

Klippers Clipped By Co-ops Friday

The Milton Co-ops edged out the Oakville Kelton Klippers 2-1 in an action packed game at the Oakville arena on Friday night. It was the first game of a home and home exhibition series.

The Co-ops held their own in the rugged playing and outlasted their opponents in the all-important goal getting end of things. Hank Galbraith scored the first goal of the game and Junior Beaumont tied it up with a nice goal in the second period.

Midway through the third period, Billy Vaughan came up with the winning goal after which the Co-ops fought off determined bids by the Klippers.

Co-op's goalie, Terry Sye, turned in an outstanding goal tending job to limit the Kelton Klippers to one goal. Co-ops iced three strong lines and acting coach Henry Sloski shifted his lines a bit to give his team more strength. Zip Thompson and Joe McCann played heads-up hockey for the Co-ops, with Thompson leading several dangerous rushes.

Doug Vaughan will make his first appearance at home Thursday night when the Kitchener Greenshirts play the Co-ops in an exhibition game.

Vaughan is starting his second year as a Greenshirt and is playing effective hockey for the Shirts. This game is expected to draw a large crowd.

BEST DEBATERS, PUBLIC SPEAKER CHOSEN AT JUNIORS' COMPETITION

Halton Junior Farmers staged a successful debating and public speaking competition in Milton high school on Friday evening, November 6—"Resolved that the interests of agriculture can be best served by a county fair rather than by a number of local fairs in the county" was the topic of the first debate. The affirmative side was upheld by Robert Cox and Douglas Anderson, of the Brookville club, and the negative by the Norval representatives, Norman Bird and Barbara Cunningham.

Topic of the second debate was "Resolved that competition has done more for the prosperity of the farmer than has co-operation." Diane Abbott and Jean Patterson of the Palermo club upheld the affirmative while the negative side was supported by Bill Kelly and Jim Ingram of the Milton club.

The affirmative asserted that the whole economic system is based on the law of supply and demand, and if prices are held too high, sales drop off; competition and prosperity are in direct proportion. New developments are brought about by competition; machinery companies compete for the farmers' trade and the farmers, finding the cost of labor too high, turn to machinery. Competitive events such as fairs and ploughing matches create a better understanding of problems among the farmers.

The negative declared that if the first man to come to America had not co-operated with one another to fight the Indians and endure the hardships of pioneer living, we would not be here today. Competition strives to promote individualism which has proved the downfall of nations. If farmers co-operate together to solve their problems mutually, it creates a general feeling of brotherhood among the farmers themselves and also among nations they said.

At the conclusion of the debates the judges announced their decision in favor of the Norval and Palermo teams.

Jean Patterson and Barbara Cunningham were chosen as the best debaters and will represent Halton Juniors in the Provincial Debating Series.

Public speaking was another interesting feature of the program, with two speakers competing.

Mary Pope of Palermo picked the topic of "Our Great Northland." She took the audience on an imaginary trip from Alaska on the west across the North-West Territories to Churchill on the east, an area covering 1,300,000 square miles. The chief source of income in the north country lies in its vast amounts of valuable furs, but, in recent years, minerals such as cobalt blue and pitchblende, from which radium is extracted, have been discovered.

The second speaker was Dorothy Ingram, of the Milton club, who chose "Babies" as her topic. "We have not all been famous statesmen or generals," she said, "but we all, at one time or another, have been babies. This fact alone puts us on an equal ground. Babies are important, for therein lie the citizens of the future."

Mary Pope was chosen by the judges to represent Halton Juniors in the Provincial Public Speaking Competition to be held at the Junior Farmer Conference in Toronto on January 5, 1954.

A piano solo and a humorous skit presented by the Acton club, concluded the program.

Judges were K. Dick, George Elliott and Edwin Harrop. Mr. Elliott conveyed the congratulatory of the judges to all the participants.

Chairman of the program was Harold Tyrrell, president of the Halton Junior Farmers.

Ten Feet in Year New Tree's Growth

Trees that grow ten feet in one year have been produced by the Research Division of the Department of Lands and Forests at its Southern Research Station at Maple, near Toronto. The trees, crosses of aspen with silver poplar, are expected to be available some day for reforestation purposes in this province.

The Reforestation Division has long been trying to develop an aspen-poplar hybrid of good form and wood color, rapid growth and disease - resistance, suitable for planting in Southern Ontario where the climate is unsuited to aspen.

The almost extinct Whooping Crane spends its summers in the Northwest Territories and its winters in Texas.

Gives me some kind of content to remember how painful it is sometimes to keep money, as well as to get it.

