

## By-Laws Passed at the Meeting County Council

### Deal with Fencing Woodlots and Restrictions on Fences and Signboards—Other Items at November Session Held On Tuesday

Written exclusively for the Canadian Champion and Acton Free Press

The passing of by-laws and the approval of new ones featured at the regular monthly meeting of Halton County Council held in the County Buildings, Tuesday afternoon.

Following the passing of a by-law subsidizing the fencing of woodlots, Reeve Alex McLaren announced council already received a request from an Acton farmer, who was seeking assistance in fencing his wood lot.

Mr. McLaren sponsor of the by-law explained farmers were requested to purchase the fencing themselves and then apply to council for the subsidy. Council approved of paying the cost of an eight strand wire fencing with one barb, but not the cost of labor for erection. The by-law states the wood lot must contain at least 400 trees per acre or 200 trees over five inches in diameter and the size of the lot should not be less than two acres. Livestock are to be kept out for a period of ten years. Farmers failing to meet with the necessary requirements would be penalized.

A second by-law dealing with certain restrictions on the erection of signs, boards, gasoline pumps and fences along County roads was given the third reading. Two readings were given at a previous meeting and then it was forwarded to the Ontario Government for its approval. Council was informed it was approved with only a minor change.

Council also instructed the clerk to prepare a by-law governing the erection of buildings along County roads. Reeve W. H. Biggar informed the Road committee was concerned with this matter stating, in many small centres some buildings were constructed close to the road way, which ultimately may be paved and serviced with sidewalks. He thought in future planning, buildings should be sufficiently far back as to give good road allowance as well as a sidewalk service. Discussing a similar by-law from Waterloo County, it was suggested permits be obtained for building should it be erected between 68 and 200 feet from the centre of the roadway.

On motion of William Vansickle and Alex McLaren, the clerk, was asked to prepare another by-law prohibiting the carrying and use of high-powered rifles within the county.

The matter was brought to the attention of Council by communication from the Halton Sportsmen's Association on recommendations of the Game Warden. It suggested prohibition of the carrying of any rifles (over 22 calibre) in automobiles within the county except while travelling to or returning from hunting in a territory where such rifles are permitted.

Reeve William Vansickle in endorsing the by-law said that every Sunday there are trespassers going through the county with high powered rifles. "There is no doubt they are seeking deer," he stated.

Council filed a communication from the Village of Acton stating it was meeting with the Municipal Board in connection with annexing certain lands from Esquesing township.

Accounts authorized to be paid included, Finance, \$2911.87; Printing, \$30.03; County Buildings, \$170.96; Agriculture and Reforestation, \$206.98; County Roads, \$7742.39; Hospital accounts, \$1001.60.

Reeve McLaren, chairman of the Reforestation committee announced to council the expenditure of his department would only be about ten dollars above the estimate for the year.

Council adjourned to meet on December 14, with Warden George Cleave informing the members the Warden's dinner would be held in Georgetown this year.

### PICTURES DELAYED PLANNED FOR THIS WEEK'S ISSUE

We regret that photographs of the Knox Ladies Aid Anniversary and the Remembrance Day Service in Milton arranged to be published this week were delayed in delivery and not available at press time. The pictures will appear in next week's issue.

### SCOTCH BLOCK W.I. HEARS ADDRESS BY DISTRICT PRESIDENT

The November meeting of the Scotch Block W.I. met at the home of Mrs. S. Love on November 11. In the absence of our president, Mrs. Murray, first vice-president, presided.

It was decided to send 3 boxes of food to Mrs. Tucker in England to distribute among the members of her Institute. We decided to send \$50.00 to the Red Feather Campaign. Mrs. D. Lawson read a copy of the report from the meeting concerning reforestation. The roll call, my worst fault, was answered by all members present.

We were favored by a lovely piano selection by Mrs. N. Lawson. Mrs. Murray read a few verses entitled "Rural Telephone". Some community singing was enjoyed. The district president, Mrs. Rinehart brought some good points to our Institute. In getting up papers to read at our meetings, prepare them yourselves, not copy it all out of papers. She read a paper, "Does your face show your personality," then ended with "Recipe for Happiness." Mrs. C. Service thanked Mrs. Rinehart for her splendid talk. Mrs. Murray conducted a contest. Mrs. C. Hardy being the winner. The National Anthem brought our meeting to a close after which lunch was served.

