The latter, operating 13 heavy and medium engineering industries in Germany, currently does a \$15 millions to \$20 millions a year gross business, manufactures everything from complete installations for steel rolling mills to road construction equipment.

LOWVILLE
Fieldman, U.N. Rep. At Forum's Dinner
 Fifty members of Limestone farm forum enjoyed a delicious chicken dinner at Nelson Hall on Monday evening with A. W. Dolbel, president, in charge. Mr. Dolbel welcomed everyone and especially these guests, Mr. and Mrs. Clifford Waite of Toronto, Mr. and Mrs. Will McFadden, Mr. and Mrs. J. McGillivray of Milton Co-op and Mr. Symonds, a representative of an agency of UNESCO, who is making an intensive study of two or three Canadian farm forums, which he terms one of the most successful farm movements.
 Mrs. Roy Coulter introduced Mr. Clifford Waite, the speaker of the evening. He spoke on education for older folk. His thoughts were instructive and meaningful; he stated that folk schools can make many profitable and pleasant hours for adults up to 80 years, so there are great possibilities and scope. Mr. Waite is fieldman for folk schools, giving an entertaining reading as well as leading the group in folk dances and games. Mrs. Roy Ellenton fittingly thanked him.
 Progressive euchre was played for a short time before the party ended.
 Mrs. W. R. Lake, Mrs. A. W. Coulter, Mrs. Leonard Coulson, Mrs. E. C. Foster, Mrs. S. T. Coulson, Mrs. B. Gunby, Mrs. Velma Norris and Mrs. E. M. Readhead attended the 23rd Annual Presbyterial meeting at Acton United Church on March 26.
 Mr. and Mrs. W. J. Robertson returned on Saturday night from a delightful five-week holiday in Florida.
 The sympathy of this community goes out to Mr. and Mrs. George Coulson and family. Mrs. Coulson's mother, Mrs. William H. Milroy of Galt died on Friday night. Quite a number from here attended the funeral at Galt on Monday afternoon.
