The introduction to the New Study Book "Towards a New Dawn in Japan", was taken by Mrs. R. Menzies. This brought out many facts of the early history of Japan. Old ideas have now lost their hold on the people and new ones are striving to take their place. At the present time opportunities of presenting the Christian gospel in all its fullness is offered to the Christian Church. No one knows how long that opportunity will be given or when strong opposition may arise but today the Church re-enters Japan in the hope that a
