Trounce Dundas For Three Wins In Succession

Campbellville Juveniles made it three wins in a row by lacing Dundas Juveniles 14-4 in the Dundas park on Friday night.

Campbellville showed a fine offensive battering three Dundas pitchers for 14 hits, five of them for extra bases. Ron Phillips was the big man with the bat banging out a triple, a double and two singles.

Bruce Hamilton, Campbellville's ace righthander, held the valley town crew to six hits while striking out eight. Hamilton's strike-out total is now 32 in 27 innings.

Ron Phillips, Bruce Hamilton and Allan Wingrove stood out for Campbellville although every player turned in top notch efforts. Young and Martino turned in top efforts for Dundas.

Annual, Bus Trip Reported to W.I.

On Tuesday evening, June 14, Drumquin Women's Institute met at the home of Mrs. Stan and Mrs. Ray Fuller. 21 members and four visitors attended the meeting. Mrs. Lynch presided. The meeting opened with the opening Ode and the Mary Stewart Collect. The roll call was traffic laws.

The secretary, Mrs. W. Featherston, read the minutes and correspondence. Mrs. J. Lister gave a report of the bus trip to Hamilton, which 37 ladies enjoyed. They toured the Hamilton Rock Gardens and the Jordan Historical Museum. Mrs. Lister stated that most things have a historical value and should be dated. She inquired if anyone had an Eaton catalogue 50 years old or more.

Mrs. Weller told of attending the district annual, which was most interesting. She urged everyone to take advantage of the special courses which the Institute offers. It is like an open door to learning. Worry is like a rocking chair, it never gets you anyplace.

Mrs. E. Ford introduced Mrs. Beatty, who gave a very worthwhile talk on citizenship. Mrs. Chamberlain gave current events. Mrs. Clifton conducted a contest which was won by Mrs. E. Ford. Mrs. W. Ford moved a vote of thanks to Mrs. Beatty and to the ladies in charge of the bus trip, and the meeting closed with the Mizpah.

Refreshments were served by the hostesses and a social half hour was enjoyed.

First Loss For Shep Doucette

Waterdown came from behind with two runs in the bottom of the sixth inning to edge the Milton Red Sox 6-5 in a seven inning twilight game at the Waterdown park Friday night.

Shep Doucette was the losing Milton pitcher, being tagged for nine hits over the distance. The big right-hander gave up two walks and struck out two men. This was Doucette's first loss of the season and the first time Waterdown has beaten him in four seasons.

Burly Jack Finnamore picked up the win for Waterdown although he needed relief in the sixth inning. Labelle coming on to cut a Red Sox rally short after they scored two runs.

Milton scored in the first inning when lead-off man Sham Risk walked, went to second and third on passed balls and came home on Don South's triple. South was left stranded as Serafini grounded out, short to first. They jumped the lead to 2-0 in the third inning when Heipel singled and then with two out, successive singles by Toletzka and Serafini scored Heipel with the second run.

Waterdown came back in the bottom of the third with three runs on a walk to Finnamore and singles by Culley, Pete Thompson and C. Thompson. The Red Sox jumped back with one in the fourth when Don Joyce blasted a triple and Shep Doucette doubled him home.

The locals took the lead in the top of the sixth when Don Joyce picked up his second hit of the game and Shep Doucette, continuing his steady hitting pace, connected for a lustrous triple to score Joyce. Doucette scored on Johnny Heipel's single.

Waterdown struck back for the tying and winning runs in the last of the sixth when first sacker Don Fawcett singled and Bredin, pinch hitting for Tindall, knocked a long triple to centre field. Both runners scored as the relay got away from P. Rigo, Milton third sacker.

Don Joyce, Shep Doucette, Eric Toletzka and Johnny Heipel picked up two hits each for the Red Sox. Both of Doucette's hits were for extra bases.

56 Men Up To Bat In Six Innings During 28-7 Campbellville Victory

Campbellville unleashed a vicious attack on Saturday afternoon to overwhelm Waterdown 28-7. It was a ball game for only two and a half innings as it was a scoreless tie going into the last half of the third but then Campbellville opened up and in six innings they sent 56 men up to the plate and they raked five. Waterdown hurled for 23 hits and 12 walks. Bailey, Labelle, Peer, Buckingham, and Fawcett were all paraded to the hill but were all treated alike by the Campbellville sluggers. Meanwhile Jack Roberts was chalking up his fifth victory without defeat despite the fact that he received rather shaky defensive support from his team.

