September 26th and 27th will be mailed to exhibitors next week by Secretary E. M. Readhead. It is one of the largest offerings of prizes ever presented and has several new classes and increased money.

The sixty page booklet has an offering that will draw an even greater exhibit than ever to this great annual event. Prizes in the classes for horses range from a top of \$20 for first place, while the best span of roadsters are offered a first prize of \$40 and for this class alone \$100 in prizes is offered. The cattle show will be featured by the Halton County Jersey and Holstein Shows, which have made Halton County Fair favorites. The Halton Boys' Swine Club has an offering that should bring out a big exhibit. The Halton Dairy Club has prize money of \$191.50.

The exhibit for the hall has not been overlooked and special departments include the Girls' Garden Brigade and the Halton Women's Institute exhibit. Not one department has been slighted and indications are that this even will not only maintain its proud record of the past ninety-four years, but exceed all former events.

DEPENDENT ON HOMES

The home is the foundation of the community, and the way people keep their homes has a very important effect on the progress of the town. Attractive homes are one of the most winning features in the appearance which the community presents to the outside world.

A town in which most or all of the homes are nicely kept, with pleasing grounds pretty flowers, shrubs and beautiful trees, presents a nice picture to the outside world. Visitors remark on its beauty, and say the town surely is inhabited by very bright progressive and refined people since it is so well maintained.

Events Just Ahead
