LOCALS ONE UP IN WATERDOWN SERIES FOR PLAYDOWN BERTH

Milton's Intermediate entry came out on top of a narrow 7-4 count in a session with Waterdown on their diamond last night. It was one of those nerve-racking games when a run may win the game. Unfortunately, this kind of game is hard on Coach Nicholson of the Waterdown crew and a protest was threatened before the game was ended in time for the moon to come out. Umpire Bonk says no protest was registered.

Locals opened up with a three run opening frame while the Lakeshore lads returned only one of the runs in their half. Rusk, Gervais and Stover each made the rounds. Stover went for two bags on his hit and Rusk took one while Gervais made first on a fielder's choice.

Melanson added a run for the red caps in the second frame and Heipel was tagged on an attempted steal from third to home.

Things went smoothly until the fifth frame when scoring broke out again. Each team added a solitary counter with Rusk performing local honors and Thompson doing his duty for the Water-

down boys. Both made the first bag on a walk.

With the score at 5-2 the Waterdown nine opened up with a two run volley in the sixth frame that narrowed the count to 5-4. The two runs were scored on two bag hits by Jacobs and Finnamore, who also handled the pitching chore for the Waterdown team.

Rusk and Gervais returned the lead in the seventh on two hits. Waterdown wound up with no runs in the crucial eighth when Dowling tried for a squeeze play on the home plate. Marshall hurled the ball and McPhail did a fine job of nailing him. Final score 7-4.

Pitching for the locals was Grenke until the last half of the sixth and Marshall for the remainder.

Scheduled for nine innings, Umpire Bonk called the game at the end of seven complete innings because of the fast settling darkness.

This win puts the locals ahead in the best of three series to decide on a competitor for the Intermediate C playdowns. Milton has two wins, Waterdown one, with the next game scheduled for Saturday in Milton.

100 out of 100

Nothing plain about the plain-and-purling of Mrs. D. Russell Smith of Oakville, who brought \$170 worth of prizes in knitting Classes at the C.N.E. to Oakville. Her seven piece layette was awarded 100 out of 100. "I played it the sure way," she said. Not knowing who'd be the final recipient of the top notch knitting, she did it all in white.

Warriors' Return

Two buses from the Georgetown Legion travelled to Toronto to Warriors' Day at the Ex. Writes the regular legion scribe in last week's Herald, that only two of the members missed the bus back this year . . . and both of them went home early. Perhaps his knowledge of the early hour at which they returned was genuinely first hand.

Dog's Decline

Oakville Humane Society shelter keeper found a sad specimen of dog hiding in a bush recently, and took it back to the shelter despite its nervous, thin appearance. On his list of reported lost dogs was a prize winner, and although the Labrador retriever look as though he had never seen a prize in his life, the keeper informed the owners. Sure enough, it was their prize dog, and they had offered \$50 for information. The one-time \$700 dog was returned for \$5.

Burlington at C.N.E.

Introduced to Mrs. R. C. Berkinshaw, wife of the president of the C.N.E. and Mrs. George Marshall, wife of the secretary of national defense of the U.S. were four Burlingtonites, Elsie Springle, J. Lachock, Anne Louise Thompson and Bob Easton. The four were at a luncheon sponsored by Kate Aitken. People just don't drop in and these youngsters had a good reason. Their mural won a \$100 prize in a school competition. Burlington knitter extra-ordinary Mrs. J. Higson won an award in a knitting contest. And the Burlington Junior Band marched in the Warriors' Day Parade.

Oakville Baseball

From the Oakville-Trafalgar Journal, "Pounding out 13 safeties, seven of them for extra bases, the Oaks last Friday night downed Clarkson 11-5 to sweep their Halton Intermediate "A" playoff series three straight. The victory qualified the locals for O.B.A. playdowns."

NEARLY HALF FOR DEFENSE

The way government accounts look now, it appears that 46 per cent. of 1951-52 Federal spending will go for defense, reports The Financial Post. In the fiscal year just ending, 27 per cent. went to defense.

That's the highlight figure of new statistics tabled to show a detailed breakdown of government spending.

Team Finds First Ladder Step Easy

Campbellville Juvenile Ball Team found the first step up the ladder toward an Ontario Championship an easy one as they humbled the Dundas team by a one-sided 11 to 1 count on Saturday afternoon on the local diamond. That too, was the exact amount of hits each team collected for the afternoon. Jack Roberts had the visitors in complete control as he pitched the one-hitter and gave up 4 free passes.

The only run for Dundas came in the seventh inning as Hambly made the circuit. He made first on an error and scored on Fitzhenry's line double to right field.

Bill Elliott got his glove on the ball but was unable to hold the drive which went over his head in deep right. He later made a spectacular catch near the line on the same tee hitter of Dundas to rob him of a sure hit!

Roberts, Cairns and Wiltshire led the hitters with two each, with four extra base drives in the lot. Wingfield on the mound for Dundas was given very shaky support by his mates and was unfortunate as the score mounted by many unearned runs.

It has been learned Dundas has forfeited the series to Campbellville and the lads will meet Collingwood in Collingwood next Saturday in the play-offs. It is a two out of three game series.

Special Notice to Employers

AND

Those Enlisting in Armed Forces

By The Veterans Benefit Act, 1951, passed at the last session of Parliament, the Government of Canada has extended and made applicable the provisions of the Reinstatement in Civil Employment Act, 1946, to all persons enlisting in the Regular Forces of Canada after July 5, 1950, (nineteen fifty) and who serve therein for a term not exceeding three years.

This provision extends also to members of the Special Force who re-engage for service with the Regular Forces, the three-year coverage period beginning with the date of re-engagement.

This provision extends also to members of the Reserve Forces who after July 5, 1950, are called out for service with the Regular Forces and serve with the Regular Forces for a period not exceeding three years.

By an Order in Council passed in 1950 under the Canada Forces Act the provisions of the Reinstatement in Civil Employment Act, 1946, were extended to members of the Special Force and members of the Reserve Forces who serve on the strength of the Special Force. The reinstatement provisions of this Order in Council have now been incorporated in the provisions of the Veterans Benefit Act, 1951.

Under the Reinstatement in Civil Employment Act a discharged person may claim reinstatement either verbally or in writing, usually within three months of discharge in Canada or four months if discharged overseas. There is provision for extension of this time when through a condition of health the employee cannot return to his employment this soon, but the employer must be notified in three or four months, as the case may be, and a Reinstatement Officer should be consulted.
