

PAGE EIGHT

Notices of Births, Marriage and Deaths are inserted in this column without charge. In Memoriam Notices cost 50c per line additional for poetry. Cards of Thanks 50c.

BORN

**WILSON**—Merv and Gerlie Wilson are happy to announce the birth of their daughter, Marsha Susan, at Mount Hamilton Hospital, May 13, 1950.

**MARLATT**—Louise and Floyd are happy to announce the birth of their son at Private Patients Pavilion, Toronto General Hospital on Saturday, May 20th.

MARRIED

**HUME-TAYLOR**—At St. Enoch's United Church, Toronto, on May 6th, by Rev. H. S. Cobb, B.A., B.D., Isabel Florence, daughter of Mr. and Mrs. Albert John Taylor, to William Gordon Hume, B.A., son of Mr. W. R. Hume, Milton.

DIED

**LONDON**—In St. Joseph's Hospital, Hamilton, on Friday, May 19th, 1950, Elizabeth Esther McClelland, widow of the late Harry London, in her 66th year. The funeral service was held from Knox Presbyterian Church on Monday, May 22, 1950. Interment Evergreen Cemetery, Milton.

**HARROD**—At the Kitchener Waterloo Hospital, on Thursday May 18, 1950, William C. Harrod, of 40 William St. E., Waterloo, Ont., dear father of Douglas and Donald Harrod of Waterloo, son of Mrs. Bertha Harrod of Milton; brother of Gladys Harrod of Kingston, in his 41st year.

IN MEMORIAM

**DOUGLAS**—In loving memory of a dear husband, father and brother Donald Douglas, who passed away May 24th, 1947. Gone from us but leaving memories that can never take away. Memories that will always linger while upon this earth we stay. Ever remembered by his wife and family, brother and sisters.

CARDS OF THANKS

The family of the late Mrs. Harry London wish to thank friends and neighbours for the floral tributes and kind messages received during their recent bereavement.

The family of the late George Coulson wish to extend their sincere thanks and appreciation to the Rev. Homer Ferris, Milton Fire Dept., fellow employees, neighbors and friends for the many beautiful floral tributes, kind messages and acts of kindness during their recent bereavement.

Brevities

—Flies have made their appearance and it's a good time to start a war on them.

—Streets were quite busy in Milton last week with people out enjoying a walk in the warm sunshine.

—Your Champion office was made brighter for all who called this week, by a bouquet of narcissus from Ginger Farm.

—Wild flowers are in season and their abundance is dwindling. Scanty gathering is the only way of preservation for these beautiful flowers.

—Miss Georgina Young was given a surprise party by St. George's W.A. of Georgetown. Miss Young who retired a few years ago from her teaching position at Georgetown Public School is moving to Milton. She was presented with an electric kettle.

—At the annual Music Festival held at Milton recently Bobby Crozier, of Milton, won the highest award, the gold medal in the solo class for urban boys under seven years. Incorrect marks were mentioned in the results appearing a week ago. The Champion regrets this omission.

Gasoline Explodes  
Blaze Claims Truck  
In Two Alarm Fire

A three ton Toronto Daily Star truck was totally destroyed at Crewson's Corners on No. 7 highway Saturday afternoon when it caught fire and the 80 gallons of gasoline that it carried, exploded.

As the truck and its load of daily papers blazed, the tires exploded. When the fire reached the gas tank the liquid was sprayed over the road and the truck, turning them into a raging inferno generating a terrific heat.

Driver of the truck, Stan Tilley of Toronto was flagged down on the road when a passing motorist noticed that the top of the truck was in flames. His efforts with a fire extinguisher were futile and Mrs. Lock at the garage phoned the Acton and the Rockwood fire brigades at about 3.15.

Acton firemen encountered difficulty in supplying hose with a steady stream of water. Half an hour after the alarm rang in town the truck was pumping water steadily from a stream nearby. Rockwood brigade arrived about 3:45 and applied a steady stream of water to the blaze from a 300 gallon tank carried on the truck.

