

# Dundas Game Is Co-Ops Fourth Straight Win, 13-2

Monday night the Milton Co-ops journeyed to Dundas and came home with their fourth straight win in league competition as they coasted to a 13-2 victory. Fox, Marzo and Grenke each fired three goals to boost their respective records.

The first period proved exciting and the battle was fairly even as Dundas scored at the half way mark only to have the Co-ops tie it up 52 seconds before the bell. The Dundas boys fell apart at the seams as Milton sank 7 counters behind Miljure without having a reply from Dundas.

Five more in the third period completed the rout, though Dundas managed to place one behind Leaver, who had a quiet evening. Milton: Leaver, Binsell, Bayliss, Fox, Melanson, Linton, Huntley, Marshall, Grenke, J. Kentner, F. Kentner, Hipel, Raine, Marzo. Dundas: Miljure, Crawford.

# Milton 6, Kings 1 In Exhibition Game

Last Friday's exhibition game between Grimsby Peach Kings and Milton Co-ops produced some of the poorest and some of the best hockey we've seen. Milton lacked a few familiar faces with Fox, Currie, Uniak and Evans missing.

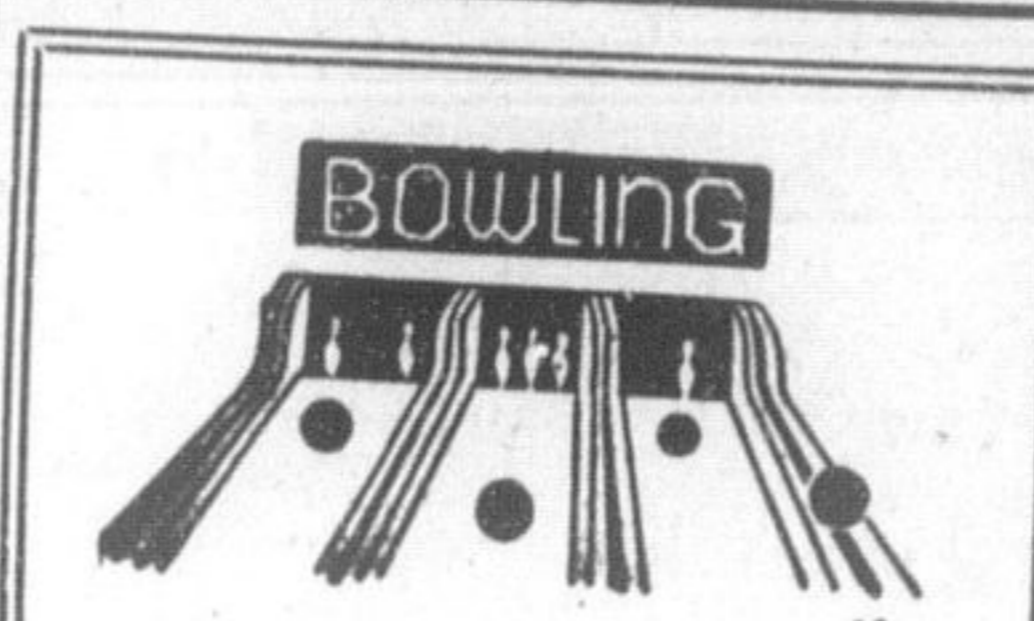

As a result, the Milton boys were outclassed by the Peach Kings in the first frame who went into the lead when Collins scored on a shot from the blue line. Leaver in the Co-op's net was lucky on a few and brought off many nice saves. Grimsby clearly out-played the Milton boys and were decidedly unlucky not to have scored several goals.

The second period commenced with more rugged hockey and several fans thought of heading home when the Co-ops suddenly came alive and we saw some real fast, clean, exciting hockey. How the boys can play when they take it into their heads! Hockey of this calibre every game will pack the arena. Let's have more of it.

Grimsby at this stage were every bit as good as Milton and McMillan and Leaver had their work cut out for them. At 15:20 Grenke let F. Kenter through and he placed the puck in the twine to knot the count.

The boys cooled out during the interval and play at the beginning of the third period was sloppy and uninteresting. Marzo put the Co-ops in the lead at 4:10 when he took a pass from Hipel.

Play livened and roughened up with several men visiting the time-keepers. Then the Peach Kings wilted as Melanson, Romanuk, J. Kentner and Marzo scored to make the final score Milton 6, Grimsby 1. The game was capably handled by Dave Brush and Stan Houston. One thing we would like to see even at exhibition games is an official scorer and time keeper. We were unable to get confirmation of goal scorers, penalties and line-ups.

## BOWLING

### MILTON BOWLING LANES RESULTS

The Commercial League was short a few players last night on account of the Christmas rush. Most of the stores were open and some of the boys had to work. Some very good bowling was done and competition was very keen as the first half of the series will finish next week. League standing is as follows: Model Knit 76; Millionaires 59; Misfits 49; Florists 49; Brickers 37; Knitters 31; Outlaws 28; Butchers 17.

