ARE OUR *Line*

by Robert and Ivan E. Slessor

Even people who've never been to Paris have heard about the crazy way Paris cab drivers scoot about and the way they lean constantly on their horns.

Songs have been written about dodging the taxicabs, their constantly bleating horns being music to a tourist's ears.

But the traffic toll in Paris is terrible and a little while ago the police decided that Paris drivers would be better off leaning on their brakes instead of their horns. They outlawed the blowing of those famous horns.

A lot of people thought the accident rate would go way up. After all, with horns blowing, you at least knew what hit you!

But the anti-horn edict had a wonderful effect, and perhaps there are some lessons in it for us over here. Although the number of vehicles in Paris was increasing by almost 8,000 a month, the number of accidents after the ban-on-blasting dropped by 25 per cent.

That was the average figure for all kinds of street accidents—the number of accidents to motorists went down by a phenomenal 32 per cent!

I wonder if we have something to learn from the French. Horns and brakes are both essential safety devices but I wonder if more of us should Break the Horn Habit and Use the Brakes instead.

Certainly, with our used cars you can always rely completely on the braking system. That's one of the first things we check before a car goes out on the lot for sale. It's not a thing you can see when you check the paint and upholstery, but it's vitally important, one of the unseen extras of service that goes into every one of our cars.

Red Sox Defeat Acton 11-3, Take Series

Milton Red Sox last night downed a submissive Acton club 11-3 right on the Acton ballfield to wrap up their best-in-five series in four games and reserve the right to advance in the O.B.A. Intermediate B playoffs.

The Red Sox never really had any trouble in the series outside of the first game. When they were slow in producing runs the Acton club obligingly came through with errors to aid them.

Manager Lenny Naylor picked Doug Vaughan to hurl for the locals in what started out to be a repeat of Monday night's fast game but an erratic Acton club was soon booting the ball all over the field. Vaughan went the distance for Milton, allowing only three hits, walking two and whiffing eight.

His opposite, on the hill for Acton, southpaw Harry Lawson, was the victim of 10 hits before he was replaced by Spike Scott in the seventh. Scott was nicked for four additional bingles to give Milton 14 hits and 11 runs.

Milton took the initiative in the top half of the second by scoring

two runs. South got on first through a misplay at first and Doucette rammed a drive to centre that netted him two bags. Leaver's fly into deep right was caught but South scored the first one. Then Bill Vaughan's grounder to first was muffed and Doucette came in with number two.

Acton got one back in the bottom half of the third when a walk and an error in right field allowed the runner to go the entire way.

Doucette started the fourth with a single. He went to second as Leaver hit into a possible double play, but an error kept him going to third and an overthrow at third allowed him to come home.

Acton scored again in the bottom half of the fourth when Skilling walked, stole second and in the confusion when he was trapped between second and third took advantage of Rusk's overthrow to come home.

From that juncture the game was never even close. Milton went on to score six runs off five hits in the fifth and never looked back. They added two more in the seventh off four hits to give them 11 runs.

Acton, meanwhile, could do little with the offerings of Vaughan until the last of the ninth when Skilling, their best man singled, stole second, advanced to third on McCristall's ground-out, scoring as Townsley singled to centre.

Top man on the Milton totem was Shep Doucette who came through with four hits in five trips and Bill Vaughan with three hits in five appearances at the plate. Johnny Heipel, Fred Leaver and Don Mills each came through with two hits in five trips to the plate.

The fielding gem of the game was Sham Rusk's spearing of Lawson's shoe-lace drive in the third frame.

Omagh Beats Millgrove 6-4

On Wednesday, August 17, Omagh defeated Millgrove 6-4 in the first game of the O.R.S.A. play-offs.

Crooker opened the scoring in the first inning as Millgrove toog a 1-0 lead. A Jarvis tied the score in the second, singling and plating Omagh's first run on Tasker's double.

In the third, G. Devlin doubled, McCann walked, then G. Gillies cleaned the bases with a four-bagger to put the locals up 4-1. J. Jarvis singled in the fifth and Willmott hit a long one to send him home for Omagh's fifth run.

Willmott scored when Jarvis' hard slide rocked Carey, Millgrove's catcher.

Bruce Carey was best for Millgrove, scoring their last three runs. Willmott pitched a fine game, allowing six hits, striking out four. Mann allowed 11 hits and whiffed five.

