## Co-Ops Win First Game of Semi-Final Play-Offs

The Milton Co-ops are one very important game up in their semi-final play-offs by virtue of a 2-1 over Oakville.

Before a crowd of more than 100 rabid fans the home club triumphed through a well earned victory in a typical play-off game. The standouts of the game were the rival goalies, Legear and Gans who both played superbly. Legear had by far the most work to do, especially in the third period when Milton really turned the pressure.

Coach Russ Bowman, handling the Co-ops for the first time in a regular game, tried out many combinations and had the boys working at all times. Red Linton, playing as the fourth forward on several plays, came through with a stellar performance and we'll not be surprised if Red finally comes to his own. Some extra coaching help to solve the defence problems as on a few occasions the boys were out of position. However, we will leave that question in the able hands of Russ.

For a play-off game it was hotly fought and the penalties were brought about more by an excess of zeal than for any intentional roughness.

Davidson, Lawrence and Beggs were the pick of the Oakville team with Simmons and Milne up from

Juvenile for this game, turning in excellent performances.

Our man Cruickshanks, who was wanted by Georgetown, was the pay-off man as he garnered both Milton goals. This lad is a smoothie of the old school, playing a similar type of game as Earl Fox and it is a pleasure to watch him in action. His second goal was a beauty and Legear never had a chance.

By playing as well on Thursday in Oakville, we shall expect the boys to be two games up and if all goes well, Saturday's game here might be the pay-off. We can always hope and we know the boys can do it.

See you in Oakville Thursday, Oakville—Legear, McNally, Watson, Galbraith, Lawrence, Davison, Simmons, Currie, Milne, Pollock, Beggs.

Milton—Evans, Binsell, Bayliss, Fox, Melanson, Grenke, Heipel, Linton, Marzo, Cruickshanks, Raine, Kentner, Huntley, Uniacke.

### SUMMARY

First Period  
M: Cruickshanks (Kentner) 10:28  
O: Beggs ..... 17:54  
Penalties: Huntley (2), Galbraith, Watson.

Second Period  
No score.  
Penalties: Galbraith (2), Simmons, Uniacke, McNally (2), Grenke.

Third Period  
M: Cruickshanks (Uniacke) ..... 10:30  
Penalties: Pollock, Kentner, Grenke, Galbraith, Uniacke.

From 1939 to 1949 Canada's net federal public debt per capita increased from \$279.90 to \$869.41.

## Busy Year Reported By IODE Executive; Mrs. G. E. Goodchild Elected Regent

Annual meetings in the John Milton Chapter, I.O.D.E. have for some years now, taken on a happy social complex when the members gather for Pot-luck Supper with the more sober business session following. For these occasions too, the home of Mrs. Gordon MacNab has most hospitably been opened so that reports and elections results emerge in a most pleasant and genial atmosphere.

The 39th annual meeting therefore, followed the same pattern on Friday evening, Feb. 23rd. Attendance, somewhat curtailed by the "flu", was twenty-four members who gathered for the excellent supper of their own providing and the review of the business of the past year.

The secretary's and treasurer's report both reflected a busy and satisfactory year. Accomplishments had been considerable. There had been a growth of twelve in membership and an average attendance of thirty-four at regular meetings. Judging from the many suggestions for future program material, from the members gathered around the supper table, there are resources and enthusiasm in plenty with which to launch another busy year.

A pleasant interlude, preceding the business session, was a vocal solo by Katharine Holmes and piano solos by Janet Elliott. A vote of sincere appreciation of Mrs. G. F. Thompson's leadership, as retiring Regent, and to the officers serving with her, was tendered and endorsed by the gathering. Mrs. MacNab and the refreshment convener, Mrs. Morley, were also warmly thanked for the pleasant arrangements of the evening.

The slate of officers elected for the coming year is as follows: Regent, Mrs. G. E. Goodchild; 1st vice regent, Mrs. F. Thompson; 2nd vice regent, Mrs. F. McNiven; secretary, Mrs. C. A. Wood; treasurer, Mrs. R. Stewart; standard bearer, Mrs. G. MacNab; Echoes secretary, Mrs. W. Scott; educational secretary, Mrs. F. Bell; empire study, Miss M. Hume; councillors, Mesdames G. Dawson, J. P. Book, L. L. Skuce, E. E. Yates, P. W. Cooke, C. Turner, C. Laundon, M. E. Gowland, E. Harrop, M. E. Nixon.

