

LOCAL NEWS

Items for this column may be phoned to 220 or sent to the Canadian Champion Office in Milton.

—The grader has been improving the condition of local streets.

—Fowl in the butcher shop windows is another mark of the approaching festive season.

—If you still have last minute shopping to do, remember Christmas isn't a list—it's people.

—Classes at the night school have closed for the Christmas season and will reopen on Tuesday, January 9.

—Again this year trees on private property and in government reforestation areas have been wantonly cut down.

—The local fire brigade answered a call on Saturday afternoon for a chimney fire at the Armouries. The damage was not serious.

—This is the time of the month we are overwhelmed with the realization that our resolution to do all our Christmas shopping early has not been kept.

—Nearly all the stores in Milton have been greeting the Christmas season with an abundance of decorations which make quite an attractive business section.

—It is reported that the mail in Milton this year is the heaviest ever. Christmas cards and packages are being delivered as quickly as the regular and extra staff can handle them.

—This year the winter solstice occurs at exactly 5:14 a.m. on December 22. Friday will be the shortest day and the longest night, but to-day (Thursday) is taken to be the first day of winter.

—Garbage containers on Main St. could be used to advantage by those who dispose of wrappers and paper on the street. By depositing the paper in the containers it makes Milton a lot neater and more attractive.

—Hunting second to the last minute gifts? How about a subscription to this paper?

—How could the "Old Lady Who Lived in a Shoe" be missed? But she was... last week's account of the Santa Claus parade completely omitted the first float in the parade. The Old Lady was brought to Milton through the auspices of the Milton Milling Co.

—The Halton County Police Association met in Burlington last week when the following officers were elected: president, Chief Fred Oliver; secretary-treasurer, Sergt. Len Brown, Oakville; Doug Hitchcock and Harvey Hunt were named entertainment committee.

—The "Hard Times" dance sponsored by the Bronte Community Club, which was held in the Community Hall, was a fine success. The music was supplied by the Circle A Ramblers and the proceeds were in aid of the Community Club's Children's Christmas party.

—Christmas necessitates early deadlines for next week's paper. Ads should be in to the Champion office by Saturday noon to ensure publication while news copy will still be on time on Tuesday or Wednesday morning. If it is possible to hand items in earlier this week, it would be much appreciated.

—Nelson Township Council has instructed Messrs. Gore and Storie of Toronto to prepare plans for sewage disposal plants for Nelson, following the receipt of a letter from the Department of Highways complaining that sewage was seeping out onto the highway from the Brant Park Apartment area near Indian Point.

Milton High School News

Congratulations are in order for the Student's Council for obtaining the Christmas cards this year. Five hundred cards were sold and more could have been if they had been available.

We extend our (and the school's) sympathy to Miss Carson who was in the hospital recently. During her convalescence, the task of marking exam papers, which Mr. Roos thoughtfully sent her, kept her occupied.

Ken Syer had the misfortune to break his arm last week. But every cloud has its silver lining. Because it was his right arm, he was spared the agony of writing most of the exams.

Names have been drawn in most of the forms in anticipation of the Student Council's Christmas party which we understand will be held on the last afternoon. Everybody hopes that despite the short time after the exams which can be used for preparation, that it will be well organized and result in a first class shindig.

The Christmas party will be a new experiment in Milton High, though it is an annual event in many similar secondary schools.

Until last Wednesday, we held the firm belief that kangaroos were native to Australia. This naive opinion was momentarily shaken, when an incredulous second former reported having seen one in Grade Eleven. Upon investigation, however, the "kangaroo" was exposed as Ted Bounsall, who was hopping around with his feet tied together.

Grade Twelve has become jealous of the recent publicity which has been bestowed on the erring members of Grade Eleven. To gain attention, they intend to take drastic action. One intrepid lad has even hinted that he will bring "The Thing" to school and let it loose!

ASH Road Improvement To Be Investigated

Mr. E. Ford, deputy-reeve of Trafalgar; Mr. G. Thorpe, reeve and Mr. Palmer, deputy-reeve of Nelson township, were present at a meeting Monday night at Ash School regarding the town line road improvements. As a result of the meeting, Mr. Ford is to see if there can be temporary improvements made. A committee was appointed to meet with the council after the new year regarding permanent improvements.

Miss Linda Pelletterio took part in the Nativity Play presented by St. Luke's Church, Palermo. Directed by Mr. Fairbrother, it was beautifully presented and enjoyed by all who attended.

Mr. Alf Husband, formerly of Ash, visited with friends and renewed old acquaintances.

The Zimmerman Farm Forum met at the home of Mr. and Mrs. James Vansickle on Monday, December 11th. At this meeting a committee was appointed to see that improvements be made to the town line road between Nelson and Trafalgar north of the Dundas highway.

This being a county road, the committee has asked the reeves and deputy-reeves of Nelson and Trafalgar townships to be present at a meeting in Ash school house. All interested in having this road condition improved are welcome to attend the meeting.

The executive of the farm forum is Mr. Fax Ball, president; Mr. Frank Rogister, vice-president; Mr. M. Campbell, secretary; Mr. Elgin Patterson, Mr. Wm. McFadden and George Pelletterio.