### DRUMQUIN W.I. VOTES MONEY FOR CARE FRENCH CHILD

The Drumquin W.I. met at the home of Mrs. F. Cavanagh for the November meeting with a good attendance. The Roll Call, a pickle recipe, and sample for sale, was well responded to, and the pickles were auctioned off at good prices. Instead of the usual draw of names for gifts among the members for Christmas \$9.00 was collected to be used for a worthy cause. \$25.00 was voted toward the half yearly upkeep of a French child in connection with the Save the Child fund. Notice was given of the rally in Nelson.

Mrs. Farmery social welfare convener, gave an interesting paper on our duty to our neighbors. To have what is called a good neighborhood is the duty of all who live in that vicinity, to put themselves out sometimes when the need arises. Then, there is the smile that does wonders and the natural friendliness that puts all at ease. The meeting closed with prayer, after which a dainty lunch was served and a social half hour enjoyed.

### Halton Clubs Win In Competitions For the District

Halton Junior Farmers again won out in both contests at the District Public Speaking and Amateur competitions held at Waterdown High School on Monday evening.

Competing with Wentworth County, Miss Joan Somerville of Acton Junior Farmers won the Public Speaking award and will represent Halton in the Zone competitions to be held in Barton United Church in the near future. This is the second win for Joan who last week won the Halton honors.

Milton Junior Farmers were the winners in the amateur entertainment contest. Halton may well be proud of the fine showing of its clubs in these events.

### EGGBURGERS POPULAR

A novel method of selling peewee eggs came to light recently in Trenton, Ont. A service club was holding a carnival, and hamburger steak for hamburgers could not be obtained. The local egg grading station operator advanced the idea that peewee sized eggs fried and placed in a round bun would be a good substitute and suggested that the sandwich be called an "Eggburger". Fifteen dozen peewees were ordered. They went over like wild fire. By the end of the evening 69 dozen were sold. More could have been sold had they been available.

More than half a million Canadian men and women who served in the armed forces and merchant marine in World War II will receive the Canadian Volunteer Service Medal.

### Knox Church Ladies' Aid Marks 60th Anniversary

A brief interesting history of the founding of the Ladies Aid of Knox Presbyterian Church, Milton, and its activities through the years was given by Mrs. E. E. Yates, second Vice-President, of the many who gathered in the Church on Friday afternoon to be the guests of the Ladies Aid on its Sixtieth Anniversary.

Rev. E. J. Phinn, minister, Rev. J. N. McFaul, former minister, and Mrs. McFaul extended greetings. A solo by Mrs. Lockie, a duet by Mrs. C. Cannon and Mrs. D. Smillie and a reading by Mrs. A. Peddie added much to the enjoyment of the afternoon.

An impressive part was the minute's silence in memory of former ladies followed by the playing of "Peace, Perfect Peace" by Mrs. Robert Anderson, the organist.

The president, Mrs. J. E. Crowe, cordially welcomed all present and later received with Miss Phinn, as the guests retired to the Sunday School room for a special hour. The Tea Table presided over by Mrs. W. I. Dick and Mrs. W. E. Robertson was attractive with its candelabra and the anniversary cake. A bevy of ladies served including Mrs. F. E. Foerter, treasurer, and Mrs. A. E. Wilson, secretary, under the convener'ship of Mrs. G. C. Hill, 1st Vice-President, Mrs. John Bell and Mrs. C. G. Riddell. The soft music was played by Mesdames R. Anderson, A. R. Elliott and G. Newell.

### GRANDMOTHERS' DAY FEATURED AT THE BUSY BEES W.I.

The November meeting of the Busy Bees W.I. was held at the home of Mrs. W. Tuck with a good attendance. Roll call was answered by "Your most embarrassing moment of which it seems one's children are usually the cause." Minutes of last meeting were read and correspondence by Sec.-Treas. Mrs. Stan Robinson. More plans for the afternoon tea and bazaar were made. Ticket convener Mrs. J. J. Kennedy; tea table committee Mrs. Cox; Mrs. Howard, Mrs. Allen, Mrs. Service.