P. L. R. men's league was well represented last Wednesday night with only the odd player missing. It will be noticed that there are 6 teams aspiring for second place, which constitutes a very well balanced league. The play this week will be very keen and a lot of kidding no doubt will be handed-out during the play. League standing as follows: Jim Sprout 66; H. Smith 55; G. Fletcher 54; M. Raspberry 54; H. Coulson 52; W. Coates 48; I. Claridge 46; M. McConnell 40; J. Peddie 37; R. H. Poley 34; D. Evans 30; J. Blinco 30.

P. L. R. girls were short a few players on Thursday night but a good battle was staged. Some close games made some changes in the standing as the first 5 teams are running a very close finish for the first half of the schedule. Results as follows: I. Randell 57; Marion Riddle 56; Marie Wheeler 56; Dot Corp 55; Glenna Coulson 50; C. Beasley 33; Donna Love 31; Helen Tufford 26. High single for night, Polly Cannon 265.

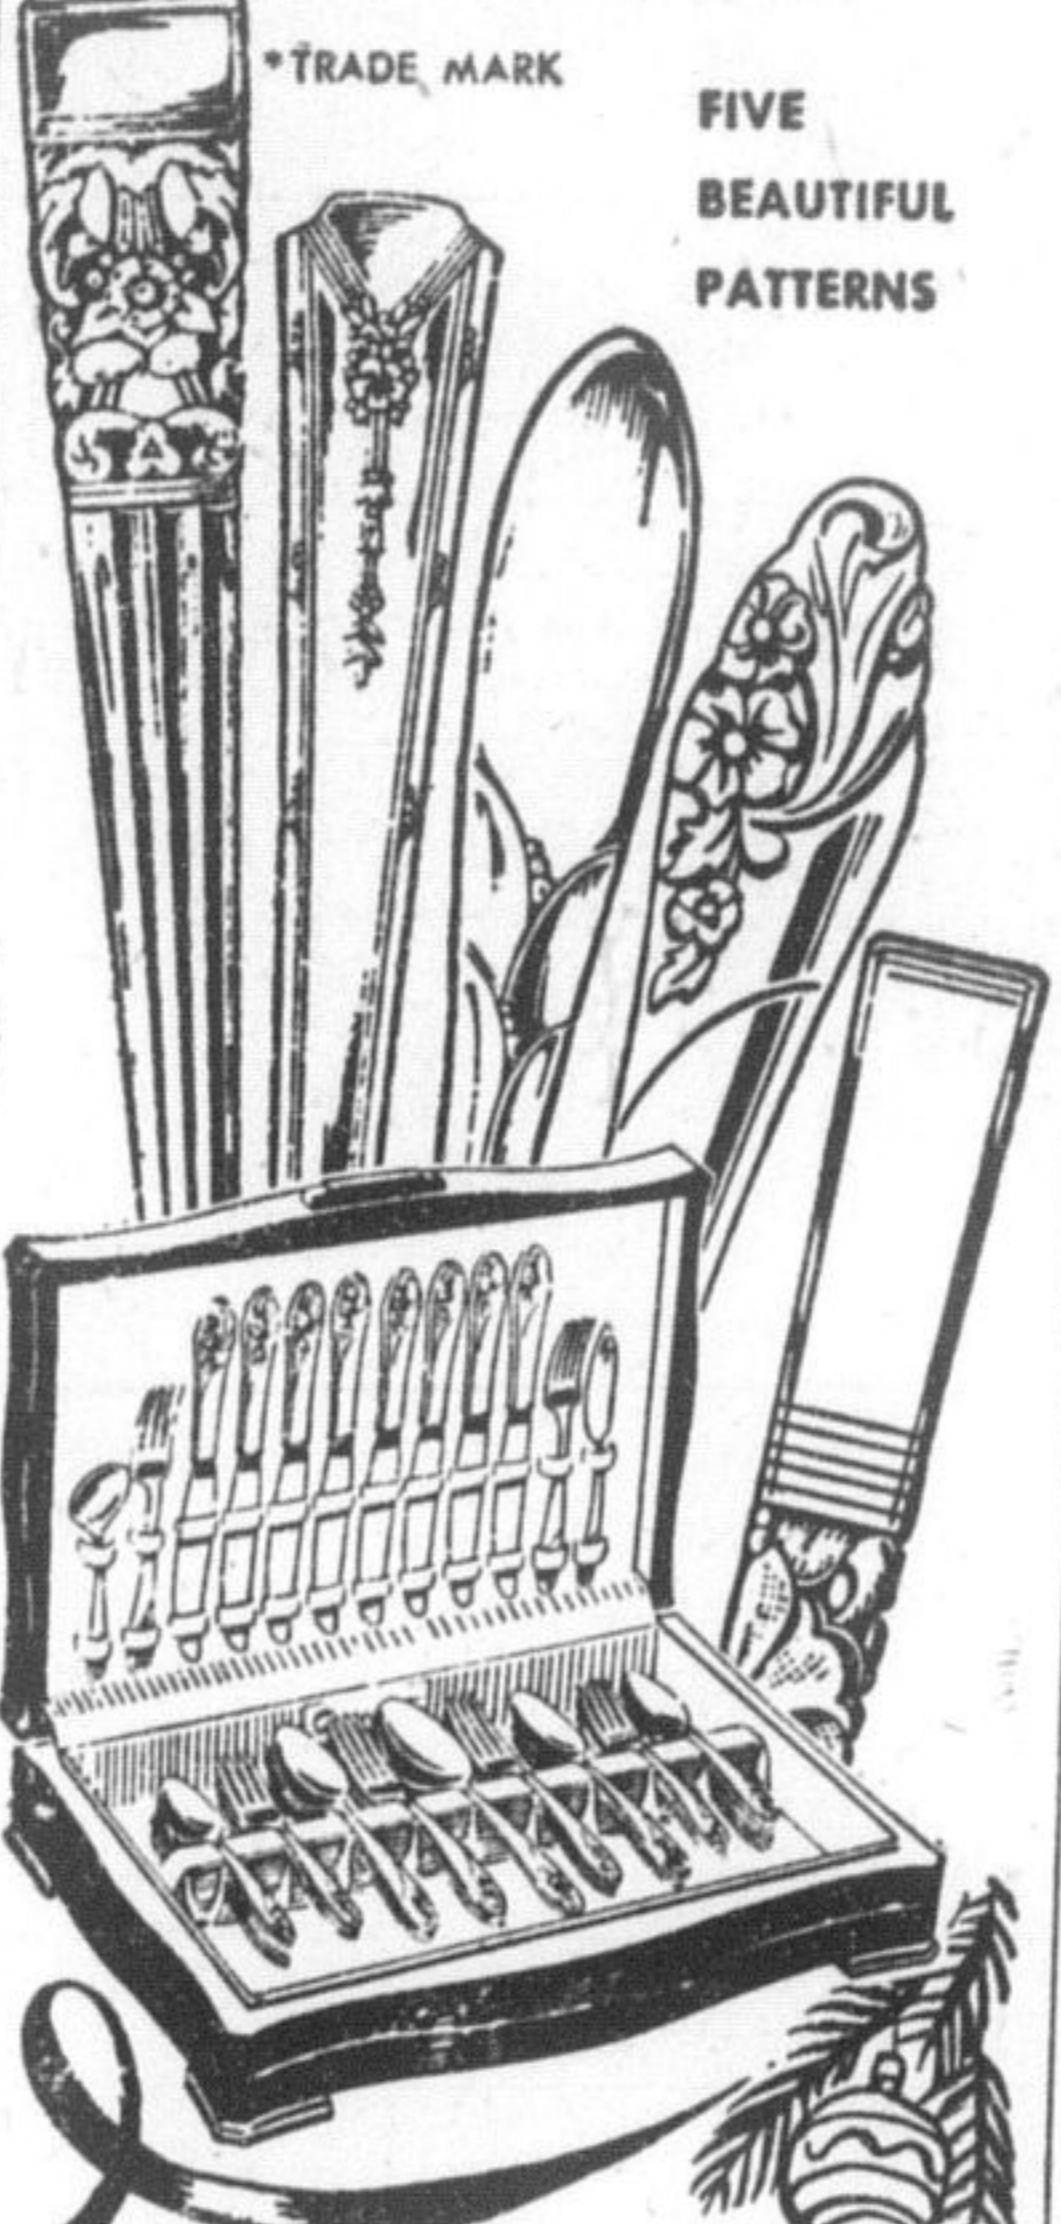

Anything can happen with the Lowville league as the standing is very close. A full league was on hand. Play was very good and keenly contested. Friday night should see a very close finish for the first half and no doubt some changes will be made. Standing: Haymakers 40; Go-getters 38; Hit 'N' Miss 35; Try-harders 29.

The Afternoon League was somewhat disrupted Tuesday afternoon on account of the school concert. About half the players were on hand but some good bowling was done. League standing: Giants 55; Bruins 42; Tigers 36; Dodgers 21. High single, Mary Kingdon 263.

The 50-50 league was short a few players on Friday night due to different reasons but a good time was had and some very good scores chalked up. Standing: Ozarks 51; Outlaws 48; Screwballs 47; Cut-ups 36. Ladies' high single, Norma Brown 216. Men's high single, Al Henry 261.

The Milton Rural League are sure getting going now with a full aggregation on hand. Some fine bowling was accomplished. This league is really getting hot and we will see some good results before a great while. Quite a few of the players had never bowled before but are learning fast. Results as follows: Halton County 16; W. Hayward 13; the Wendovers 11; Hayward Transport 2. Men's high single, 273 for Dave Wendover.
