Quite a successful Hallowe'en masquerade and euchre was held in the Hall on Friday evening sponsored by the Women's Association. A goodly number appeared in costume, among prize winners being Garry and Trudy Scott as boxers, Tommy Sutton as a witch, Billie Sanford as an Indian, John Brown as a tramp, Ruth Brown as a majorette.

Bowling as I see it from behind the Foul Line.

Bowling as I see it from behind the Foul Line. P. L. R. gang were all out on Wednesday night. Play was fast and keen. Some of the under dogs are beginning to show life, and are gradually creeping up on the higher standings. Scores at present are as follows:

Oriones (Gord Fletcher, Capt.) 38 Commachies (Jim Sproat, Capt.) 38 Bears (B. Coulson, Capt.) 34 Dazzlers (M. Raspberry, Capt.) 30 Trundlers (I. Claridge, Capt.) 30 Playmores (Jack Peddie, Capt.) 27 Greyhounds (W. Coates, Capt.) 27 Rickshaws (Harry Smith, Capt.) 21 Peevees (M. McCallum, Capt.) 18 Ramblers (J. Binco, Capt.) 14 Happy Gang (R. Ptomely, Capt.) 13 Boxers (D. Evans, Capt.) 9

The afternoon league had two players missing on Tuesday afternoon. No outstanding scores were made, and play was pretty even all through. Kay Claridge made the high single for the afternoon with 241 points. League standing: Giants 26 Bruins 24 Tigers 21 Dodgers 13

The commercial league was very well represented with only an odd member missing. Some very nice scores were registered, especially between Model Knit and the Florists. The Model Knit nosed out the Florists in the last game by one pin. League standing: Model Knit 45 Millionaires 34 Florists 31 Knitters 25 Brickers 22 Misfits 21 Butchers 9 Outlaws 4

The Milton Rural League seems to be having quite a time to get properly organized, but is shaping up fairly well. Six teams are now lined up, with two more to come. Hayward Transport had its team in full out on Monday night, and did some good bowling even for first nighters, some of them. There is room for one more team. Any outlying community interested should line up, as this is going to be one of the outstanding leagues this year.

It had to happen eventually. Somebody has noticed what the groom was wearing. This gem is from a Peace River district newspaper: "He was attractively attired in a three-piece suit of brown woven pants. The coat was charmingly festooned with a white flower in the left button-hole. The vest was sleeve-less, closed in the front and gracefully fashioned with pockets. It was held together at the back with a strap and metallic buckle. His pants were neatly pressed for the occasion. . . . Hose and necktie added just the right dash of color to complement the jaunty effect of his ensemble. Shoes of genuine leather, laced with strings of matching color, gave his footgear a decidedly neat appearance."

Between 4 and 8 per cent. of the population is left handed. FRUSTRATING A very small boy arrived home dejectedly from his first day at school. "I'm not going tomorrow," he announced. "And why not?" challenged his mother. "Well," he replied, "I can't read. I can't write and they won't let me talk—so what's the use?"

LAWN BOWLING NEWS

P.L.B.A. Annual Meeting Milton was represented at the annual meeting in Toronto of the Provincial Lawn Bowling Association by the local club's president, Bob Burne, on Saturday last. It was surprising how few clubs were represented in view of the importance of this Association.

We were very impressed by the efficient way the business was handled by the officers and by the amount and quality of the work done by the various committees. Particularly gratifying is the work done by the Veterans' Hospital Committee. They spend considerable time with the patients of Sunnyside Hospital in Toronto teaching and encouraging veterans to bowl, arranging competitions and transporting them to outside tournaments. In addition, the committee has provided them with bowls, bowling shoes, a power mower and funds for improving their green.

The money for the work with the veterans comes from the clubs in the P.L.B.A. All clubs were asked to hold a "Spider" at each open tournament and to pass around the hat for contributions. \$1254.32 was contributed in that way in 1950 to that very worthy cause. There was much talk about the sloppy dress of some men in tournaments. The official dress is white flannels, white shirt with a tie of club colors, white hat and brown shoes. Someone suggested that even though some were pot hunting, they need not wear hunting clothes.

