

"God's Light" is Speaker's Topic At Knox Evening Auxiliary

The April meeting of Knox church Evening Auxiliary was held on Tuesday evening of last week in the form of a pot luck supper in the Sunday school room.

A large number of members and home helpers sat down to a delicious dinner. After supper, the meeting was opened by greetings from the president, Mrs. Nellie Anderson, followed by a poem entitled, "The Way of the Cross".

Easter hymns were sung at appropriate intervals throughout the meeting. Mrs. Anderson led in prayer. The secretary's report read by Mrs. H. Magee and the treasurer's report by Mrs. S. Lockie were presented for adoption. The roll call was answered by an Easter poem or verse.

During the business portion of the meeting Mrs. A. Peddie agreed to be the delegate to the conference being held in Toronto in May. A discussion was held regarding the Hale meeting and it was decided to hold it in May, so the list of articles needed was distributed.

The devotional period of the meeting was taken by Miss Reta Naylor who chose as her scripture reading, The Easter Story. A commentary followed called, The Meaning of Easter. Miss Naylor closed her devotional period with prayer.

Mrs. Nellie Anderson, president, introduced guest speaker, Mrs. Brownridge.

Mrs. Brownridge chose as her topic, "God's Light". She mentioned

HORNBY Over 200 Attend Ball Club Dance

Over 200 people were entertained by and danced to the music of James P. Leybourne and his orchestra at the Trafalgar hall Friday evening. The dance was sponsored by the Hornby Girls' Ball Club.

There was a wide variety of dances. Each square dance was a different change and young and old took part in the Gay Gordon, Cross Country waltz, heel and toe dance and many others. During intermission, lunch was served. Tickets for lucky draws were drawn by Ken-ny Howden with Jim Gilles winning a bushel of apples and Ken-ny Howden a box of chocolates.

With repeated requests from many who attended, the girls' ball club decided to hold another dance at the same place.

It was decided to again petition the Liquor Control Board of Ontario to act on their earlier request for a liquor outlet in town. Some one mentioned it was rumored some property had been purchased for this purpose, but the land was up for sale again. Some councillors didn't think this matter was council's business, but it was explained council had taken the initiative in the first place, and should carry it through. It was explained local "wets" were going to Oakville or Georgetown to buy liquor, and doing their regular shopping there also.

Reporting on a county planning committee meeting held Friday in the Court House, Councillor Pettit explained each municipality is submitting a land use map for compilation into a large county map.

Approve Cenotaph Fence

A white picket fence around the cenotaph in Victoria Park was approved, at a cost of \$231.27. A price of just over \$250 had been submitted for the planting of shrubs and evergreens on the plot, and council decided to contact the Legion to ascertain what participation that group could offer.

A letter from the Fallingbrooke property owners' association thanked councillors for their efforts in reducing the tax rate, from the expected 18 mills to the increase of nine. Council was "very pleased" to receive the compliment.

Don't Favor Annexation

A county council motion, that of going on record as being opposed to the annexation by Wentworth of any or part of the county of Halton, was read and no action taken. Councillors said, however, they were definitely in favor of the county's motion.

Councillors Pettit and Cunningham offered to take membership in the Association for retarded children.

A letter from Michael Rasberry thanked council for their recognition of his promotion to Queen's Scout. The by-law for expenses of the town during 1957 was given the required three readings. Assessor Frank McNeiven was given permission to attend a convention of assessors in Windsor at the end of May.

Appoint Officers Home School

The regular meeting of the Home and School Association was held in the high school auditorium Monday evening. Mrs. D. Martin, the president, was in the chair.

The meeting opened with music from some of the children who were chosen for the festival.

The slate of new officers for the coming year was presented. These officers will be installed at the next meeting in May. Nomination for a second vice-president should be placed with Mrs. Bruce McKerr.

Mrs. Hall was convener for the night. The theme was music, arts and crafts. Mrs. G. McEachern introduced D. Grigg who spoke on teaching art to children. Mr. Grigg had art from Grade 1 to Grade 3 and he showed the progress that was made. He also showed two films "Picture Making" and "Music Arts and Crafts in Mexico".

The parent attendance awards were won by Mr. Emmerson, Bruce St. school, Miss Murdoch, J. M. Denyes school.

Grade eight Home Economics and shop work was on display at the close of the meeting.

BURIED WOLF

PORT ARTHUR, Ont. (CP) — Lands and forest department officials here told of the wolf cornered by a hunter's dogs against a barn. When the wolf tried to jump to the roof, it struck the side of the barn, bringing down an avalanche of snow and ice from the roof which killed it.

Hold Monthly Meeting

Hornby Mission Band held their monthly meeting at the home of Billy and Myrna Marchment with 14 members present.

Myrna Marchment, president, and Patsy Wilson, secretary, conducted the meeting. After the devotional service, Mrs. Marchment read the story from the Mission Band book. The meeting closed with a hymn and a prayer and the children worked on their scrap books.

The Mission Band members conducted the worship service on Sunday morning at Hornby United church.

New Tile Floor

The new tile floor is being laid in St. Stephen's Anglican church basement. It will make a great improvement to the basement.

