SPRINGSTEEN — In loving memory of a dear mother and grandmother, Jennie Springsteen, who passed away April 7, 1953.

Stuff 'round Town

Income tax, excise tax, sales tax, carpet tacks, rabbit trap—oh, well—any of us could go a bit squirrely at this time; most of all our friend Doug Abbot when he's preparing the budget.

This is the eighth consecutive year that Mr. Abbot has ended up with a surplus. Quite a feat for anyone to be proud of, and when we consider that the net per capita debt of the country has been reduced from \$1,039 to \$755 during those eight years, we should be glad to think that "Doug" has the intestinal fortitude to stay with the program.

If you wish to get all the figures from the government and check up on these statements, we will be glad to rent or sell you an adding machine to speed up the work and a typewriter to make up your final report.

Don't forget, for business machines and office supplies of all kinds, be sure to see