**ANNUAL REPORT 1950-51**  
John Milton Chapter I.O.D.E.  
It is my pleasure to submit the thirty-ninth Annual Report of the John Milton Chapter, Imperial Order Daughters of the Empire. This has been a year of advancement in our work and our membership.

During the year 10 regular meetings, with an average attendance of 34 and 3 executive meetings were held and 12 new members signed the roll.

The program convener, Mrs. M. E. Nixon and her committee planned very interesting meetings and we were privileged to hear several outstanding speakers, four of our members participating in making the program of interest.

Miss Lakshmi Rao, M.A. from Bombay, India, who was at the time studying at the University of Toronto, spoke on the women of India through the ages from before the 10th century until the present time. Mrs. Emerson Ford gave a very vivid and interesting account of the life of Mrs. Black of the Yukon. Mrs. Harold Magee prepared a very excellent paper on music in the schools and had contacted Mr. G. Roy Fenwick for first-hand information on this timely subject.

In May, Mrs. Palmer, a graduate of Toronto University and at the time chief physiotherapist at the Sick Children's Hospital at Thistle-town, chose as her subject "Physiotherapy" and illustrated her talk with slides and photographs. In June, Edna Jacques entertained everyone with her keen witticisms and delightful poems and autographed her books of poems for the many members and guests present.

Mrs. L. L. Skuce spoke on the very important subject "Education" and because of Mrs. Skuce's great wealth of information on this subject, all listened attentively to a very inspiring talk. In October, Mr. and Mrs. Lloyd Jackson from London were present and entertained informally by showing colored slides of the many places they had visited while on an extended trip through the southern states and Alaska and briefly describing the many places of interest.

In November, Miss Doris Love or as she is known in business circles, Betty Moore, interior decorator for Benjamin Moore and Co. gave us some interesting insights on home decorating, illustrating her talk by showing many color combinations with wallpaper, paint, drapes and accessories.

In December, Mrs. E. W. Foster and Mrs. Wm. Dales entertained with Christmas readings and poems all in holiday mood and indeed a fitting climax for the Christmas meeting. Miltonians were very much interested in hearing Miss Mina Hume's account of the history of Milton given at the January meeting.

Not only did we appreciate our speakers but we are grateful to the following who favored us with

musical selections which added greatly to the enjoyment of each meeting: Misses Eileen Duffy, Heather Hayward, Carol Tufford, Norreen Anderson, Faye Clements, Anne Pickett, Mesdames G. Newell, Harold Magee, S. Lockie, H. Gorter and F. Hayward.

On February 13, 1950, the Imperial Order Daughters of the Empire throughout Canada celebrated their Golden Jubilee and to commemorate the founding of the Order, members of the John Milton Chapter attended divine service at Grace Anglican Church on the previous Sunday. The two neighboring Chapters from Acton were present at this service of worship. In November, on Remembrance Day, members were present at the memorial service and a beautiful basket of flowers was placed at the cenotaph in memory of the men and women who had paid the supreme sacrifice in two World Wars.

We were also guests of the St. Paul's United Church Men's Club at their ladies' night when Col. E. A. Baker was the speaker; of the Home and School Association at their annual Empire Day program in the theatre; at Clebrook cottage when the Mountain Union Women's Institute entertained us; at the Garden Club picnic in June; at the Rotary Club dinner when three members of the executive were entertained and had the privilege of hearing George Hurd, a high school student who had been sent as a delegate by the Rotary Club in Buffalo to attend the United Nations Conference during the past summer; at the Milton High School when we were invited to attend Open Night and lastly a Representative was present at the Girl Guides' Mother and Daughter banquet at the Town Hall.

Through the efforts of the Educational Secretary, Mrs. C. A. Wood, magazine subscriptions were again sent to the adopted school at Bigwood and at Christmas gift boxes for each student were forwarded. Prizes to successful students in the graduating class of the Milton Public School were presented in June for General Proficiency, English Essay, Class Progress, Home Economics and Manual Training. Calendars were again placed in the rooms of the Milton Public School, Library, High School and adopted school.

Echoes secretary Mrs. Scott reported that all members received copies of Echoes magazine and subscriptions for this worthy magazine were donated to the doctors and dentists in Milton for use in their waiting rooms.

