BLUE GOOSE FLYERS DROP SECOND GAME IN ROW AT NIAGARA FALLS

In Niagara Falls on Tuesday evening, the Blue Goose Flyers lost again to Chippawa by a score of 5-2. It was a very fast and clean game, with 10 penalties handed out, five to each side.

In the first period, Chippawa scored twice on goals by Pagdon and Fellingner before Basso scored, assisted by Cherry and Basso, with only seconds left in the period.

Patterson tied the game early in the second period unassisted. Chippawa still pushed on strong and Pagdon counted two more before the period was over.

The third period was a very close checking duel and it wasn't till after the 18 minute mark in the period that McKenzie broke away and scored, to give Chippawa a 5-2 victory.

Penalties for Milton went to Basso, Bridgman, Patterson and Hutt with a pair. The next game will be played in Georgetown. (Watch for ad.)

When a couple of bright boys put together the world's first horseless carriage (you'd be surprised how long ago) they foresaw there was going to be an inevitable conflict with pedestrians.

The first vehicle in history to move without help from an animal was assembled in 1649 in Nuremberg, Germany. I heard the story some time ago and looked it up the other day in order to pass it on.

The "car" rattled along the streets at about two miles an hour, and it seemed to run by magic. It wasn't until weeks after its first demonstration that the baffled and frightened people discovered the two men who were hidden in the vehicle's back section. They turned a winch and this moved the rear axle.

The vehicle had a mechanism for clearing the way if anyone strayed too close (few did). A great dragon's head stuck far out in front. It moved from side to side and sprayed a stream of water out of its mouth for more than 15 feet.

(Maybe they weren't so crazy after all; it might be an idea to adapt those automatic windshield washers for the same purpose).

That dragon's head, I suppose, was "optional equipment at extra cost," as they say nowadays. It's the optional equipment on a large number of our used cars, the little extras that so many people like, that makes them such outstanding buys. In purchasing a good used car you usually save tremendously on the extras that the original owner has installed.

There is a car I've heard of that I would never, never want to sell. Tell you about it next week.

OUR LOT IS FILLED WITH SPRING SPECIALS

- 1954 CHEV 2-DOOR with air condition heater, windshield washers, eze-eye glass, radio (in perfect condition).
- 1952 CHEV. 4-DOOR SEDAN with air condition heater, directional signals, and a complete motor job. (A real buy for someone).

LEGION NEWS

Things are humming around Branch 136 these days. On March 7 a group of Milton comrades visited Streetsville Branch for a euchre night. Streetsville gave a lesson on the fine points of playing cards, and all enjoyed a large evening.

March 11 found the Milton club rooms filled for another euchre. Comrade Babcock was the lucky winner of a ham.

On March 14 a regular meeting of Branch 136 was held in the Legion Hall with the best attendance seen in recent years. Present as a visitor was Captain Lewis of Halton Manor who was welcomed by the members and expressed his desire to join our ranks.

A good deal of business was reviewed, of which we note the following highlights. There will be a euchre in the club rooms and a cribbage tournament in the club rooms; all cribbage players are invited to attend. A draw for chickens and hams will be an added feature.

The next Legion Stag Night is planned. These have always been a roaring success and will be of interest to many members and friends in the Milton area. More will be said concerning the Stag Night anon.

Plans were laid for a Legion Church Parade on Sunday, April 17. Members will fall in at the Legion Hall and march to Grace Anglican church to the music of the Lorne Scots Pipe Band. Final details to be announced later.

The Ladies' Auxiliary held a very successful party in the Legion Hall which was attended by the Acton and Georgetown Auxiliaries Tuesday evening, March 15.

A darts tournament is being prepared and those interested are invited to enter their names.

By the year 1975 Canada's estimated population need is 30 million.

ACTON WIN NEXT WEEK MEANS TITLE IN JUNIOR FARMERS' HOCKEY LEAGUE

Hardware, Ledwith Teams On To Finals

In the first minor hockey game last week the Reds pounded the Blues 9 to 0. White got the hat trick with Towes getting two. McCutcheon, Randall, Rawley and Patterson each scored once.

In the next game the Hardware beat the Department Store to continue to the finals, Ambrose and Lambert with Black getting assists on both goals. Brown got the only goal for the Department Store on a pass from Doug Gervais.

In the last game of the night Ledwith's beat Knights out 4 to 3 to continue to the finals. For Knight's Peddie hit twice with Wilson scoring the other goal. For Ledwith's Dredge blasted two with Gervais scoring on a pass from Gordie Bell. Bruce Bell scored the winning goal for Ledwith's in overtime.

Milton, Trafalgar Councils To Meet

The clerk was directed to arrange a meeting with Milton council as soon as possible to discuss planning and other problems at the meeting of Trafalgar township council on Monday, March 7.

Police officers were graded as follows: Cons. A. Terrill, first class; Cons. T. Squter, second class; Cons. T. Bremner, second class; Cons. T. Collins, third class.