HI-TIMES

By Seymour English

Sports have taken over at Milton High again after quite a lapse following the end of the hockey season. Two inter-form baseball games were played last week; the first between Grades 9 and 10 on Wednesday with Grade 10 coming out on top with a score of 9-3. The other game was played on Friday afternoon between Third and Second form. Second form emerged victorious (though wet and cold, because of the weather) with thirteen runs to ten. An incident in the first game dramatically showed our disgraceful lack of athletic equipment. Catcher Ronald Ellis had to be taken out of the game after being struck in the face by a spinning foul. If he had had proper equipment that would not have happened.

Several other students have a "beef" which we heartily endorse. While we realize the importance of sewers, we are inclined to wonder if it was entirely necessary to leave a two foot ridge of rocks and clay across the tennis court when the trench was filled in.

Due to the impending exams, this may be the last column of the school year, so we would like to look back and recall some of the outstanding events. The Student Council was rather active throughout the year. It sponsored this column (which we hope will be reviewed next September), a year book, (which will be published in June), several dances, school sweaters and such miscellaneous items as a framed photograph of the rugby team for the school and aiding and abetting the teaching staff in preparing the annual commencement.

The Athletic Societies were re-organized and provided a rounded programme of sports. A rugby team was formed to play against Acton and Georgetown; both boys and girls played inter-form hockey and the boys also challenged our two rivals to home and home games. Basketball got a shot in the arm when Milton defeated Acton and it is rumored that there will be inter-school softball games before the final exams start.

All things considered, dear old Milton High has had an exceptionally good year, extra-curricularly speaking. If the exams turn out as well, everyone should be satisfied.

The following notice was inserted by the students of Grade 13. "We the students of Grade 13 do hereby proclaim that the days between May 26 and June 6, 1950, are to be utterly silent between the hours of nine a.m. and four p.m. Any student causing a noise or disturbance will be prosecuted to the full extent of the law." Take heed, kiddies, or you will be whipped with a rolled up comic book.

Have you noticed the new "brush cuts" around the school lately? What do you think, girls, doesn't Russ look positively divine? The girls are also catching the fad. We have several who look like the belles of the "roaring twenties". Honest girls, we are only kidding. You look "divine" too.

Well that just about does it for this year. We hope you've enjoyed reading the weekly column half as much as we have enjoyed writing it. We wish you luck in your exams and I'm sure Keith joins us in that.

WOODLOT FARMING  
FOR DESOLATE LAND  
INCREASE CASH RETURNS

Modern tree farming has made the second most important crop produced on the 680-acre Half-Mile High stock farm of Wallace Hanline, Grant County, West Virginia. Two years ago in one selective cutting, Hanline harvested a quarter million board feet of hardwood netting him \$5,500.

Only through scientific woodlot management has this woodlot farmer been able to realize his success. Four generations of highly successful fire prevention practices and restocking with young seedlings has transformed once thought of waste land into a cash crop.

Efficient cutting of timber and elimination of wastes would allow for increased yields and prevent destruction of the country's precious woodlands. Cutting should be timed to improve the quality of the woodlot and increase cash returns. Improvement cutting betters growing conditions in the woods. Thinning gives the more valuable species room to develop and release-cutting controls growth of undesirable saplings. Finally there are utilization cuttings which prepare logs for sale or fire wood.

If the condition of the woodlot is carefully studied and analyzed and good woodlot management practices are employed, the much needed cash for further development of Canadian farms will be available.

Sixty-six persons had flown across the Atlantic ocean before Lindbergh did it; but none did it solo, and most of them were in British and German dirigibles.

HOME FOLKS FIRST

Would you like to know how always to say The pleasantest things in the nicest way. To bring you the friends you will always need. Friends who are true in word and deed? Just say them to home folks first.

Do you want to know how always to do The things that courtesy asks of you? For courtesy is the oil you know, That makes the wheels of the day's work go— Just try them on home folks first.

