SALES AND SERVICE

Phone Acton 40r6

At her fingertips...

EVERY LONG DISTANCE operator has every telephone literally at her fingertips. Through her switchboard and over a network of lines and cables, she reaches out across the country—or across the world!

Every month we are adding some 10,000 new telephones, catching up with unfilled orders as materials become available. More telephones mean more calls—both local and long distance. To-day our operators are handling more long distance traffic than ever before.

Our aim is continuous improvement—better service. More service plus better service—and always at the lowest possible cost—means greater value to every telephone user.

THE BELL TELEPHONE COMPANY OF CANADA

Westinghouse

Like the Signature on an Old Master.

A beautiful radio and a triumph of fine engineering... this Model 688 proudly bears the signature of Westinghouse master craftsmanship. An acknowledged leader among the larger table radios, and comparable in performance to most console models.