Obviously, many clubs are not as fortunate as we are in the matter of publicity. Many complained of the lack of reporters at bowling events. It was pointed out, by an executive of a newspaper, that if someone in the bowling clubs would play ball with the editors and supply them with the news prior to the deadline, he was sure every paper would be glad to print the bowling news. There are plans underway to form a Ladies' Division of the Association. The names of lady members would be published in the annual on payment of a small fee of say, ten cents per member.

There were several suggestions made on the subject of encouraging new bowlers. Some clubs reported that they set special evenings for beginners with expert instruction provided. This procedure will be followed in Milton next spring when we hope there will be many new members. Winter Activities The ladies of the Club have already held two bridge games among their members. Mrs. Frank McNiven held the first one at her home and Mrs. Bob Burne held the second. Mrs. Berry and Mrs. Sinclair, respectively, were the prize winners. The next game will be at the home of Mrs. Berry. We are hoping to hold a bridge and euchre in the near future to help raise funds for improvement of the green. Due notice of this will be published in this paper.

Milton High School News

By Seymour English

We have a problem, kiddies. It is one which occurs at least once a month and sometimes even more often. To put it in a nutshell, as the saying goes, there is no newsworthy thing, as you may realize, is a catastrophe for a columnist who must write his little bit every week, come mud or high water. A definition of mud, by the way, is: a gooey brown substance, composed of terra which is no longer firma, liberally mixed with water and found primarily on the streets of the county town. (We just threw that in to fill up space, now back to our problem.) Those who are familiar with the writings of Jim Coleman will know that whenever he has nothing of importance to report, he makes use of his thought-recording machine. Unfortunately we do not possess one of these (though Gordie has promised to build one as soon as he has a spare in the lab), so we must struggle on with our own native (hal hal) wit.

All of which brings us to a comment on the column. (Anything to fill in space.) As you notice, it is dressed up a little and has changed its name from "Hi Times" to "Milton High School News." As well as that, we notice a young lad prancing around waving a megaphone. Presumably this chap represents the character who writes this every week. We suspect the megaphone is a sly dig on the part of the editor concerning our propensity for filling the column with hot air. (This week's effort promises to be a prime example.)

While scouting around for news, we asked Stu Alexander if anything of importance had happened at the last Students' Council meeting. His only comment was "The dullest meeting I ever attended." We did dig some pre-Commencement information out of Mr. Woods. This year's valedictorian will be Joan Goodchild. We wonder if "Goodie" is as nervous as is the Student Council president, who has to give the welcoming address. We understand that he has contemplated suicide as the only honorable way out. Then the vice-president would have to make the speech. We wonder if John would like that.

With Commencement less than 2 weeks away, an aura of feverish, almost despairing, preparation prevails. Actors and actresses mumble their lines while trying to concentrate on French; stage managers absent-mindedly sketch settings during Geometry periods; dancers prouette from class to class; and the Glee Club sings the National Anthem with a fanatical fervour every morning.

During the rugby season, several girls and other uninitiated persons have asked us for definitions for terms used in the game. To fill up this column we shall print a few. Huddle: What you do in your overcoat by the end of the first half on a chilly day. Snap: What the other players' bones do when Jacky Roberts tackles them. Inside: Where you wish you were when it starts to rain. Flying wing: A type of flying saucer. Quarterback: Your change from a five dollar bill when you buy two tickets for the game.

S.S. NO. 7 NASSAGAWEYA Auction Articles At Hallowe'en Party

A very enjoyable evening took place in Nassagaweya Presbyterian Church on Hallowe'en night. Progressive crokinole was played with prizes going to Miss Donna McMillan for ladies high and Mr. Elmer Cox for men's high and low prizes to Misses M. Dunkie and Shirley Drege. A number of articles wrapped in Hallowe'en colors were auctioned off. Print goods, candy and home baking were sold, which realized a nice sum of money for the Ladies' Aid Treasury.

The Farm Forum met on Monday night at the home of Mr. and Mrs. P. McLean, and listened to one of the most interesting broadcasts we have heard for some time with discussion on "Who Should Pay for Soil Conservation." Mrs. McLean served lunch that was enjoyed by the fifteen members present. Mr. Pringle moved a vote of thanks to the host and hostess for their kind hospitality. The Forum is to meet next week with Mr. and Mrs. O. Locker. A number from the district attended Anniversary Services at Ebenezer Church last Sunday. The snow storm over the week-end was a gentle reminder winter is around the corner.

