

Holstein Breeders Make Fine Showing at C. N. E.

The 1950 Holstein Show at the C. N. E. goes down in history as the greatest and largest Holstein exhibit at the C.N.E. on record. Well over 400 entries were made and judge Jas. R. Henderson of Portsmouth, in many classes sent as many back to the stable as he kept in the ring for his adjudication. Halton breeders were well and worthily represented by entries from the herds of W. S. Hall, Albert Staag and J. F. Trimble of Trafalgar Township; A. G. Hunter, F. Pelletier and Sons and Ross Segsworth of Nelson Township; R. Alexander and Dr. Paul Beer of Esquesing Township.

A few of the highlights from a Halton standpoint were as follows: In the bull classes, Salax Prince from the herd of R. C. Alexander of Georgetown topped the 3 year olds and went on to the senior and reserve grand championship. In the same class, Dutchland R. A. Monogram B. for Ross Segsworth of Freeman, was second and was later made reserve senior champion. A. G. Hunter and Robt. Harrison of Freeman were second on Hunterholm R. A. Boy in the junior yearling class. In the strong senior bull calf class, Salax Admiral, bred and recently sold by R. C. Alexander of Georgetown, was second for Erskine Brown of Owen Sound. In the same class Spruceleigh Monogram Prince was seventh for Ross Segsworth. The grand champion bull was Spring Farm Fond Hope, for J. M. Fraser of Streetsville.

The senior yearling heifer class brought together 45 great heifers, and here W. S. Hall of Oakville, was fifth on Ava Park Corina. In the 3 year olds, the entries of Dr. Paul Beer were well to the fore both in the dry and milking classes, winning fourth in the dry class on Lidia Graymar Ash Bessie and first on Lidia Graymar Beech Bessie. This latter heifer was a strong contender for the reserve senior championship and also for the trophy awarded to the best uddered female in the show. Spring Farm Juliette for J. M. Fraser was a worthy grand champion and also won the award as the best uddered female. Inasmuch as some Holstein breeders are under the impression that Juliette is just a show cow, may we point out that on two time milking she has a record of 21,002 lbs. milk and 931 lbs. fat. Joe Trimble of Trafalgar Township hit the headlines in the four year old milking class with Lily Belle Pabst placing second in a strong class.

Spruceleigh Annabelle, a veteran winner on numerous occasions at Halton County Shows, was in fifth for Ross Segsworth in the aged milking class. Another highlight for the Segsworth herd was the win by Spruceleigh Chieftain Dorothea for Rosafe farms in the milking 2 year old. It will be recalled that this heifer was sold at the 1949 All Canadian Sale for \$1750. The progeny of dam class was another tough one bringing together 39 entries. Here J. M. Fraser's Juliette and Fond Hope took the red ribbon with Ross Segsworth's progeny of Poplar Row Crieftain Maid in second; Joe Trimble's progeny of Pontiac Segis Helena in fourth; and A. G. Hunter ninth. The climax of this great show was the County Herd Class with ten county herds of six animals each, parading the tan bark. The awards were as follows: Peel; Halton; Waterloo; Brant; Wentworth; Wellington; Welland; Grey; Lincoln; Haldimand. Our heartiest congratulations are extended to the eight breeders who upheld the honors so ably for Halton Holstein Breeders.

Entries of J. H. Willmott and Son Dominate Hampshire Show at C. N. E.

The Hampshire flock of J. H. Willmott and Son of Trafalgar Township took most of the first prizes in the strong Hampshire show at the C.N.E. on Friday last. They had the grand championship on their ewe lamb and reserve on their shearling. In the ram classes they also took the reserve championships as well as a clean sweep of all the first prizes in the group classes.

Halton Junior Farmers Make Good Showing in Judging Competitions at C. N. E.

380 Junior Farmers from all sections of central and western Ontario competed in the C.N.E. judging competitions. These are individual competitions with 2 divisions—section 1, open to Junior Farmers under 26 years; and section 2, open to Club Members under 21 years. Some 25 or 30 Junior Farmers from Halton participated in the various competitions and it was interesting to note that 19 of them were successful in being listed among the prize winners.

Howson Ruddell of Georgetown was the first prize winner in swine judging, section 2, and Earl Wilson of Norval and Robt. Broughton of Bronte placed 7th and 8th in the same section.

In beef cattle, David Pelletier of Milton placed 2nd in the senior section while in the junior section, John Willmott of Milton was 7th and Herbert LePier of Milton was 15th.

In sheep judging, John Currie of Georgetown was 2nd and David Lillycrop of Waterdown 8th in the junior section while in section 1 Geo. C. Wilson of Georgetown placed 10th.