TRANSITION: A little more than 50 years ago, the Canadian Pacific Railway introduced to Canadians their first internal combustion self-propelled rail car (inset). This month the C.P.R. is placing in service four of the very latest in self-propelled cars—the Budd RDC's. Pattered along "Toonerville Trolley" lines, the old gasoline-powered, single truck rail car was 13 feet long and carried 14 passengers. Today's 90-foot Budd car carries 89 persons and is air-conditioned, but in a primitive sort of way—she had open sides. Unimpressive as the old car was, she can still lay claim to being the forerunner of the modern, stainless steel, streamlined rail diesel cars which today are providing service between Montreal and Mont Laurier, Toronto and Detroit and North Bay and Angliers. The original rail car, built in 1902, operated from Montreal's old Place Viger Station to Ste. Therese.

POUNDRING THE SPORTS BEAT with A. Vengeance

OAKVILLE'S Kelton Klippers got revenge for the beating they absorbed in their first meeting with the Co-ops by hanging a 4-1 defeat on the local hockeyists here on Tuesday night. The Co-ops scored the first goal of the contest but it turned out to be the only one they could put past an improved Klipper defense. Towie Richard evened it in the same period and Al Smith notched another for Oakville in the late minutes of the second period to put the visitors ahead to stay. Joe Decoursey and Lawrence each sniped a marker in the last chapter to give the Klippers a comfortable margin. Cruickshanks was the Milton marksman.

If Tuesday's game is any indication of what to expect the race in the Big Nine this year is going to be one of the toughest hockey seasons the Co-ops have yet to appear in. Opening game will be November 20 here against Midland, the two teams returning to Midland on Saturday for a rematch.

The Co-ops play an exhibition tonight with Kitchener's Junior "A" team. The Kitchener club has Doug Vaughan, a former Co-op in its ranks and are doing very well in the current race with some mighty powerful opposition. Game time is 8.30.

AB CONICK has resigned as coach of the Co-ops and his replacement was on the bench Tuesday. He is George Gregor. Gregor has had extensive experience in the coaching game. An outstanding player in his day he resisted all overtures to play professional hockey, preferring to stay on his job with the Kodak Co. in Toronto where he played amateur hockey. Conick, by the way, ended his association with the Co-ops because he signed with Hamilton Tigers of the O.H.A. Senior series.

Gregor had two sets of defensesmen, three forward lines and two spares on the ice against Oakville

on Tuesday. Terry Sye was in the nets with Thompson, Grenke, McCann and George on the blue line. First line was composed of Fox at centre, flanked by Townsley and Beaumont. Simpson, Cruickshank and Wilson made up the other lines. Substitutes were Andrews and Max Bradbury. Luyben was not in uniform, nor was Ferri.

Quite a few of the fans have been asking about Junior Beaumont, a star with Georgetown all these years. Will he be able to get a release?

THE GEORGETOWN Herald, an opinionated journal, came up with these words: "Unless there is a change of heart, Milton has little hope of getting Junior Beaumont into a Co-op uniform. Junior has been trying out with that team but overtures from Milton have so far fallen on deaf ears as far as the Georgetown executive is concerned. No definite requests have been made for any other Raiders who might consider a shift to the county town, but the answer will probably be the same for Ferri and Ingalls."

Now there are some regulations to the effect that no player may switch allegiance to another club in the same class without a release in the O.H.A. handbook. However, it seems Junior has no desire to play for Georgetown. According to our informant, he has been heard to say he will not play at all if Georgetown enforces the ruling.

In the case of Ferri, we understand that Nick asked for his release last year from the Raiders but it wasn't forthcoming. The Georgetown executive made a sort of "gentleman's agreement" with Ferri that if he finished the year off with them he could secure his release this year. Time will tell if Georgetown intends to honor the agreement. In the event nothing is settled we understand the Milton executive have a few strings on Terry Brush, and it seems the Raiders would like nothing better than to get Terry's name on the dotted line. He could be good trading bait.

THE CO-OPS will have enough trouble on their hands with the other seven teams in the league without catering to Georgetown's needs. Collingwood, Midland, Walkerton, Durham, Elmira, Fergus,

and Oakville are all snaring the best talent they can get hold of. Since only the first four teams will make the play-offs there is no evidence of any slackening off as the season approaches.

Even Fergus, the league's doormats last term, have several promising players to fill in the weak spots in their ranks. Fergus has had a cracker-jack junior team in the last few years and it seems several of them are ready for promotion.

It could be anybody's league!

First Games Won by Palermo, Norval

Palermo recorded almost four goals to each of Acton's, and Norval two to Milton's one in the first two games of the junior farmers' hockey schedule Monday evening in Milton arena. Final scores were Palermo 11, Acton 3; Norval 6, Milton 3.

Five of Palermo's goals were scored by Don Vivian, with assists by Pat Flippance and John Pegg on two. Other scorers were Bill Orr (2), Thornton Tasker, Murray Tasker, John Pegg and Glen Richardson. John Pegg and Thornton Tasker were also credited with assists.

On the low end of the score was Acton, held in the game with two goals by Garnet Saul and one by Herb Spitzer.

J. Cunningham was top scorer for Norval with three goals. J. Reid, E. Wilson and R. Cunningham twanged the nets for the other three. Assists were by J. Reid, E. Wilson and D. Robinson.

