The Trend Is To Chiropractic Do You Know?

We still encounter many people who do not know that the Workmen's Compensation Board of Ontario pays claims for Chiropractic care of injuries due to accidents occurring on the job. Chiropractors have been licensed in Ontario for 30 years, and the Compensation Board has recognized the value of Chiropractic for a like time. For the past three years, the Board has paid claims for X-Rays taken by Chiropractors which meet the Board's standards.

A large and growing number of insurance companies now recognize the need for C hiropractic

Health Care under the Health Accident Insurance which they write. No private or government health insurance plan is complete unless it includes Chiropractic. If