During the past year the Ways and Means Committee, under the convener Mrs. F. McNiven, was active and a new innovation was the sponsoring of a very successful Hobby Show held in September in the Town Hall. Miss Nelly Whitley from Hamilton was present for the afternoon session and demonstrated flower arrangements. Two membership card parties were also held, one in the Legion Rooms in February and one in December at the home of Mr. and Mrs. C. R. Turner. The proceeds from the second party were used for the Queen Mary Carpet Fund.

The Post War Convener, Miss Moffat, was responsible for sending quantities of knitted articles for overseas relief.

Mrs. M. E. Gowland, Welfare and Hospital Convener and her committee distributed articles of clothing and comfort to needy folk and during the summer, a quilt was made and sent through the Red Cross channels for the Winnipeg Relief.

Several of the ex-service veterans were again remembered at Christmas time and baskets of fruit and other treats were sent to them. A very successful house to house canvass was conducted for the Canadian National Institute for the Blind and a goodly sum realized for this worthy cause.

Members of the Chapter, as in other years, gave assistance to the Halton County Health Unit each month.

Mrs. J. P. Book as convener of the Flower Committee, fulfilled her duties faithfully by remembering the sick and bereaved and at Christmas the shut-ins were remembered with cards and flowers.

Cash donations were made to the Halton Musical Festival Association, the Navy League, the Canadian National Institute for the Blind, the Milton Girl Guides, the Manitoba Relief Fund and the McCullough Memorial Fund.

During the past year the Chapter suffered the loss of two of their members in the passing of Mrs. W. J. McCleanahan, Honorary Regent, and Mrs. R. M. Fasken, a past Regent, both of whom were always keenly interested in the welfare of the Chapter.

Hamilton, London and Montreal were the scenes of the semi-annual and annual conventions and representatives from the Chapter were present and inspiring reports brought back. Mrs. L. L. Skuce was complimented on having been

elected 3rd Vice Regent in the Provincial Chapter.

We are indebted to our Regent, Mrs. Frank Thompson, for her splendid guidance and leadership during the past year; to Mr. C. Dobie for so kindly auditing our books and to all who opened their homes for the use of the Chapter or assisted in any way to make the year a successful one, we are deeply grateful.

And now as we end the year's work and make plans for the future let each one of us resolve to do our part to forward every good work for the betterment of our country, to co-operate in all things and at all times uphold our ideals and keep our Order active.

Mary Goodchild, Secretary.  
Kathleen Thompson, Regent.

## Much Praise Given Late Jack Miner

The late Jack Miner, Canadian Naturalist, practiced what he preached. He was not a Government Employee nor did he receive a salary from any outdoor organization, but for forty years he gave lectures to finance his work at his Canadian Bird Sanctuary. At the time of his death the Jack Miner Foundation took full charge of all operations and makes financial appeals twice a year to raise money to carry on this Conservation work started by him.

Honorable T. A. Crerar, the beloved Canadian Senator, in speaking of him said, "I doubt if there is in any field of work in Canada any one who has given more or rendered a greater national service to North America than Jack Miner." Long before he died his life and work had been recognized in various states and only last month a memorial plaque was unveiled in Michigan in memory and in honour of him.

Honorable Louis P. Cecil, K.C., Cabinet Minister for Ontario, recently said, "Born from a Christian heart of Jack Miner, Canada has a lesson to all mankind and a shrine to God's creatures which is not duplicated any where on earth. It is copied true, all great things are, but Jack Miner's Sanctuary is a model for all."

The Right Honorable Paul Martin, K.C., in paying tribute to the late Jack Miner, said, "Jack Miner has written Canada across the skies and as long as the Canada Goose flies across the Continent it is a living memorial to the late Jack Miner."

At the time of Jack Miner's death several Canadian Parliamentarians visited the home of the late Jack Miner with different plans as a memorial. Even two Provincial Premiers visited the famed place with suggestions but what was unanimously decided upon was to create a National Wild Life Week to be observed during the week of his birthday.

A Bill was introduced in the House of Commons (Canadian Congress) and by a unanimous vote of both the Canadian House of Commons and the Senate, Canadian National Wild Life Week was created as a living memorial to him. Practically every Provincial Premier gave his written approval, including Hon. George Drew, M.P., who at that time was Premier of Ontario and now leader of the Opposition at Ottawa.

Canada's first transcontinental railway was completed in 1885.