Graham Gillies scored two to the Milton juniors' credit, with Jim Gillies shooting home another.

Games are played each Monday evening in Milton arena.

Commercial League — Macaronis 47, Misfits 39, Brickers 31, Haywards 26, Millionaires 24, Whippers 22, Foresters 19, Butchers 17.

Ladies' League — Mary Heipel 34, Donna Grenke 32, Kath Coates 28, Muriel Coulson 19.

High single, Jean Wrigglesworth, 265; high triple, Joan Montgomery, 637.

Nite-Hawk League — Merritts 7, Haywards 5, McDuffee 2, Wendovers 0.

Ladies' Matinee League — Norma Brown 33, Pinky Teasdel 28, Ruby Childs 24, Eileen Downs 13.

High single, P. Teasdel, 305; high triple, P. Teasdel, 648.

A tart temper never mellows with age and a sharp tongue is the only edged tool that grows keener and sharper with constant use.

Churches Observe Remembrance Day

Remembrance day was observed in the United church on Sunday morning. Mr. Bob Lindsay, theological student, Emmanuel College, Toronto, delivered a very fine sermon on "Peace", emphasizing the importance of finding peace within our hearts through close communion with Jesus Christ. "World peace can not be brought about until the individual has found peace with himself, his neighbors and his friends," Mr. Lindsay stated.

Service at Haltonville
The members of St. George's Anglican church joined with the Anglican and Presbyterian churches on Wednesday morning for a Memorial service at the monument at Haltonville and church service following at Nassagaweya Presbyterian church.

"Partners All"
Mr. and Mrs. Brock Harris entertained the Limestone Farm Forum on Monday night when the discussion was on the topic "Partners All" which pertained to the part the farm wife plays. It was felt that a farm woman should be consulted about business matters and keep abreast of marketing problems, farming techniques and legal arrangements in the best interests of the whole family.

Miss Joan Carthy, Breslau, and Mr. Paul Barnard were present from the O.A.C. Diploma Class.

Mrs. Coulter Hostess
The November meeting of the Woman's Auxiliary of the W.M.S. was held at the home of Mrs. A. W. Coulter on Wednesday afternoon with Mrs. Erland Colling in charge of the program. Mrs. L. W. Coulson conducted the worship service, Mrs. E. Foster read the scripture with comment by Mrs. M. Coulson, followed with a prayer by Mrs. Erland Colling.

Mrs. Burdge Gunby sang an appropriate solo and Mrs. Thomas Ramshaw reviewed the second chapter of the study book "Where'er the Sun". This chapter dealt with the church work camps in Siam. Mrs. F. Colling presided for a short business period and reports were heard from the departmental secretaries.

Mrs. E. Foster conducted a short business meeting for the Woman's Association and the hostess served lunch assisted by the committee in charge.

At Sectional Meeting
Mrs. S. T. Coulson, Mrs. A. W. Coulter, Mrs. E. B. Coulson, Mrs. V. Norris, Mrs. C. Waite, Mrs. E. Gunby and Mrs. R. Coulter attended the sectional meeting of Halton Presbyterian W.M.S. at Glenwood United church, Brock Road, on Thursday, when Miss Anne Ward, Dominion Board secretary, was guest speaker.

Modernized Home Good Investment

Modernizing your home does not mean you have to remove its gabled roof and install a chromium trimmed flat deck with big round holes for sunshine and rain.

Too many home owners become more or less frightened at the idea of modernizing and pass up opportunities for adding real value to their properties by making the house easier to live in.

Most older houses can be brought up to date with new comforts and added cheerfulness by the outlay of comparatively small sums. And usually every \$100 spent on thoughtful improvements to a structurally sound house results in upwards of \$200 in new value because it sets back the clock that is ticking off obsolescence.

Real estate appraisers are keenly aware of this. They know that remodeling is economically sound when a good structure is located in a good neighborhood. The Chicago chapter of the Society of Residential Appraisers recently was told:

"The fact that a house is 50 or 60 years old need not necessarily detract from the feasibility of remodeling it, as can be borne out by the many houses which are as much as 200 years old and still sound. Proper planning and complete architectural service can assure the owner an adequate return of his investment. He can enjoy conveniences, pleasant living, lower maintenance costs and other advantages that accompany a modern, up-to-date home."

Points of obsolescence most common in older houses are: small windows; lack of closets; small rooms poorly arranged; awkward roof lines; poor landscaping; light obstructing porches; high maintenance costs.

HAZEL C. MATHEWS OAKVILLE AND THE SIXTEEN The History of an Ontario Port

A BOOK TO TREASURE . . .

For those who live, or have lived, in Oakville . . . who have a sense of its historic past . . . and pride in the traditions of this famous town . . .

Mrs. Mathews, descendant of a pioneer Oakville family, traces with care and affection the growth of a typical Ontario lake port and pictures social life at the various stages of the town's development. This is the story of the people and houses, the shops and churches of Oakville, and its social, political, and industrial life through the years.
