**ENRICO CARUSO**  
Millions marvelled at the beauty and range of the voice of Caruso, the great operatic tenor. But how many know that Enrico was an excellent cook who delighted in the preparation of delicious meals? For this great singer, the kitchen was the scene of many a culinary triumph, as it has been, also, for kings, prime ministers, princes, presidents, cardinals, great generals, admirals, scientists, great painters, authors, musicians and sculptors.