A total of 101 competed in the judging of dairy cattle and here in the junior section, Geo. J. Register of Milton was 3rd and Stuart Alexander of Georgetown 7th and John Pickett of Hornby 13th while in the senior section, Robt. W. Crow of Hornby was 13th.

In the senior section of swine judging, Fraser McNabb of Georgetown was 7th and Wm. A. Brain of Norval 11th.

In the judging of fruit and vegetables, Geo. Smith of Oakville, was 15th in the senior section while in the farm machinery competition which, incidentally was a new feature this year, Geo. Clement of Milton was 1st in the junior section with Earl Wilson of Norval 5th and Robt. Broughton of Bronte 8th.

While the young men were busy judging livestock, grain and roots, fruit and vegetables, etc. the young ladies were also engaged in household science judging competitions. Unfortunately details concerning this are not available at the moment, but it will be of interest to our readers to learn that the demonstration team representing Halton was placed in the first prize group.

Plowing Match Develops Rapidly

Plans for the 1950 International Plowing Match are going ahead rapidly, according to a report from the office of the Secretary Manager, J. A. Carroll. This year he expects not only a large entry of Ontario plowmen, but also representation from other provinces, the United States and even from overseas. It is already established the Alberta Plowing Champion, Len Job, will be a competitor in the International and it is expected champions from some other provinces will be on hand as well. There have been enquiries from overseas and, while there has been no definite commitment, it is hoped a team of Brits will compete.

This year's match, being held on Nottawasaga Valley Farms in Tecumseh Township of Simcoe County will be officially opened by Hon. W. E. Harris, Minister of Citizenship and Immigration, Ottawa. The official opening of the International Plowing Match will be at 2:00 p.m., Wednesday, October 11th. This is the first day of International competitions but Tuesday, October 10th will feature the local counties' match for Dufferin, Grey, Ontario, Simcoe and York Counties.

Commenting on this year's Match and on the general attitude on plowing, Mr. Carroll says there seems to be a continually growing interest in good plowing. As evidence, he cites the formation of two new branches of the Ontario Plowmen's Association at Hagersville and Casselman. These from Northern Ontario there have been requests for plowing Demonstrations in the Districts of Temiskaming and Nipissing. Added to this they have requests for plowing coaches for high school boys. Mr. Carroll feels this additional interest along with the drawing card of the greatest Farm Equipment Show in North America and the central location of this year's Match should, with any co-operation from the weatherman, establish new records for attendance.

COMMENDS SCOUTS

"But for the alertness of those Scouts, the boy might easily have bled to death", said the doctor attending Keith Sharman, Whitby, Ont., who severely gashed his foot while swimming. Scouts Bill Burnside and Bill Edwards stopped the bleeding with a tourniquet made from a growing vine, carried the injured boy on a stretcher made from their coats and two saplings. Keith is going to join the Boy Scouts.

At the time of the 1941 census there were 3.32 persons per square mile in Canada. Belgium has more than 700 persons per square mile.

The Allen is basementless, with the floor slab easily adaptable to linoleum or other composition flooring laid directly on a gravel

fill. The heating plant and laundry equipment are in a utility room which replaces the basement.

Plumbing, for the bathroom, and laundry equipment is in the same wall. Location of the fireplace makes the same chimney available for the heating unit.

Storage space is liberally allowed for in the Allen. Wardrobes are provided for in each of the three bedrooms and closets are planned for the front entrance and utility room. A general closet and linen cabinet are in the bedroom hall.

The exterior walls are shown to be of frame with wide siding. But, concrete blocks can be used as a substitute. The roof is covered with asphalt shingles.

The kitchen of the Allen is modern with U-cabinets and equipment arranged in a U-shape. The sink is under the window and the refrigerator and range are completely built into the cabinets.

Dimensions of the Allen are 38 feet by 27 feet with an area of 1,100 square feet and a volume of 13,320 cubic feet.

ERIN Appoint New Clerk And County Nurse

Mrs. Larry McKenzie was appointed Clerk-Treasurer of the village after council considered several applications at their recent meeting.

Miss Louise Brown, C.P.H.N., of Fergus will be the Public Health Nurse with the Wellington County Health Unit, and will visit the local schools and give a generalized Public Health Nursing service in Erin and Eramosa Townships.

Junior Farmers and Junior Institute held their regular joint meeting in the form of a social evening and weiner roast at the home of Mr. and Mrs. Harry Burt, with a large attendance of young people.

A highly respected citizen of Erin Township, in the person of William Graham, passed away early Thursday morning at his late residence. Funeral service was held on Tuesday, August 22nd at the "Chapel of Chimes" Vancouver, B. C. for Bessie Hamilton, beloved wife of the late James Gillott, who passed away after a long illness on August 19th in her 84th year.—Advocate.
