First Woman Elected Halton County Warden

(Continued from Page One)

Following the advice of the new
warden, council chose E. W. Smith,
James Goodlet, W. H. Biggar, E.
Foster and Wm. Vansickle as an
assessment committee. The mem-
bers will choose a chairman at the
next meeting.

Councillor Vansickle urged the
committee to make an immediate
survey, so council could strive to
have it in operation by 1950.

Councillor Jones advised mem-
bers the Acton representative on
the North Halton High School
District Board had tendered his re-
signation he hoped council would
appoint two members to the Board
thus relieving one representative
of the "whole load."

Clerk William Deans informed
council he was in receipt of a peti-
tion and resolution from Trafalgar
township regarding the trans-
fer of Wards 1 and 2 to the North
Halton High School District.

The petition signed by about 125
ratepayers sought to break away
from the Oakville-Trafalgar High
School district and enter into the
North Halton School District.

In the resolution by Trafalgar
township, their council declined to
approve of the split as an agree-
ment to pay their share toward the
erection of new school addition at
Oakville. They felt that should
they allow the transfer, it would
be asking the balance of ratepay-
ers to shoulder too great a burden
in school taxes.

Council left the matter in the
hands of the educational com-
mittee for further consideration,
and report its findings back to the
council.

Council approved of continuing
their membership with the Good
Roads Association and authorized
the County Engineer and members
of the Roads Committee to be dele-
gates at the annual convention be-
ing held in February.

Warden George Pettit and ex-warden
George Cleave were appointed
commissioners on the board for the
Halton-Peel House of Refuge.

Council approved of a by-law to
borrow up to \$150,000 for current
expenditures for 1949. The esti-
mate for county roads amounting
to \$150,000 was approved. This
will include the construction, and
maintenance of bridges and roads
in the municipality.

The new warden along with M.
Maxted, treasurer, were appointed
to the County audit Board for 1949.

The Reeves of the various mun-
icipalities were selected a striking
committee for the different com-
mittees.

The first named on each com-
mittee was chosen chairman. They
are: finance, W. J. Higgins, Milton;
William Vansickle, Nassagaweya;
Elmer Foster, Nelson; J. Arm-
strong, Georgetown; R. J. Hunter,
Oakville. Education: Armstrong;

On the whole, though, it was a
good meeting, and a very busy one.
Several different classes were
carried on in various parts of the
hall. In one corner was a group
learning signalling, in another a
group trying hard to master the
knack of skpping backwards thirty
times, and so on. The twelve new
Chums are well on their way to
becoming full-fledged Cubs. Eight
have already passed their Tender-
pad test, and the remaining four
will likely do so shortly.

a very encouraging report which
showed how much had been realiz-

the redecorating of their church,
helping with the Budget and W.M.

NASSAGAWEYA

No. 7 Farm Radio Forum enter-
tained No. 8 Farm Forum in No.
7 school last Monday evening with
an attendance of forty-two. Topic
of the evening was insurance pol-
icies, fire, life, automobile, which
were discussed in three groups. It
was considered that we get good
value for money invested in fire
insurance. The majority felt that
car insurance should be compul-
sory and that if it were, the high
rate would be lowered. As for life
insurance, the farmer's purpose in
having one was the same as any-
one else, and the reason he did not
have it was because when he
was in a position to pay for one,
he thought it better to invest the
money in farm or farm stock.

The social part of the evening
was spent with 9 tables of pro-
gressive euchre, and one of bridge.
Mr. George Robertson won men's
high and Mrs. Stan Robinson, lad-
ies' high. Mr. Horace Blythe won
men's low and Mrs. McIntyre lad-
ies' low. Three had the same num-
ber of lone hands, Mrs. Charles
Thompson, Mrs. Geo. Robertson,
and Mr. Calvin McIntyre. Mr.
Robertson withdrew and the prize
was won by C. McIntyre. No. 7
ladies served a lunch of sandwich-
es, tarts, doughnuts, and coffee.
Mr. Robertson on behalf of No.
8 thanked No. 7 for an enjoyable
evening.

Mrs. David Henderson and Mrs.
Wilfrid Kennedy attended the 35th
annual meeting of Guelph Pres-
byterian of the W.M.S. of the Pres-
byterian Church in Canada, held
in St. Andrew's Church, Guelph on
Tuesday.

Mr. and Mrs. David Henderson
and Mr. and Mrs. Wilfrid Kennedy
attended the funeral of the late Mr.
Smith Campbell of Moffat on Wed-
nesday afternoon at Acton.

The January meeting of the
Busy Bees W.I. was held at the
home of Mrs. J. J. Kennedy Wed-
nesday afternoon with ten mem-
bers, three guests and six children
attending. Mrs. Davenport, agri-
culture and Canadian Industries
convenor gave a paper that told
of the pride and pleasure derived
from the hard work of the season
for the housewife. She was assisted
by Mrs. McLean, Mrs. Henderson,
Mrs. Elmer Cox, Mrs. Stephen
Coxe. A donation of \$15 was made
to Halton Recreation Park. Mrs.
Davenport gave her report from
the district directors meeting at
Milton.

That lovely 1949 Monarch car
we see on our community roads
belongs to Mr. and Mrs. George
Job.

with a cold that developed into
congestion. We are pleased he is
recovering.

St. John's Anglican Church
Vestry meeting was held at the
home of Mr. Henry Davenport,
where some of the community were
elected to serve in their church
work. Mr. Henry Davenport as
People's Warden; Mr. C. E. Daven-
port as one of the auditors; Mas-
ter Martin Davenport as extra
sideman.

The Nassagaweya Presbyterian
Church annual meeting is to be

and those in charge hope for a good
attendance to help plan for the
year's work.
