Port Credit Hands Campbellville Second Loss Of Season Saturday

After winning seven in a row, Campbellville dropped a 6-4 decision to Port Credit there on Saturday, June 11. Harry Hamilton, although not as sharp as usual, was the victim of poor support and over three and two-third innings gave up six runs off five hits while walking two, hitting one batter and striking out two. Stan Henderson, taking the mound for the first time this season, was brilliant in relief as he scattered four hits over four and one-third innings, walked one and struck out four.

CAMPBELLVILLE Display Night In Nassagaweya

Mrs. G. Black, home economics teacher for the public schools of Nassagaweya, held a display night in the Campbellville public school on Thursday, June 9.

A very beautiful array of needlework and aluminum trays was set up in the basement room. With one look even the most skeptical would have to realize the great value of home economics training to girls of grades seven and eight, particularly when conducted by such a competent teacher as Mrs. Black.

A very large number of parents and friends visited the school to see the display and remained to hear a fine program performed by children from all schools in the township area. The evening made an excellent climax to a very good year of home economics in Nassagaweya.

Honor Bride
Mrs. Campbell Agnew and Helen entertained a number of relatives and friends in their home on Saturday evening in honor of Miss Jean Parsons who is to be married in Boston Presbyterian church on June 25th.

Mrs. Frank Quinlan spent last week in Montreal visiting Mr. and Mrs. Jack Memory and family.

50th Anniversary
Several from here attended the 50th wedding anniversary of Mr. and Mrs. Walter Turner of Galt, which was held in the home of their daughter, in Burford.

W.I. Sale
A successful rummage and auction sale was held on Saturday afternoon on the athletic grounds at Campbellville which was sponsored by the Campbellville Women's Institute.

Rev. G. Bauch conducted the Sacrament of the Lord's Supper on Sunday at St. David's Presbyterian Church.

Cop Seventh Straight Victory Under Oakville Lights Friday

Campbellville invaded Oakville for a seven inning game under the lights Friday, June 10, and came up with their seventh straight victory as they shut out Oakville 8-0. Jack Roberts, in chalking up his fourth victory of the season, was brilliant and a first inning triple by Kennedy that Bill Cairns almost made a running catch of was the only hit he allowed all evening as he struck out 11, walked one and hit one batter. Meanwhile, Campbellville combed Banks and Medland for 10 hits and four walks.

Campbellville opened the scoring in the first inning when Wingrove doubled and scored ahead of Lloyd Early who smashed a line drive home run over the right centre field fence. Another run was added in the third when Bill Cairns walked and came all the way around to third on passed balls and scored as McPhail was being run down between first and second. Jack Lacking opened the fourth with a walk, Bill Cairns singled and Bob McPhail blasted a towering home run over the left field fence to make the score 6-0. The final two runs came in the sixth. With one out Roberts singled, went to second on an infield out and took third as Wingrove singled. Wingrove stole second and both runners scored on successive passed balls.

Red Sox Trounce Port Credit Score 12 Runs In Two Innings

The Milton Red Sox scored all their runs in two innings last night as they downed the cellar dwelling Port Credit team 12-2. The big rally was staged in the fifth inning when the Red Sox paraded 14 men to the plate to score nine runs on four hits, three walks, three errors and a hit batter. Milton picked up their other three runs in the very first inning to stake Nip Gervais to his first mound victory of the season. Gervais gave up six hits, two walks and struck out five men and pitched materful ball after a shaky start.

Port Credit picked up both their runs in the bottom of the third when they put together two hits, a walk and two Milton errors. Fred Lever was the hitting star for the Red Sox as he had two hits in four trips to the plate. One was a two run producing single in the

Provincial, District Officials Are Present At Boyne School Opening

Replacing a time-worn 86-year-old school, the new Boyne school was officially opened at a program at the building on Friday evening. Officials of the province, county, district and township were present with many interested friends and parents for the program of music, presentations and addresses.

Guest speaker was Robert Bornhold, Halton inspector, who pointed out there had been four other schools preceding this one in serving the needs of the community. The first was opened in 1818 on lot six, concession one; the second was on the third line; the third, in 1852, was on the second line and the fourth, the brick school being replaced, was built in 1869.

He told of school conditions in pioneer times. In 1875 less than a quarter of the teachers had professional training. Now, not one teacher in Trafalgar lacks it. Children must be prepared in the schools to take their place in this complex world, he said.