Smelt Fishers

Smelt fishers last week-end were George and Bill Bailey, Edward and Ross Robertson, Jack Simpson, Ernie May, Garnet Howden, Bill Bradley, Glenn Saunders and Doug Leslie. The catch was good each night. The lake is lower this year than last, making the bottom of the lake rough, causing a lot of wet feet when the water goes over the top of the waders as the fishermen step off a rock or into a deep spot. Ernie May got stuck in the mud and had to be pulled free.

Allan Harrop has been sick with the mumps.

Mrs. Jack Marchment was operated on for appendicitis last week in Brampton Memorial hospital.

Miss Georgina Leslie is a patient in Milton Private hospital. She had an operation on her knee, but is now well on the way to recovery.

Visitors to the St. Stephen's Anglican church service on Sunday were Miss Mary Thompson from Brampton and Gregory Clarke from Toronto.

St. Stephen's church congregation have been having the opportunity to listen to new electric organs. Next Sunday, a third different organ will be in the church on trial. An organist from Toronto has been demonstrating and playing the organs each Sunday. They are trying to find out which organ sounds the best in the church and which one the congregation prefers.

ASH

Choir Takes First At Music Festival

In the music festival held at Snyder's school last week, Ash choir came first. The double trio, made up of Ann Meredith, Gary Gowland, Bruce Galbraith, Herman Proper, Beverley Patterson and Jean Marshall, also placed first in their class. Linda Pellettero won a gold medal and Jimmy Galbraith received a bronze medal for solo work. Jack Asher is their music teacher.

Mr. and Mrs. H. Proper and family have moved to R.R. 1 Moffat, and will be greatly missed by friends in the Ash district. Friends at the school presented the children, Herman, Grace and Bobby, with gifts when they left.

Mr. and Mrs. B. Curtiss were welcomed into the community recently.

Mr. and Mrs. E. Patterson celebrated their 43rd wedding anniversary recently.

Ratepayers Hear Review Town Auditor's Report

Councillor John Charlton, chairman of the finance committee of Milton council, gave a brief report of the town's financial situation as shown in the auditor's report for 1956, at the Sunday afternoon meeting of the Fallingbrooke Property Owners' Association, held in the J. M. Denyes school. Councillor Charlton went over each item in the report, explaining the more complex articles as he went along.

"We can't expect too much of an increase in assessment this year," the councillor pointed out, "probably \$200,000 at the most." He explained that last year the assessment had risen \$400,000, and the increase the year previous to that was much higher. Councillor Charlton also dealt briefly with the tight money situation and the troubles incurred in the issuance of debentures.

Reports on Petition

Jim Smith reported on a petition sent by the association to council, asking that council do their best to chop the proposed 18 mill tax increase, even if it meant foregoing new services such as paved roads.

Mr. Smith explained that he had been at the meeting with two other delegates to back up the petition. Mr. Smith said that, in his own personal opinion, "we will be faced with the same increases in taxes next year, because there will be no great increase in assessment this year."

It was agreed to send a letter to council, thanking them for their efforts in reducing the mill rate from the expected 18 mills to nine mills.

A letter is to be sent to council in an attempt to clarify the parkland situation in the Fallingbrooke area. Members hoped a meeting with some councillors could be arranged to work out details on a playground area for the children of the subdivision.

Fireworks a Problem

The question of whether the group is to sponsor a large fireworks display to mark the May 24 celebrations is still hanging in the balance, after close to an hour's discussion and several motions passed at Sunday's meeting. Chairman-president A. LeBouffe explained that after a fireworks display was suggested, he had received approval from a member of the fair board to use the agricultural grounds. However, the fire chief had warned that a town by-law prevented the launching of rockets within the town boundaries. He also explained a permit would be needed to hold a display.

Members couldn't reach an agreement on soliciting among the residents of the subdivision for funds to pay for the display, as some felt the canvass for membership and membership fees should come first. It was suggested that perhaps the executive, while canvassing for membership in the organization, could mention the possibility of a fireworks display and report at the next meeting on the general consensus of opinion. This was approved after an earlier motion to set up a committee to study the matter, although approved by a majority vote, was forgotten.

Fireworks for Centennial

During the discussion on fireworks, one member suggested offering the group's services to set up a fireworks display some evening during the centennial. He explained that perhaps the group could combine forces with the North Milton Ratepayers' Association to do a better job.

The executive was authorized to secure accommodation with an attempt at meeting on the second Monday evening of each month. A smaller-than-usual turnout at the meeting pointed up that Sunday was a poor day for the regular meetings.

Pumpkin Contest Sponsored by Society

Acton Agricultural Society, in conjunction with the CBC, will sponsor a Pumpkin Growing Contest for Junior Farmer and 4-H Club members and other young people interested in the home garden. Contestants must be residents of Ontario or Quebec and must be under 30 years of age.

Generous prizes are being offered and the winner will receive a beautiful challenge trophy and will be crowned Central Ontario Champion Pumpkin Grower at Acton Fall Fair on September 20 and 21.

Free seed and entry forms may be obtained from Mrs. C. W. Swackhamer, R.R. 2, Acton, Secretary Acton Agricultural Society.