Police Launch Safety Program

Launching a program of safety on the roads, the local Provincial Police are planning addresses to the children of the district on the aspects of safety. Included in their plans is a special safety film at the Roxy theatre entitled "Devil take us", and Constable R. Rupert explained the support of the Ontario Provincial Police in this program.

Campbellville Takes 2-0 Lead In Ball Series with Waterdown

Campbellville won their second straight game to take a commanding 2-0 lead in their best of seven series with Waterdown as they won 5-3 in Campbellville on Saturday, August 20.

Rex Bailey went all the way for the losers, giving up 11 hits and one walk. He struck out four and hit one batter.

Harry Hamilton worked seven innings for Campbellville and gave up three hits and four walks. He hit one batter and struck out five. Jack Roberts, who pitched the last two innings, gave up a hit in each inning and struck out two.

Campbellville opened the scoring in the first when Moore doubled, went to third on an infield out and scored on Henderson's sacrifice fly to centre. Waterdown tied it up in the second without getting a hit. With two out, a hit batter and three Campbellville errors netted the visitors a run.

Waterdown took the lead when they scored two runs in the top of the fourth. Finnamore walked and Tindall dropped a Texas league single behind third that Campbellville fooled around with and allowed the runners to end up on second and third. Bailey's tap to Hamilton resulted in an unsuccessful rundown of Finnamore and

passed ball after a strike out, two infield errors and successive singles by Seeneey and McPhail. They stored five in the second to make it 9-0 on an error, a triple by Bill Cairns, and singles by Henderson, Elliott, Seeneey, McPhail and Dredge.

Campbellville made it 10-0 in the third when Roberts walked, went to second on an infield out, advanced to third on a passed ball and scored on Henderson's single. They completed the scoring in the sixth when two walks, an error and singles by Elliott, Seeneey and Dredge produced five runs.

Brush and Burns singled for Waterdown. Seeneey had three singles for Campbellville, while Henderson, Elliott, McPhail and Dredge each had two. Bill Cairns' triple was the only extra base blow of the game.

Open Best-of-Seven in 15-0 Win For Campbellville Last Friday

Campbellville opened their best of seven series with Waterdown in Waterdown on Friday, August 19 and came up with a resounding 15-0 victory in a game that was called at the end of six innings because of darkness.

Jack Roberts, given a big lead in the first inning, never had to extend himself as he baffled the Waterdown hitters with a great assortment of "stuff". Two singles were all they were able to get off his offerings and his control was perfect. Only one Waterdown runner got past first base. In the fifth inning, Moon got to second when Moore overthrew first and went to third on a passed ball and died there.

Roberts struck out three. Finnamore and Labelle did the hurrying for Waterdown and were given very poor support by their team mates. They allowed 12 hits, walked five and struck out two. The Waterdown team committed seven errors.

Campbellville jumped into a four-run lead in the first inning on a

passed ball after a strike out, two infield errors and successive singles by Seeneey and McPhail. They stored five in the second to make it 9-0 on an error, a triple by Bill Cairns, and singles by Henderson, Elliott, Seeneey, McPhail and Dredge.

Campbellville made it 10-0 in the third when Roberts walked, went to second on an infield out, advanced to third on a passed ball and scored on Henderson's single. They completed the scoring in the sixth when two walks, an error and singles by Elliott, Seeneey and Dredge produced five runs.

Brush and Burns singled for Waterdown. Seeneey had three singles for Campbellville, while Henderson, Elliott, McPhail and Dredge each had two. Bill Cairns' triple was the only extra base blow of the game.

136 Main St. Milton

On Monday, August 22, the Omagh Softball team journeyed to Waterdown to play Millgrove in the second game of their best two-out-of-three series, with Omagh being the victor by a score of 3-1.

Millgrove started the game with a run in the first inning by Harvey Williams, and held it until the ninth inning. In this inning Omagh scored their first run by Graham Gillies when Hyatt of Millgrove loaded the bases; then on a passed ball, Gillies scored.

Willmott was able to hold Millgrove for the rest of that innings. In the tenth innings, with loaded bases again and with Murray Tasker on third, Eves hit a single, scoring Tasker. The next run was scored in the same style: with McCann on third, Graham Gillies hit a single, scoring McCann and making the final score 3-1.

John Willmott was the most outstanding Omagh player, pitching a good game which was enjoyed by the fans on both sides. Willmott struck out nine and allowed five hits, while Hyatt struck out six and allowed eight hits.

Batteries—Omagh: Willmott and Devlin; Millgrove: Hyatt and B. Carey.