It being grandmother's Day, a small program had been prepared. Mrs. Wm. Service, Mrs. W. E. Britton, Mrs. W. Kennedy and Mrs. G. Smillie gave humorous readings. A prize was given by the President to the oldest grandmother, Mrs. Wm. Dredge, the youngest grandmother, Mrs. J. J. Kennedy, and the one having the most grandchildren was won by Mrs. W. E. Britton. The meeting closed with "My own dear land" and the Mizpah benediction.

Mrs. Tuck served a lovely lunch. Mrs. McLean moved a vote of thanks to her for hospitality and use of her home.

### Three Year Old Kilbride Child Strangled in Car

#### Distressing Accident on Tuesday When Child Caught In Car

An unfortunate and sad accident occurred at the home of Mr. and Mrs. John Frederick Hardsand of Kilbride Tuesday afternoon, when their youngest child, Kenneth, three years old, became wedged in a car and died before assistance was available.

Unable to hear the screams of the child through a hearing ailment, the boy's mother first noticed the family dog acting strangely around the car. When she went out to investigate she found the child with his head wedged between the door post and back of the front seat.

Nearby neighbors heard the woman's call for help and ran to her aid. Robert Coverdale, carried the young boy nearly a quarter of a mile to the office of Dr. H. R. MacDonald where it was found the boy had died by strangulation. The mother told investigating officers Constables Ray Mason and Al Lemon, her son had gone outside to play with the dog after the noon dinner. She was not attracted to the dog's behaviour until nearly two o'clock she said.

Dr. George E. Syer, coroner, was called and the body was removed to Hamilton for examination by Dr. W. J. Deadman. It has not been decided if an inquest will be laid.

Canada is the largest country in the Americas.

### Remembrance Service in Milton Last Thursday

#### Address Given by Rev. E. J. Phinn at the Cenotaph Here

A large number of veterans marched to the cenotaph last Thursday in an impressive service held in honor of the fallen heroes in the last two Great Wars.

While the citizens of Milton and district did not turn out in as great a numbers as other years, the service was held under sunny skies. Promptly on arrival of legionnaires veterans of three wars, the service was begun with the singing of "O God, Our Help in Ages Past." Rev. J. L. Bair chose as the Scripture reading, Revelations Chapter 21. Rev. C. G. Eakins followed with prayer.

"There is no greater love, than the man who laid down his life for his friends," recalled Rev. E. J. Phinn in his address to the gathering. In solemn remembrance, Mr. Phinn praised the high call of duty when they laid down their lives for those most dear at home. In closing he said, "Our Prayer is, that we may never forget the sacrifice they made for the world."

Following the sounding of the last post by Comrade Joe Waters, Comrade Leeming Servos lowered the Union Jack to half mast. Following the sounding of Reveille the wreath bearing party laid wreaths on the Cenotaph.

The service closed with the singing of "Abide with me" and God Save the King.

The salute was taken by Sgt.-Major Harold Earl in front of the Princess Theatre as the parade proceeded to Legion Hall.

### MISS SYBIL BENNET GUEST SPEAKER OF HORNBY W.I.

The November meeting of Hornby W.I. was held at the home of Mrs. H. Bradley with a large attendance. Mrs. Chisholm presided. The ladies were urged to attend the Institute rally at Nelson Hall November 24, when Mrs. Hayes will speak on "Aids to effective speaking for Women's Institute meetings". We also discussed the need of a rest room in Milton and decided to contact other Institutes in the vicinity. The roll call was "My Motto for World Peace."

Mrs. Wilmore Thompson, convener of peace education had charge of the meeting. She called Miss Bennett who gave a very instructive talk on this subject. Miss Bennett told something of her trip through Western Canada last summer and contrasted the attitude of the women of Western Canada toward world affairs with that of the Eastern Canada women. She urged us to give leadership and be willing to accept responsibilities.

Mrs. Thompson gave an appropriate reading. After the national anthem and the sale from the travelling basket, lunch was served by the hostess and committee.