The newly elected member of the provincial legislature, Stan Hall, heartily congratulated the board. "Don't hesitate to pass along constructive suggestions for better government," he urged those present.

Trafalgar Reeve Marshall declared he hoped that parents and pupils would use the new school as a community centre. He affirmed his belief that the township was in one of the best locations today for development.

E. J. James, board chairman, introduced the members of the school board, and P. W. Merry introduced the speaker.

Miss Laura Black, who has been the teacher at Boyne for 30 years, was presented with a watch by H. Douglas and W. Rayner. Mr. James, declaring she had the longest service of any teacher in Trafalgar township, gave her a bouquet, with one bloom for each of her years of teaching. We do appreciate you and hope you will be with us for many years," he said.

Mrs. Stan Hall and Mrs. E. S. James were also presented with bouquets.

J. Asher is director of music for the school. Members of the school board are E. J. James, chairman, R. W. Merry, vice-chairman; Denzil Lawrence, Rupert Helmer and Ross Campbell.

THE BEST COSTS LESS WHEN YOU BUY CO-OP. KNOTLESS CERTIFIED BALER TWINE

In length, strength and uniformity, you can depend on Co-op Baler Twine. It's free-running and knotless, assuring you quick, easy operation at haying time and long, safe storage afterwards. Low in cost, too.

This is a very big week around Branch 136. Thursday, June 16 is the annual Santa Claus Fund "Street Fair" to be held at the agricultural grounds, sponsored by the Milton Legion Branch and Milton Fire Brigade. New residents to Milton district may not know that this annual fun-fest allows the sponsors to present an annual Santa Claus parade in the middle of December, with a party and gift for every child in the district. Pray for good weather and come out and enjoy yourself.

Sunday, June 19 (Father's Day) will see the Zone Church Parade of the Canadian Legion held in Milton. Parade will fall in at the Legion Hall at 1.30 p.m. and march to the Cenotaph for a Drumhead service. Three hundred veterans and Ladies' Auxiliary and five bands are expected. Don't miss this parade, it will be a treat for all.

A Legion banquet for all members and their ladies will be held. All members will receive invitations; please acknowledge these and allow your secretary to make suitable arrangements.

Watch for announcements in the Canadian Champion about coming events at the Legion. A good dance is held every Saturday night, there will be a Bingo at the Fair Grounds June 30, and many future events are planned.

SAVE A CROP - PAY FOR A BALER

Save just one good 50-ton crop of choice green hay and you've more than paid for the low-cost Allis-Chalmers ROTO-BALER. Beat the weather... make it easy to bale fast when hay is at its early-blossom best. Call us now for your own Allis-Chalmers ROTO-BALER.

ROTO-BALER is an Allis-Chalmers trademark.

GALES ARE OUR LINE
by Robert and Ivan K. Slessor

"Fill'er up please" has become one of the most common expressions in our language. It's probably said as often every day as "no cream, please" or "extra cream" by people ordering coffee.

When you put sugar or cream in your coffee, you know exactly what you're getting, you know whether you like the sweetness of two lumps or three or none at all.

But when you say "fill'er up" you aren't getting the same gasoline all the time. No, people aren't cheating on you, it's one of the almost unknown ways in which the petroleum people look after you.

In the winter time, gasoline contains a larger percentage of lighter gas. It's more volatile—that is it evaporates easier and therefore starting is made easier.

In the summer, gasoline gets heavier and this helps stop too much of it from evaporating which cuts down on stalling from vapor lock.

This is true, by the way, of both premium and regular gasolines. So you never have to worry about what weight of gas you should use as the seasons change.

But your kind of driving changes as the seasons change and so does the load on your car. And no one will take care of this for you automatically.

It's almost automatic, though, if you'll bring your car in to our mechanics for that important twice-a-year check-up. Those words "factory-trained" are more than just a phrase—they mean that our mechanics aren't just handymen with a knack for motors; they've had both book learning and practical experience with cars. This gives them two important advantages: they can do what needs to be done quickly and they won't load you with the expense of doing what doesn't need to be done.

This week's special on our used car lot is a 1953 Vanguard. Bill Hamilton, 83 John Street, chose us when he traded in this car on a new Pontiac and we know that Bill looked after his car to perfection.

SOME OTHER SUMMER SPECIALS THAT ARE DOWN-TO-EARTH VALUES

- 1953 FORD VICTORIA with radio, automatic, white walls, window washers, only 20,000 miles. (like new.)
