## DUBIOUS WAY TO RAISE REVENUE

The motorist, already victimized by an excessive load of taxation, is apparently in for an extra trimming, states a Financial Post editorial. Speed traps and general police persecution are again growing rankly. Particularly poisonous is the suburban municipality which sets out to speed-trap tourists and city commuters. This is not defending excessive speed. It is a complaint against the misuse of authority to impose what amounts to extra taxation by a very dubious method, which is susceptible to many demoralizing abuses.

Properly located and timed traffic lights do a far better job of controlling speed than the speed trap system.

## CORRECTIVE FORCES

Human society has its defects and weaknesses, but there are certain forces that work constantly for improvement and which have a tendency to correct defects when these become too serious. Human sympathy has had a tremendous development, and it is constantly trying to relieve distress and suffering and poverty, and gives people better opportunities in life.

If public opinion goes too far in some direction, the common sense of the people calls for a different idea, and the mistake is likely to be corrected. Thus we can believe that human society is constantly ascending into higher ground, and

## HE WHO LISTENS

Recently a labor relations man stated that as a general rule he had found union leaders reasonable enough in negotiations. The communists were different, he thought. Whenever agreement was reached on a vital issue they ceased to be interested and would turn to other obstructionist tactics. This is score one for Bernard Shaw and his "Maxims for Revolutionists". For there is stated: "The man who listens to reason is lost."—J.L.R.

## THE LAMB-SNYDER WEDDING AT FIRST UNITED IN HAMILTON

In First United Church, Hamilton, on July 24th at four o'clock, a double ring wedding took place when Margaret Jean, daughter of Mr. and Mrs. Thaddeus H. Snyder of Fergus, formerly of Campbellville, was married to Mr. Ivan Erskine Lamb, son of Mr. and Mrs. Robert Lamb of Hamilton. Rev. Robert W. McLaughlin officiated with Henry J. Allen, church organist at the organ. Miss Jean Milroy of Galt sang "I'll Walk Beside You" during the signing of the register.

The church was attractively decorated with pastel gladioli and palms. The bride who was given in marriage by her father wore a gown of white nylon marquisette over taffeta, fashioned with a high neckline and a ruffle around the square yoke. At the back of the bouffant skirt there was a cascade of ruffles beginning at the waist and extending into a circular train. Her long illusion veil fell from a lace covered headdress. She carried a cascade bouquet of white gladioli and sweet peas.

Miss Mary Kitts of Milton was maid of honour, while Miss Marilyn Lamb, niece of the bride, was junior bridesmaid. They were dressed alike, in powder blue nylon marquisette with matching hats and gloves. Their dresses were styled like the bride's. They carried nosegays of pink roses with a ribbon frill around the bouquets matching their dresses.

Little Mary Lou Ferguson, niece of the bride was flower girl. She was dressed in shell-pink nylon sheer with matching bonnet and gloves. Her full-length dress was styled like the others. She carried a tiny nosegay of roses and cornflowers with a ribbon frill to match.

Mr. Ira Lamb, brother of the groom, was groomsmen. The ushers included Mr. Robert Snyder of St. Jacobs and Mr. Willard Baker of Stoney Creek.

After the ceremony, a reception was held at the Scottish Rite Club for fifty guests. Mrs. Snyder received in a pearl grey dress, black accessories and a corsage of violets. The groom's mother was in a grey figured jersey dress, grey accessories and a corsage of pink and mauve sweet peas. For a motor trip to Montreal and Quebec the bride wore a cocoa brown taffeta suit with matching hat, white accessories and a corsage of gardenias.

Mr. and Mrs. Lamb will reside in Stoney Creek where Mr. Lamb is a member of the teaching staff of Saltfleet High School.

## U.S. WHEAT CROP

The United States Department of Agriculture estimate of June 1, places the 1948 wheat crop in that country at 1,192,000,000 bushels. The estimate is only 172,000,000 bushels less than last year's record crop.

## Export Cattle '47 Worth \$15 Million

Exports of live cattle from Canada to all destinations in 1947 totalled 83,233 head, says the Annual Review of the Live Stock Market and Meat Trade, issued by the Marketing Service of the Dominion Department of Agriculture, Ottawa.

Of the total, 29,897 were purebred. Of these 28,248 went to the United States, 310 to the United Kingdom, 797 to China and the remainder were shared by about 20 other countries, mostly in South America and the Caribbean area.

Although beef cattle and calf exports to the United States were restricted throughout the year, cattle for dairy purposes continued to cross the border to the number of 45,800 head. Ontario, Quebec and the Maritimes provided the majority of dairy cattle for export.

Exports of cattle for slaughter to other countries include some 5,300 to Newfoundland and about 860 to St. Pierre, out of a total of some 6,250 head exported.

The value of all cattle exported reached close to \$15 million compared with about \$19 million in 1946.
