## KILBRIDE

The Kilbride Farm Forum met at the home of Mr. and Mrs. Eric McArthur on Monday last with an attendance of 35. The topic was "A Matter of Policy" and Fire Accident and Life Insurance were discussed. The general opinion was that fire insurance was a necessity and that good value was received from it also, also from accident insurance, and that automobile accident insurance should be made compulsory. It was decided that farmers take out Life Insurance to protect their families and to create an estate. The reason some do not take out insurance is because they do not understand about it or they feel their farms will provide an estate for their families.

Following the discussion, cards were played by the winners being Ross Harbottle and Orlo Coulson. Consolation prizes, Mrs. Geo. Burns and Bob Sault; travelling prize, Shirley Small. Lunch was served by the hostess assisted by the Committee, Mrs. Sault, Mrs. Tinker, Mrs. Wetherell, Mrs. Smith and Owen Yenini.

It was agreed that the measures for social security outlined on the pamphlet were a good thing, except for the old age pension. This pension should be given at age 60 or 65 and the amount should be raised to \$50.00 a month and given without a means test to all Canadian citizens who desire it.