All seven Waterdown runs were unearned. Roberts allowed 10 hits while walking three, hitting one batter and striking out 13. Probably his best pitching was in the first inning. Cully opened the game with a triple and stole second to put men on second and stole second to put men on second and struck out with none out. Roberts then struck out the centre of the Waterdown batting order to retire the side runless.

The deluge opened with dramatic suddenness. Roberts batting in the ninth spot in the Campbellville lineup opened the last half of the third by blasting one of Bailey's fast balls for a long home run. When the inning was over, six runs had crossed the plate and Campbellville was away. They scored four in the fourth, four in the fifth, seven in the sixth which featured Roberts grand slam home run, one in the seventh and six in the eighth.

Bill Cairns boosted his season's batting average to an even .500 by getting four singles. Ken Moore also had four hits and ran wild on the base paths. Earl Cairns, playing his first game since he sprained his ankle three weeks ago, lashed out a double and two singles and Jack Roberts added a single to his two homers.

Billy Laking who didn't enter the game until the seventh lashed out a double and a single in his only two times at bat. Alan Wingrove had two singles and four walks and he scored five runs and Elmer Dredge and Jack Laking also came through with two singles. Stan Henderson's only hit was a double.

Noseworthy led the Waterdown attack with a double and two singles. Cully hit a triple and a single, and Forth, Tindall, Fawcett and Finnamore all hit singles. Final score 28-7.

Campbellville will meet Brampton in Campbellville at 3 p.m. on Saturday, June 25. Batteries, Bailey, Labelle, Peer, Buttinham, Fawcett and Fetter and Halyk. Roberts, Laking.

Bus Trip Precedes Historical Meeting

The Omagh Branch of the Women's Institute held their monthly meeting at the home of Mrs. W. Neilson on Wednesday, June 8. The meeting was changed to Wednesday so several ladies could accept the kind invitation of the Drumquin Branch to accompany them on their bus trip on Tuesday. The bus trip was a great success and the Omagh ladies enjoyed it all — to Hamilton, to the Botanical Gardens, Rock Gardens, Hamilton for lunch, to Jordan Museum, Vineyard Gardens, and back again. This was interesting as the meeting was Historical Research.

The meeting opened with the Ode followed by the Lord's Prayer. Mrs. Clare read a poem. 12 members answered the roll with a small family heirloom and its history. There were quilts; napkin holder; open salt cellar, glass encased in silver; pitcher, 1845, in the shape of a gray boat; silver spoon, 1834; wedding tie, 1830; boot jack that folded to be carried in the pocket; a circular wooden box with a lid in which candy came. One lady had three medals belonging to an uncle who is 102 years old, given by the Lord Mayor of London. Corner cupboards were also mentioned.

The minutes of the last meeting were read and the treasurer gave a good report. Mrs. Clare, president, vacated the chair while Mrs. K. MacDougall installed the new officers. Mrs. Clare, president; Mrs. McLennan, first vice-president; Miss Ellen Chapman, second vice-president; Mrs. Morton, secretary-treasurer; Miss Joyce, district director.

A new apron was given in by Mrs. George Douglas for the travelling apron. Several ladies put patches on during the meeting. Mrs. Morton gave a splendid report of the District Annual. A nominating committee for next year for the District Annual is a new venture. \$10 was given to the girls' club to carry on their work. The extension service chosen by the ladies was, Sandwiches for All Occasions.

Mrs. George Douglas, historical research convener, gave a reading on How the Daughters of the Empire Started in 1900. Margaret Murray started it in Fredericton. She gave most of her life working to better it and spread it. She died at the age of 83 after a full and useful life. She was a child of Scotland, a woman of Canada and a daughter of the Empire.

The executive and conveners decided to meet June 14 to arrange the programs which will be sent during the summer months. The meeting closed with the Queen.

A delicious lunch was served by the hostess and her helpers. The members bid farewell to meet again in September.
