—Hay cutting is in progress throughout the country.

—Milton Firemen play donkey baseball at Streetsville tonight.

—Weeds are getting cut along the side streets this week by town workmen.

—Highway 25 has been graded and the dust has increased with this improvement.

—Cedar Springs school children, under the direction of their teacher, Mrs. Nancy Ramshaw, held a bazaar and raised \$30 for the Manitoba Flood Relief.

—Refuse cans on front street are available to keep the street clean. It is everyone's duty to make use of them rather than carelessly throwing paper on the street.

—In the report of the Hornby Garden Party last week the prize winners from the Milton Hockey Club Carnival on July 1 were included. We regret this unexplainable error.

—The water break Saturday morning was caused by the lateral digger working on Main St. Water service was cut off from the forenoon until after dinner. It might be a good idea to keep the tea kettle full while the digger is at work so that dinner would not be too seriously interfered with again.

—Wednesday George Allan was honored for his 63 years of service to the Imperial Order Odd Fellows. 63 years ago Bill Edge of the Georgetown Lodge proposed George Allan for membership to the Order and Bill Edge, 65 years a member himself, arrived by special car to join in the celebration and ceremony in front of the IOOF Lodge last evening.

—The guernsey, Henley M. Milkmaid, owned by P. E. and J. E. Forster of Milton headed her class for Ontario in the 3-year-old, 365 day division. From 9184 pounds of milk she produced 534 pounds of butter fat. This cow was second highest in Canada for the month of May. In 1949 she won the 3-year-old in the milk class at the Halton County Fair in Milton.

N. H. School Board Favors Fast Action

(Continued from Page One) County Council reported Acton, Nassagaweya and Esqueting had accepted the proposed distribution; Milton council had not dealt with the matter yet; and Georgetown Council had advised that the plan would not be accepted.

The Secretary had therefore called a meeting of the Board of Arbitrators for Milton on Thursday afternoon as instructed in the original motion passed in June. This Board is, according to the Act, made up of the assessors of the five municipalities and the county assessor.

Accounts passed amounted to \$1,351.91. Applications from pupils to attend Guelph Collegiate were dealt with and instructions issued the Secretary.

The tender of W. H. Clements for painting at Milton School was accepted at \$328.

Mr. C. R. Kilgour was approved as Musical Director at Milton School at a salary of \$500 per year. Members present at the meeting were Col. G. Brown, A. Beaumont, W. Coon, W. Biehn, J. Bell, R. Carbert, F. W. B. Fitzgerald and Chairman G. A. Dills presided.

Keeping Happy

By Joseph Lister Rutledge
Quite recently we happened upon a magazine article that dealt with great length with the question of how to keep women happy. Perhaps it was our initial failure to realize how unhappy they were, or perhaps it was just that we didn't follow the argument with sufficient care, but it seemed to us that the conclusion didn't get anywhere in particular. We couldn't fit the solutions very satisfactorily to the life pattern of most of the women we have known.

It was all right, perhaps, for the Colonel's Lady but not for Judy O'Grady although Mr. Kipling has assured us that these are sisters under the skin. The findings of a New York forum on a somewhat similar theme about the same time seemed to us to come nearer to an application that would fit a good many types of women, and men too, for that matter. The solution was to give women "volunteer and part-time jobs which are congenial"—the idea of course being to employ surplus energies, and to provide something new to think about. The forum did not give much consideration to those whose homes and families occupied all the time and energy at their disposal. Is there no easy formula for them, or is it that they are happier already than those with too much time on their hands? It seemed to us anyway, that the forum "had something" that perhaps might be taken into the larger field of the human life. The happiest are those who find some measure of joy in their work—something to stimulate the urge that is in most mankind for some sort of achievement of his own.

The labor unions, which have done so much for the worker, have thought of so many things—how to get him more money, more leisure, more security. But in the last analysis what the heart of every honest worker is crying for is a chance to express himself, that his work may not be a drudgery to be escaped, but an enthusiasm to be captured.