KILBRIDE Shower In Hall For Young Newlyweds

There was a miscellaneous shower held in the Community Hall last Friday evening in honour of Mr. and Mrs. Geo. Coverdale. (newlyweds). Many useful and lovely gifts were received by the young couple. Miller's Orchestra provided music for dancing with Hugh Harris as floor manager.

The bazaar held under the auspices of the Women's Association of the United Church was a decided success. The program consisted of piano duets by Mrs. Geo. Coulson and Mrs. Vernon McArthur of Lowville and vocal solos by Mrs. McGee of Milton accompanied by Mrs. Foster. The guest speaker was Mrs. McKenzie who gave a splendid talk on Thanksgiving. Ladies were present from Lowville, Campbellville, Carlisle, Millgrove and Milton.

The Kilbride Farm Forum was held at the home of Mr. and Mrs. R. Tinkler on Monday evening. The discussion was on "Conservation". Progressive euchre was played. The prize winners were, Mrs. Eric McArthur and Bob Sault; Miss Greta MacNaughton and Walter Wilson. A number of ladies, members of Westminster Chapter, 176, Order of Eastern Star journeyed by bus to the home of Mr. and Mrs. J. Hollingsworth, Kilbride. A very enjoyable time was spent by all. Cards were played with winners, Mrs. Roscoe, Mrs. Bullard and Mrs. Harry Hollingsworth. After cards, ice cream and cookies were served by Mrs. McDonald of Kilbride. A hearty vote of thanks was extended to Mr. and Mrs. Hollingsworth for the invitation.

Whitaker and John and Janette of Pt. Dalhousie visited at the home of Mr. and Mrs. Eric McArthur on Sunday. Mr. and Mrs. Jas. Molto and children from Toronto spent the week-end with Mr. and Mrs. Matt. Howard.

OMAGH Good Times Euchre Parties Are Begun

The "Good Times" euchre parties got under way for the winter season in S. S. No. 7 on Friday evening. These parties are held by the ratepayers and their families. Prize winners, gents, Ken Prewest, L. May; Ladies, Mrs. Percy Merry. A lunch was served by the ladies. A number of ladies attended the afternoon tea and bazaar of the "Willing Workers" in Palermo Hall on Wednesday afternoon. Rev. Gallagher, who has recently returned from Korea, gave a most interesting talk on conditions in that country.

Mr. and Mrs. J. Lannanette of Toronto were recent visitors with Mr. and Mrs. Robt. Brownridge and their friends around the village. We are very sorry to report that Mr. John Perry is seriously ill at his home. The Bethel W.A. and W.M.S. held their November meeting at the home of Mrs. W. Ford last week. Mrs. E. Ball was convener of the devotionals. Arrangements were made for a bazaar later this month. Mrs. Atkinson of Streetsville is to be guest speaker. Mrs. Cordyng gave an interesting account of her vacation trip to California. At the close of the meeting the hostess, assisted by Mrs. Robt. Ford, served lunch.

Mr. and Mrs. Clarence Ford entertained the members of Omagh farm forum on Monday evening. About 32 persons were present to take part in the discussion on "who should pay for soil conservation." A lovely lunch was served by the hostess and ladies. We learn with regret that little Karen Reid of Weston aged three was killed in a traffic accident last Friday. Karen was a granddaughter of Mr. and Mrs. Tom Reid, former residents of this district, and a grand niece of Mrs. E. Baldock. Sympathy is extended to them in their bereavement. Mr. and Mrs. Howard Lawrence of Woodrow, Sask. are visiting his brother Mr. Nelson Lawrence and other relatives in this district. Congratulations to Mr. and Mrs. John Bradley on the arrival of a baby daughter.

ADVICE ACCEPTED "Two cents of bicarbonate of soda for indigestion at this time of night," cried the infuriated drug-gist, who had been aroused at 2 a.m., "when a glass of hot water would have done just as well!" "Weel, weel," returned McDougal "I thank ye for the advice, and I'll no bother ye after all. Good night!" No man ever becomes a Communist until he has given up all hope of ever becoming a Capitalist.