### KNOX CHURCH Y.W.A. WELL REPRESENTED AT KITCHENER RALLY

The Y.W.A. of Knox Church had a good attendance at the Young Women's Rally of Guelph Presbyterian in St. Andrew's Church, Kitchener, on Wednesday night to hear the Rev. and Mrs. Chiu of China. Among those were Mrs. Jas. Ingles, Mrs. R. O'Hara, Mrs. H. Dodds, Mrs. S. Matthews, Mrs. H. Dolmar, Mrs. E. Hansen, Mrs. H. Mainprize, Miss Helen Mainprize, Mrs. A. McIsaac, Mrs. Halliday, Mrs. K. McKenzie, Mrs. S. Sinclair, Miss F. Elliott, Mrs. Geo. Musselle and Mrs. F. Anderson.

### SILVER WEDDING ANNIVERSARY OF MR. AND MRS. E. MAY

Mrs. Robert Crozier and Miss Eva Crozier entertained last Friday at the former's home in honor of Mr. and Mrs. Edgar May's wedding anniversary.

During the evening Ruth Service and Robert Crozier, Jr., dressed as bride and groom made the presentation of twenty-five pink carnations and a silver water pitcher, along with other pieces of silver and the good wishes of everyone. Following this Margaret Crozier sang "My Happiness" and "A Tree in the Meadow". A wedding luncheon was served completing a happy event.

#### TAKES TWO

It takes two to make an accident, just as it takes two to make a quarrel. Number one is yourself as driver or pedestrian. Number two is sometimes a fixed object, or bad judgment, but 80% of the time, number two is another person—another driver or pedestrian. Human beings make mistakes. Don't count on every driver doing the right thing. The Highways Department urges you to use courtesy and common sense regardless of who has the right of way.

Vancouver shipping is benefited by orders requiring 50 shiploads of wheat this winter for India and South Africa.

In 1926 the rate of natural increase in Canada was 13.3 per 1000 population. It decreased in the '30's but in 1946 it stood at 17.3.

### New Class Room At Acton School Ready This Week

Accounts amounting to \$19,288.19 were passed for payment at the monthly meeting of North Halton High School District Board on Monday evening. Of this amount \$12,158 was for capital outlay on new buildings and equipment.

Mrs. P. Dearing was engaged as an additional teacher for the Milton school and will commence her duties when the new rooms are ready for use which will not likely be before the end of the present term.

A list of supplies and equipment were approved for use in the Acton School and a telephone was to be installed in the hallway of the new addition. The present arrangement of only one phone at the Public School was not satisfactory.

The Board inspected the new Commercial room at Acton which will be ready for occupancy about the end of this week. It is a fine new modern room and the library is now a small but very comfortable class room for emergency use. The typewriters are at present at the school and new desks and seats and other equipment is expected this week. It is anticipated that the Commercial Classes will get started next week.

### Latest Times for Copy for Each Week in Effect

Just as a reminder and in order that there will be no disappointments we will repeat from time to time the present deadline for acceptance of copy for each week's issue of the Champion.

Monday at 4 p.m. each week is the latest hour we can accept mats for casting in advertising or news items. Tuesday at 4 p.m. is the deadline for all display advertising. If you can let us have your copy earlier your service will be better and it will be most helpful.

Late news copy and classified will be accepted until Wednesday. We reserve the privilege, however, of choosing between late news copy for setting and copy that could have reached us earlier in the week. Correspondents are asked to send in copy on Monday and make a second mailing later if necessary.

The uncertainty of Hydro and reduced hours of production make it imperative that we adhere to these hours rigidly. Please do not ask the staff to deviate from them and the earlier the copy, both news and advertising, the more helpful it will be in maintaining regular hours of publication of your local newspaper.

### OPEN YOUR MOUTH

A cheery change from old times of a decade ago is the way it's hard to get an appointment at the dentist's. Even dentists can't get appointment with dentists and are being forced sometimes to do their own teeth. This used to be a not uncommon practice in the past century, especially in rural parts. Dentists were mistrustful of each other then, before the days of college degrees and enlightened practices. They suspected a fellow dentist might do them in. So they set up an extra mirror and went to work on themselves. Usually the fillings came out after awhile, for it was hard to drill deep enough. There was a tendency to ease up and make do.

