OVERRIDE THISTLES IN 13-2 WIN; LOSE 11-3 TO KINGS ON SATURDAY

Two games in as many nights for the rapidly improving Co-ops, with first the league's doormats, and then the league leaders, resulted in two totally different performances from the Miltons.

Friday night here, showing the result of intensive coaching from Russ Bowman, the Co-ops rode roughshod over the hapless Fergus Thistles, downing them 13-2 in a game which they dominated all the way.

The following night—Saturday—however, the league leading Elmira Polar Bears pulled out all the stops in the last 10 minutes and turned what was previously a tight 4-3 game into a rout with seven quick goals for an 11-3 victory. The Co-ops had kept tab with the Kings for the better part of the game but they faded in those final minutes and Elmira capitalized.

Whether it was the result of playing two games in as many nights or being worn down by the fleet Kings is anybody's guess. Best excuse Milton could offer was that the team was missing an entire line.

Elmira has yet to taste defeat this season, posting a 20-game skein of wins. Butch Martin was again their top hand, setting up what goals he didn't score and alternating between defense and the forward line.

Grenke, Cruickshanks and Townsley sniped the Co-op counters and played well on attack. Freddy Lever also turned in a good performance as did his counterpart in the Elmira nets.

Friday's game here saw the Thistles, who have managed to win only one game this far, appear shorthanded. They had only nine

men in uniform while the Co-ops had three lines on top. Milton led 6-1 at the end of the first period, 7-1 at the end of the second and added six more in the final chapter. Dave Irons was top marksman with four goals and two assists, followed by Townsley with three goals and an assist, Melanson with three, and Raine, Fox and Cruickshanks with singletons.

Boiter was the best man Fergus had to offer and Neath shone in goal but his efforts were futile against the withering Milton onslaught. The Thistles showed little more than they did at the start of the season; no team play, no outstanding players and well below the calibre of the other teams in the league.

Plan Schedule For Lawn Bowling Club

Tuesday, January 6 was a momentous day in the annals of District No. 9 of the Provincial Lawn Bowling Association of Ontario.

The Streetsville club was host to 25 gentlemen, representing 10 of the 13 lawn bowling clubs in the district at a special meeting, called by the District Chairman, to discuss the possibility of scheduling Inter-Club games during the coming 1953 season.

The plan which evolved calls for each of the 13 clubs, in turn, to act as host on one Tuesday night during the summer to a men's triples entry from each of the other 12 clubs. Thus representatives from every club will visit every other club in the district once during the season. At the same time every club will be afforded contact each week with representatives of all the other clubs. A schedule will be drawn up in time for distribution at the annual spring meeting of the district which will be called at the end of February.

It was the general feeling that, where possible, a beginner or a junior be included in each entry and that the personnel of the entries should be varied each week to afford as many members as possible the pleasure of "visiting."

With the experience which will be gleaned from this year's schedule, it may be possible to organize a District League for the following year. Alex Halliwell promises that if a league can be formed, he will present his well-known trophy to the winning club in the year 1954.

At the meeting, 10 District No. 9 clubs were represented by the following gentlemen: Canadian Kodak by S. A. Yorke and W. Preston; Central Park by Geo. O. Arnott, J. Moulds and H. C. Workman; Georgetown by H. Hutchinson, E. A. Thompson and J. Williams; Lakeshore-Mimico by G. Green and Alex Halliwell; Milton by J. W. Higgins; New Toronto by R. Precious and R. C. Stewart; Oakville by G. Finnegan and L. McArthur (vice-chairman of district 9); Port Credit by R. A. Campbell, E. T. Cooper, H. Harris and P. F. Martin and Streetsville by Tracy Loveless, P. S. Sutton and O. L. Turney. C. R. Burne (district chairman) and G. H. Riddolls (district secretary), both of Milton, were also present.

At the close of business, the Streetsville club, who are noted for the excellence of their hospitality, provided most welcome refreshments for those who had braved a cold, snowy night, to help make 1953 a better year for their clubs and, therefore, for District No. 9 and lawn bowling in general.

TOUGH DECISION

A shipwrecked sailor spent five years on a deserted island. One day he was overjoyed to see a ship drop anchor in the bay. A small boat came ashore and an officer handed the sailor a bunch of newspapers. "The captain suggests," he told the sailor, "that you read what's going on in the world and let us know if you want to be rescued."

ANXIOUS

A young lady was filing a telegram which contained the single word "Yes." The clerk informed her that she might send a ten word message at the same rate.

The young lady pondered the problem for a moment, then replied, "I think it's all right. If I said 'Yes' ten times, it might look as if I were too anxious."