Congress may legislate until Doomsday, but the basis of our national economy is still an honest day's work.

MRS. F. CHISHOLM, HOSTESS HORNBY WOMEN'S INSTITUTE AT REGULAR JULY MEETING

The Hornby W. I. held its July meeting at the home of Mrs. Frank Chisholm with twenty-eight ladies present.

Roll call was answered with "Your family cure for burns and cuts" and many useful suggestions were given. Mrs. Merry gave current events and spoke not only of the war in Korea but gave some idea of the size of the country and their customs. She told also of the World Council of Churches being held in Toronto and read an article on teaching children to respect the property of others. Marilyn Wrigglesworth played a piano solo.

Mrs. Stark, convener of health, had charge of the program. Mrs. S. Murray, president of Scotch Block W.I. gave a very interesting talk on health before and after forty, basing her remarks on what had been given at the county project last spring. She stressed the importance of immunization, prenatal and infant care. T.B., heart disease and cancer are the most talked of diseases. She concluded by saying "with care and common sense, there is no reason why we cannot grow old gracefully." The ladies all enjoyed Mrs. Murray's talk.

Mrs. Stanley Hall introduced Mrs. MacDonald, who gave a very interesting demonstration on pottery. Pottery, she said, was one of the oldest crafts and explained the different steps in preparing clay shaping and glazing different things, also the temperatures used for firing.

Mrs. Stark read a paper on pollution—one of the most dreaded of summer diseases.

The meeting closed with the King and lunch was served.

Get away from business occasionally. It's cheaper to take a voluntary vacation than wait till the doctor orders it.

Births, Marriages Deaths, Etc.

BORN

McNEIL—To Lloyd and Helen McNeil, nee Simpson, at Grace Hospital, Toronto, on July 13th, 1950, a daughter, Margaret Lynne.

DIED

MARK—On Thursday, July 13th, 1950, at his home in London, Ont. W. J. Mark in his 82nd year. Service was held in Little Britain United Church on Saturday with interment in the family plot in Little Britain Cemetery.

KING—At Milton Private Hospital, on Friday, July 14, 1950, Lawrence King, R. R. 1 Campbellville, beloved husband of Marion James, dear father of Ronald and son of Mrs. Benjamin King, in his 47th year. The funeral was held from the Victor B. Rumley Funeral Home, Acton, on Monday at 2:30 o'clock. Interment Fairview Cemetery, Acton.

IN MEMORIAM

BAILEY—In loving memory of our dear son, Richard John (Dick), who passed away July 20th, 1946. Not a day do we forget you in our memory you are near. Loved, remembered, longed for always. Bringing many a silent tear. Sadly missed by Mom and Dad.

STOVER—In loving memory of a dear father, John Stover, who passed away July 18th, 1943. A silent thought, a secret tear Keeps his memory ever dear. Time takes away the edge of grief But memory turns back every leaf. Ever remembered by Clifford and family.

CARDS OF THANKS

Mrs. Lawrence King, Ronald L. and Mrs. Mary King wish to thank all neighbors and friends for expressions of sympathy, flowers and cards during their recent sad bereavement.

I would like to thank all my friends and neighbors for their kind thoughts, letters, cards, gifts and phone calls during my stay in Toronto General Hospital. I am pleased to say I am feeling lots better and thanks again.

Douglas Coulson
The family of the late Mrs. John Bradley wish to thank friends, neighbours and Rev. Ferris for their kind expressions of sympathy during their recent bereavement. Also Dr. Stevenson and associates for their kindness and patience during the long illness of their mother.

The Bowes Cemetery Committee and Baptist people wish to take this opportunity to thank all those from other churches who turned out in such goodly numbers to help make their reunion such a success. And also the old members and adherents, who came from a distance. Your presence was the real joy of the occasion and we hope that you will be spared to be with us next year when we wish to make this gathering a still greater success.

And I am sure the community at large are very grateful to the Baptist people for the splendid work they are doing in repairing this old church and making it once more a place of public worship, and also the care of the cemetery.
