# Personals

Mr. and Mrs. W. T. Barnard of Ancaster were in town on Wednesday.

Miss Erna Cox is attending the Northern Vocational school in Toronto for six weeks.

Mr. Fred Bolingbroke has returned from a pleasant fishing trip in the Barrie district during the holiday week-end.

Mrs. Bolingbroke and two daughters have returned to Hamilton after spending a pleasant week-end with Mr. and Mrs. Geo. Bolingbroke.

## Engagements

Mr. and Mrs. Frank Wild wish to announce the engagement of their second eldest daughter, Edna Marion to Clarence Robert, son of Mr. and Mrs. E. D. Green, of the 8th Line, Oakville, Marriage to take place in Oakville July 16th.

## QUIET CEREMONY IN WEDDING FOR BOUSEFIELD-NEVILLS

On Saturday, June 25, at three o'clock a quiet but pretty wedding took place at the United Church parsonage. Thelma Eileen, daughter of Mr. and Mrs. W. H. Nevills, Milton, became the bride of Mr. Jack Gordon Bousefield, son of Mr. and Mrs. W. A. Bousefield, Milton. Rev. Blair officiated.

The bride was gowned in brocade satin with finger-tip embroidered veil caught to a coronet of seed pearls and carried red roses with white bouvardia.

Mrs. John Coulter was her cousin's maid of honor in pink lace over taffeta with headdress to match. She carried pink roses with white bouvardia. Best man was Mr. John Coulter.

A reception followed at Shady Ridge Farm, Lowville, and later the couple left for a trip to Georgian Bay and Lake Simcoe.

The bride dressed in an ensemble of wine gabardine with grey accessories for the honeymoon.

The couple will reside in Milton. Guests were present from Guelph, Manitoulin Island, Toronto, White Fish Falls, Weston, St. Catharines, and Williamsford.

## RED ROSES, WHITE PEONIES PROVIDE BRIDAL SETTING FOR FISHER-LEITCH NUPTIALS

A pretty wedding took place in a floral setting of red roses and white peonies, in the home of Mr. and Mrs. James Leitch, R.R. 1, Guelph, on Saturday, June 25, at three o'clock, when their daughter, Joyce Evelyn, became the bride of John Harvey Fisher, son of Mr. and Mrs. Alvin Fisher, R.R. 1, Guelph. The ceremony was performed by the Rev. T. J. Rees. Mrs. T. J. Rees played the wedding music and accompanied the soloist, Miss Marlene Wright, who sang "O Perfect Love" before the entrance of the bride, and "Because" during the signing of the register.

Given in marriage by her father, the bride was radiant in her wedding gown of white satin with sheer yoke and long sleeves terminating in points over the hands. The overskirt was caught up with three bows over a lace frilled petticoat. A heart shaped bridal crown held her long veil to her head, and she carried a cascade of American Beauty roses, bouvardia and maiden hair fern. Mrs. Gordon Gregson, R.R. 2 Hillsburg, the matron of honor was attired in yellow, Miss June Leitch, her sister's bridesmaid, wore green. Their gowns were organza over taffeta, with puffed sleeves and the over skirts caught up with three bows over lace frilled petticoats. They wore matching headdresses and net gloves and carried nosegays of yellow roses, mauve sweet peas and baby's breath. Miss Edna Jackson in mauve taffeta with overskirt of white net, mauve net headdress and nosegay of sweet peas, made a pretty flower girl. The groom was attended by Mr. Kenneth Hurren, R.R. 2, Hillsburg. The ushers were brothers of the bride, Mr. Calvin and Mr. Keith Leitch.

At the reception which followed the ceremony, the bride's table was charmingly arranged with pink and white streamers, and white candles on either side of the three tiered wedding cake. Mrs. Leitch was attired in navy blue crepe with white accessories and corsage of pink carnations. The groom's mother wore a gown of navy sheer and white accessories. Her corsage was composed of pink carnations.

For a wedding trip to points north, the bride changed to a rose dress and navy accessories. On their return, Mr. and Mrs. Fisher will live at Erin. Guests attended from Georgetown, Guelph, Elora, Hillsburg, Acton, Toronto and Erin.

A new camera for studying brain surgery at Montreal Neurological Institute requires 5,000 volts of current for each exposure.

## FERTILIZING BY AIR

Two aircraft recently top-dressed a New Zealand hill farm with ten tons of fertilizer in pellet form. Flying at 400 feet the plane released a ton of material in seven seconds over an area of about nine acres.

No cost figures were made available but it appears that costs based on aircraft of one ton capacity were higher than land dressing. With planes having a capacity of 20 tons or more the cost would be considerably less.

## FOUR LARGEST LAKES

After Lake Superior, Lake Victoria in Africa is the largest lake in the world. Lake Aral in Siberia is third and Lake Huron fourth.

## A BOOK USED IN ALL COUNTRIES

Throughout the world special celebrations will be held on Sunday to mark the fourth centenary of English Book of Common Prayer. Since it was first used on Whit Sunday 1549 it has become the foundation of the liturgy used by Anglican churches in all corners of the globe. It has been translated into no less than 149 different languages.

## LARD SUPPLIES

The United States is the principal lard-producing and lard-exporting country of the world. Since the war ended this country has produced about half of the world's output—the remainder came from Russia, Italy, France and China. The chief lard-importing countries since the war have been the United Kingdom, France and Cuba, each taking 16 to 18 per cent of the world's total.

## PROGRESS

An Associated Press dispatch from Moscow relates that a champion long distance swimmer, set a new record by swimming 74 1/2 miles in the Volga. A second story . . . reports that a Soviet scientist drilled a hole 20 miles into the earth. Les Finnegan, writing in the Socialist call gives the ending of the story: "Fact of the matter, of course," he says, "is that both men were caught and had to go back."

## RAY OF HOPE

A chest X-ray worker thought she saw a familiar face in the line of persons being X-rayed, asked the woman if she hadn't already had an X-ray. "Certainly," replied the woman. "I've had three already. The first didn't help me, but after the second one I began feeling a lot better. I don't have to stop taking treatments do I?"—Seattle Times.
