HALTON JERSEYS SET HIGH RECORDS IN TESTS IN APRIL

Two of the highest records made by Jersey cows in Canada during the third week in April were completed in Halton County, led by Belvin Standard Mary 2nd, bred and owned by Hans Kroiss and Mrs. Belle Lavine at Oakville. Mary went on test as a junior 4 yr. old and in 365 days produced 11,618 lbs. of milk and 717 lbs. of fat, with a test of 6.17 per cent. Mary is a daughter of Mr. Kroiss' former herd sire, Sissy's Golden Standard, an outstanding bull owned by the Hamilton District Cattle Breeders Association.

In the herd of M. Alexander at Norval, Gay October, a 7 yr. old cow in 365 days has produced 12,062 lbs. of milk and 706 lbs. of fat, with a test of 5.85 per cent. If Gay October freshens in time she will be awarded a gold medal certificate by the Canadian Jersey Cattle Club.

MISSIONARIES TO JAPAN SUBJECT AT MEETING OF KNOX W. M. S.

The May meeting of Knox W.M.S. held on Tuesday was well attended. Mrs. Newell had the chapter from the Study Book which was "Canadians enter Japan". Missionaries first went to Japan from Canada in 1873, Dr. Cochrane being one who did so much for the cause. Dr. Carher, one big step was the hostel for girls. She was the finest Y.W.C.A worker and spent much time among prisoners and their families. Sh also planted many seeds of Christianity amongst the factory girls This same work is going on in Tok-

The Devotionals were taken by Mrs. Nixon and Mrs. Dawson and the Good Thought given by Mrs. Dick. The President urged all to attend the Sectional Meeting to be held at Streetsville.