The modern dentist, for all his posh fixing and efficiency, is getting right back to where his forebear suffered. He has an aircooled drill that takes away half the pain, but the remaining half is his own personal pain. A dentist doing his own teeth must be a sight to see. There is an objective justice about it. But probably they spare themselves by not drilling deep enough into themselves. — The Printed Word.

### Details in Work on Sewers Dealt With by Council

#### THE STOKES-GRANT WEDDING IN ST. GEORGE'S CHURCH

A pretty wedding was solemnized on Saturday, October 23rd, in St. George's Anglican Church when Joy Viola, eldest daughter of Mr. and Mrs. Arthur Grant, Hamilton, Ont., became the bride of Joseph Edgar, eldest son of Mr. and Mrs. James Stokes, Campbellville, Ont.

The bride, given in marriage by her father, wore a street-length dress of Royal Blue with grey accessories and a corsage of white roses and carried a white prayer book.

The bride's only attendant was Mrs. Harold Dennis, Milton, sister of the groom, who wore a two-piece dress of green with brown accessories and a corsage of pink roses. John Stokes, brother of the groom, was best man.

A reception for 50 guests followed in the Orange Hall, Campbellville.

The bride's mother received in a grey suit with green accessories and wore a corsage of pink roses and the groom's mother in navy with navy accessories and wore a corsage of pink roses.

The happy couple left on a short honeymoon and when they return will live near Campbellville.

At the last census, 1941, half of Canada's population was of British Isles origin and 30 per cent of French.

A motion was passed authorizing a payment of \$9,600.59 for the North Halton High School District out of the special school account.

Mr. Laundon was present to discuss with Council the water rates at his home and at the Farmer's Building. The new rates for the houses were explained. Council decided to bill the tenants of the Farmer's Building separately.

A letter was read from Solicitor Elliott re an account for sewage right of way for certain parts of the town.

A letter was read from the Owen Sound Council, enclosing a resolution to the Ontario Government about the hydro shortage and requesting a special session of the legislature for an explanation of what is being done to help the situation. This resolution was ordered filed.

Council refunded the Holy Rosary Church the usual refund on the rental of the town hall.

Council decided to purchase a part of a lot from Mrs. Beatty for a right of way for sewage installation.

Council decided to sell some bonds on land to pay for the extra costs of the waterworks installations this year rather than carry an overdraught at the bank.

As a place is not available in the east ward for polling at the elections a by-law was passed authorizing the appointment of the Town Hall as the place for the polling to take place.

Councillor MacNab brought up the matter of a pension and hospital scheme for the town employees.

Council reported that the sewers were to be installed in the houses where it is most convenient for the householders. These instructions have been issued to the contractors.

Mr. Wm. Raspberry was present at the request of the Council. Council wanted permission to run the sewers through the tennis court property. This permission was granted and Council agreed to miss the courts if possible and to put the courts in condition next season.

Arrangements were made to purchase a site for a pumping station on King Street.

Council decided to file the number of voters with County Council. There are over 1200 voters on the Voters List. This will entitle the town to have a deputy reeve.

Council discussed the covering of earth on the sidewalk by the rink. This sidewalk was to be cleaned off.

#### WOOL STATISTICS

The International Wool Secretariat has re-elected Douglas T. Boyd, Australia, as Chairman of the Executive Committee and has accepted the resignation of Dr. Edgar H. Booth as Secretariat chairman. It has also decided to create a Department of Statistics and Economics in order to co-ordinate all phases of information relating to wool. Grants, in addition to the \$600,000 allocated during 1947, are to be made for scientific wool research in South America, China and the Middle East.

The regular meeting of the Milton Hydro Commission passed a resolution requesting the householders to conserve all unnecessary use of electricity so all possible power can be allotted to industry so that the workers may have a full pay envelope. The Milton allotment is at present, 14,500 k.w. hrs. daily and may be further cut if the daily consumption is not brought down to the daily quota.

A motion was passed authorizing a payment of \$9,600.59 for the North Halton High School District out of the special school account.