The appointment of John Walsh as radio operator for Trafalgar township police department was approved at a salary of \$2,400 per year.

The tender of Deerham Crushed Stone Ltd. for gravel was accepted.

The sum of \$1,575 was advanced to the Oakville-Trafalgar-Bronte Planning Board as an advance toward their expenses for 1955.

St. Patrick Dinner At Kilbride Church

The Ladies' Association of Kilbride United church held a well-attended St. Patrick's dinner in the Sunday school room on Tuesday. Those in charge of tables were Mrs. Wilbert Ford, Mrs. Eric McArthur, Mrs. Wm. Pickett and Mrs. Lloyd Rasberry. Decorating committee were Mrs. Mat Howard, Mrs. M. Cartwright and Mrs. Joe Henry. Program committee were Mrs. K. Sharpe, Mrs. J. Pickett and Mrs. J. Henry.

Donna Allison, Kilbride, gave solo vocal selections; Burton Gallagher, Carlisle, vocal solo; Diann Charman, piano solo; Raymond and Ronald Flock, Nelson, accordion and steel guitar selections; Lois and Maryanne Greenlees, Campbellville, vocal duet and Mrs. George Griggs, Carlisle, readings.

Ham, devilled eggs, salads, scalloped potatoes, rolls, relishes, tarts and pies comprised the menu for the dinner.

About 200 watched an exciting Junior Farmer hockey game in Georgetown arena Monday as the series nears the conclusion. This may well have been the second last game of the season, as, following the decisive 10-4 win over Norval, Acton has now won two games and Norval one game of the three-out-of-five series.

With a sparkling goal display, Jack Marshall kept the Norval score from mounting.

Spike Scott and McKenzie kept Acton's score soaring. Scott scored four goals and was credited with one assist. McKenzie kept busy with three goals and three assists. Scott scored twice for Acton in the first frame, one with assists from D. Currie and Tyler. Both Tyler and D. Currie copped penalties.

After Scott scored his third at the top of the second period from McKenzie and Somerville, Norval attempted to equalize the play with two goals, Robinson from B. Wilson and Pomeroy. Acton retorted with three in a row, counted by F. Currie from Scott, Somerville from McKenzie and McKenzie. Ross Cunningham caught the puck from D. Smith to respond for Norval before Acton swooped to the opposition nets again, with goals by Scott from D. Currie and McKenzie from Wheeler.

Norval had the last if not too effective word of the period with a goal by Richardson from Pomeroy and Ross Cunningham. Score: Acton 8, Norval 4. Penalties in the period went to M. Sprowl, F. Wilson and D. Currie.

There were 11 penalties in the third period, most of them to Acton players, even though the game seemed one-sided before this point. Cooling their heels were McKenzie, F. Currie, Scott, D. Currie, E. Wilson, Tyler, H. Wilson, Hemsley, J. Currie and H. Wilson, with a 10 minute misconduct to Wheeler.

Two more goals for Acton rounded out the scoring. McKenzie from Somerville and Wheeler from F. Currie and McKenzie. Ken Richardson of Norval played stellar hockey for the losers.

Anything can happen next Monday.

Win Three, Lose Fourth Series Tilt

Friday, March 11, the Blue Goose Flyers lost a close game to Chippawa by a score of 7-5. After winning the first three games of the series, the boys were a little bewildered, or maybe too overconfident, when the Chippawa club handed them this set-back. The series stands now at three games to one in favor of Milton.

The first period, Milton held a one goal lead on goals by Hutt from Barber, Barber unassisted and Sales unassisted, while Sokolowski and McKenzie scored for the visitors.

The second period, Milton scored twice more with Currie from Basso and Cherry, and Mills from Patterson, doing the trick. Chippawa came back very strong with three goals by McKenzie, Urchuk and Fellingner, to end the period in a 5-all tie.

The third period, Chippawa held our boys scoreless while getting a pair themselves, by Sokolowski and McKenzie, to end the game, and the first victory out of four games for these boys.

Referees Boyd and Marshall handled the game well, giving out 14 penalties, eight to Milton and six to Chippawa. The bad men for Milton were Scott and Patterson each with singles while Hutt, Barber and Bridgman drew two apiece. Playing a losing game and although they each got two penalties, the best men on the ice for Milton were Harry "Shorty" Barber and Vern Bridgman.

The fifth game of the series was played in Niagara Falls Tuesday. Milton line-up: Lever, Hutt, Ar-bic, Bridgman, Barber, Mills, Sales, Patterson, Emms, Scott, Timbers, Currie, Basso and Cherry.

CONSERVATION AWARD
CHATHAM, Ont. (CP) — Manly F. Miner of Kingsville, son of the late Jack Miner, was made an honorary member of the Detroit Sportsmen's Congress recently. Miner was presented with a scroll commending him for carrying on conservation work begun by his father.