For home folks are nearest and dearest and best, And home love is surest to stand any test; So, if you would know how to do and to say The pleasantest things in the nicest way— Just try them on home folks first. —Florence Jones Hadley

Stuff Round Town

Milton Rotary Club have again shown their helpful spirit. We refer particularly to the campaign they are now putting on to help the unfortunate thousands in Manitoba who have lost so much in the flood. Milk bottles with notices stating their purpose are appearing in many stores in town so that everyone can donate even though they can only afford a few cents.

Next time you see one of these bottles, drop in a bit of change — your coin is more good with your money in any other way.

You will find on inspection that our magazine racks are flooded with all kinds of good reading matter—for young and old.

Drop in and look them over.

Eight Lodges Represented  
Celebration of 90th Anniversary  
—Degree Conferred by Masters

Another record was written in the annals of Freemasonry on Monday evening, May 22, occasion of the 90th birthday of St. Clair Lodge, founded on May 1860. There were eight lodges present at this meeting. St. Clair celebrate this important birthday, and District Grand Master, W. L. Somers representing Hamilton District was also present.

The regular officers of St. Clair Lodge under Worshipful John Randall vacated their office for the past masters, who are the Third Degree upon Bro. The past masters were completed on the way in which the work was exemplified. The ing officers took part in the work: WM. W. Bro. J. C. C. Ham; IPM, W. Bro. John S. W. Bro. J. E. Whitely; W. Bro. L. Walker; SD, W. C. Cunningham; IG, W. Featherstone; SS, W. Bro. J. S. W. Bro. M. Campbell; Bro. W. I. Dick; Director of ceremonies, W. Bro. R. M. Clew.

Others who took part in the work were W. Bros. C. Turner, F. Geo. J. H. Willmott, F. M. Geo. Galbraith, Geo. Dav Morris and E. Harrop.

W. Bro. M. S. Sproat gave an interesting account of the of the Lodge from its inception to the present time. He referred to the fact that the lodge was founded in 1860. It is believed that Wm. P. the oldest Mason in St. Clair he was for 63 years a Master.

The charter members of Lodge were: James Regan, Master; Robert Todd, Senior; Gilbert Tice Bastedo, Warden; Wm. Pantan, S. James Young, Jacob Bastedo, phrey Desmond, James Alton.

Those who brought from outside lodges were: Bailey, River Park Lodge, Wm. W. Bro. I. M. Harris, Lodge, Acton; W. Bro. A. C. Oakville; W. Bro. Ed. Campbell Lodge, Campbell; Bro. Roy Walsh, Temple Hamilton; W. Bro. Allen, E. Burlington Lodges, Burlington; Bro. Nels Robinson, Creed Georgetown.

Among the older members of St. Clair Lodge who spoke were W. I. Dick and R. C. DDGM Pat Somerville also. He recommended that a be appointed to preserve the history already written of and to make a record of the important milestones of the lodge.

After a luncheon which was enjoyed colored slides by Bro. Hartley Anderson, sides were a pictorial retrospective made by Bro. through the Southern States of Mexico.

PEACOCK-RAWLINSON WEDDING IN NORVAL COUPLE TO LIVE IN MILTON

A pretty wedding took place on Monday, May 27th in St. Paul's Church, Norval, where E. Maxwell united in marriage Beatrice Rawlingson, the daughter of Mr. and Mrs. Rawlingson, Norval, and Albert Peacock, son of Mr. George Peacock, of Milton church was beautifully decorated with pink and white carnations and tulips.

The bride, who was given away by her father, wore a blue, with navy and white and was attended by her sister, Arthur Burton, in pink and grey accessories. Each carried a bouquet of white and yellow sweet peas. Richard W. Hornby acted as groom's best man. The ushers were Arthur E. Peacock. Following the ceremony a reception was held at the home of the bride's mother in mauve and grey, assisted by the groom's mother. The wedding supper was served by the ladies of the church and guests were present from Norval, Hamilton, Toronto and various other places.

At the close of the supper and groom left on his trip and on their return to the groom's farm at
