**Campbellville Ints. Down Port Credit**

Campbellville broke their two game losing streak on Tuesday night as they defeated Port Credit 7-2 in Port Credit. Port Credit started their southpaw, Ken Davis but he failed to retire a single man and had to be relieved by Friel with none out in the first as Campbellville scored three runs as a result of a triple by K. Moore, a single by Jack Laing, successful doubles by Henderson, Joe Roberts and Cliff Bill's long fly. Port Credit came back with a run in their half of the inning on two singles and an outfield fly.

Campbellville added one more in the third and three in the fourth when Jack Laking homered and Stan Henderson, Joe Roberts and Cliff Bill singled. Port Credit scored their second run in the fifth when Henderson let Pierce's easy roller go through and the latter scored when Holland singled and Arachi sent a long fly to centre field.

Jack Roberts pitching for the winners, gave up five hits and struck out seven. The Campbellville attack was led by Jack Laking with a homer and a single, Joe Roberts and Henderson with a double and single each, Ken Moore with a triple, and Jack Roberts, Cliff Bill and Brian Moore contributing singles.

**Pattern Sketching Tea Demonstration**

The afternoon tea held by the Women's Association in Omagh Presbyterian Church on Wednesday was a most successful event. Receiving the many guests in the church entrance were Mrs. Will McFadden and Mrs. Cecil Patterson. Large baskets of white peonies on the communion table and stands made a pretty floral setting. Mrs. Patterson, president, on behalf of the W.A., welcomed the ladies and presided for the program. The meeting opened by singing a hymn and repeating the Lord's Prayer in unison after which Mrs. McFadden gave the scripture reading and theme.

Miss Carol McMaster of Milton, who is a gifted young vocalist, favored with solos accompanied by Mrs. C. Peacock.

The guest speaker, Mrs. E. Hoey of Bronte, then delivered a talk and demonstration on a new craft she and her husband have developed. Mrs. Hoey is an artist and has used her talent to sketch patterns for draperies, cushions and table mats. One very lovely material had been stamped with the trillium flower, another with historical places of interest in Canada. Another had pictures of a big cabin and things of the last century. These materials are all custom made in whatever color and pattern the customer desires.

Mrs. Snow in a few well chosen words thanked Miss McMaster and Mrs. Hoey and her assistant, Miss Takato, for their contribution to the program and also thanked all who had come to help make the tea such a success. The meeting closed with a hymn and benediction, after which all adjourned to the S. S. rooms where a dainty luncheon was served.

Guests were present from Eden, Bronte, Streetsville, Cooksville, Bethel, Boston, Oakville, Palermo, Sixteen, Nelson and Milton, Anglican, Presbyterian and United churches.

Mr. Russell Hamilton and son William of North Bay attended the Hamilton reunion last week and spent the week-end visiting with friends in the district.

Leslie James Peacock celebrated his fifth birthday on June 13.

A large number from Omagh attended the anniversary services in Boston Church last Sabbath when Rev. J. Y. Fraser was the minister.

Miss Shirley Prince of Toronto is visiting this week with Mrs. Snow and Earl.

Birthday greetings to Betty May, who had her 14th birthday on Tuesday and to Joy Robertson, who will be nine on Thursday, June 26.

On Sunday evening, a most unfortunate accident occurred near Ashgrove in which two Omagh young men were involved. Lorne Laing, Hugh Leriche and a friend, Clifford Steeves, were seriously injured and are patients in Guelph Hospital, when their car went out of control and left the road. All their friends join in extending best wishes for an early recovery.

Congratulations to pupils of grade 7 at S. S. No. 7 and their teacher, Miss Rae, on having successfully passed the required examinations for admittance to high school. They are Betty May, Ross Sinclair and John O'Connor.

**Strand 14 On Base, Lose To Oakville**

Campbellville dropped into second place in the league standing on Saturday night as they suffered a 2-0 defeat at the hands of the Oakville Oaks. The home team had plenty of opportunities to win but failure to hit in the pinches and poor base running spelled their downfall as they left 14 men stranded on the paths as Mark Pollock, the Oakville hurler, tightened up in the pinches and picked three off first base at crucial times in the game.

Jack Roberts, Campbellville's left handed pitcher, in being charged with his first loss of the season, pitched well enough to win most games as he allowed but five hits, struck-out eight and hit one batter while yielding but one earned run. Pollock gave up six hits, walked six and struck out six.

Oakville scored first in the second inning when Wallens singled to centre, advanced to second when a pickoff throw got by Henderson on first, and scored when Tom Dowling erred on Carter's hit.

The visitors got their second run when Withnell hammered one out in the ninth, Stan Henderson and Jack Roberts each got two hits for Campbellville while Joe Roberts and W. Cairns picked up one apiece.

**PACKAGED BUILDING DEALS**

A change seems to be on the horizon: growth of the "department store" style of construction firm, notes Hartley Potter in The Financial Post. It offers architectural designing, engineering and actual construction work all under one letterhead. And all in one contract, when desired.

Reason for its likely bright future is invasion by package-dealing U.S. firms, and growth of heavy construction activity here.

Some package deals are given by Canadian firms now, others are indulged in covertly, but changed conditions offer new scope for their use, it appears.

In Canada the price of a telephone pole averages \$6.77.
