

THUNDER on the ALLEYS

Four nice over-300 single games were reported this week as Lil Kaszycki led the pack with a 350 in P.L.R. Girls and Primo Rigo 341'd in Commercial. Ken Orr set a league record in Ratepayers with a 323, and Dave Brush had a 322 in 50-50 league.

Rigo had the best triple of the week with an 834 while Andy Keilty of 50-50 had a nice 750 and Dave Brush of the same gang was close behind with a 740. Lil in the factory girls' group rolled a 717 tricount.

See where they're cheering for Tigers; there's a new record in Ratepayers (and poetry, yet); they oughta bar the Barrs from Mr. and Mrs. Club for taking all the points; Gertie and Sadie in Tuesday Afternooners are out to break the tie this week; Mr. and Mrs. Club are pretty well sticking together in standings; the top three in P.L.R. Girls are very close; Jets and Flyers in Commercial league are tied in top slot; and many, many other newsy items to follow.

Mr. and Mrs. Club

March 17—Percy and Gene Barr were the top couple as Perc had a 247 and Gene a 264 single. In tripling, it was 587 for Gene and a 690 for Percy.

Goofers and Rinky Dinks were top teams with 7-0 wins over Macs and Whirlawins. This makes the standings 39, Macs 30, Rinkies 73 and Whirlies 75.

Tuesday Afternooners

March 18—Norma Brown led her Spitfires to a 7-0 win over Jets, and Cessnas and Bombers won 5-2 in their respective games to make standings Thunderbirds 56, Jets 48, Cessnas 45, Helicopters 35, Spitfires 24 and Bombers 23.

Gertie Mountain and Sadie Thomas tied for the tricount with 619 each. Gertie had 166, 246 and 207, while Sadie made it with 179, 255 and 185. In singles, Jacky Maxwell was tops with a 280 effort and nearly got the triple with a 609.

Milton Ratepayers

March 18—(Here we go. Hot Shots from bad to worse): Hot Shots and Kings were feeling up, not down.

On the Bouncers and T-Birds they went to town, Looking them grimly square in the eye.

They spat in their hands and said "I s'ye."

"Before we're up and done with thee, We'll tyke you ruddy bokes for three."

Yes, Hot Shots and Kings were top dogs thisweek with seven-point wins over above named Bouncers and Thunderbirds. Warriors won over Ragtimers 5-2. Top pinfall was garnered by Shots with 3042 and Bouncers had 3005, so it was a close point.

Ken Orr set a new high single record that looks hard to beat — a 323. Last record was Allan Brig-

stocke with 292. In the women's division, it was Helen Smith with a 192 and Lois Wallace for the triple with 463 (168-118-117). Men's tricount was Ken Orr with a 668 (179-166-323).

Standings are Shots 91, Kings 77, Ragtimers 74, Bouncers 54, Warriors 52, T-Birds 51.

Dizzy Dozen

March 19—Pat Allen fooled everybody when she hit a nice 268 single (a real surprise to all) but Muriel Coulson had top triple of 575 (189-171-215). Audrey Brush had the next best single of 207.

Plain Janes, sick and tired of losing to the Party Dolls all the time, grabbed'off two games but Dolls recouped in the third. Janes had top total pins of the night.

Standings are Dolls 35, Janes 55.

Commercial

March 19—Primo Rigo with a 341 single and 834 (341-246-247) triple was best man of the night whilst Bandits whipped Granites 7-0. Millionaires and Painters won 5-2 over Meters and Flyers, and Brickers edged Jets 4-3 in a close one.

Standings show Flyers and Jets tied to each other with 53 in first place, Meters 47, Millionaires 45, Painters 42, Granites 38, Brickers 31, and Bandits 27.

Bankers

March 19—Dermot Gildoe with a 259 single and Len St. John with a 639 tricount were best pin tumbler in this night. Nova Scotia and Ledwith's crew of supermarketers with a 2758 total.

Standings are Scotia 128, Ledwith's 110, Commerce 73 and Outcasts 39.

P. L. Robertson Girls

March 20 — Joan Hewitt thought her bunch would take the lead when her gang took five this week in an attempt to gain top slot. But the top Marg Taylor bunch also took the same five points, which gives Taylor the same 50-49 lead over Hewitt. Also 5 point-winners were Heipel and Murray. Standings besides the top two show Heipel 47.

March 21—Hurray! Hurray! Hurray! TIGERS - Hurray!

Yes, we're cheering for Tigers in this league who did a phenomenal trick this week. They just got tired of all the stuff everybody's been handing them, walked right into Stan's Academy, rolled up their sleeves and rolled a 2827 triple game pinfall. This, of course, doesn't mean much except that they managed to win one game from their opponents (Misfits)—the first points they have won since February 14 (1958, of course).

Misfits won the other five, match, while Lucky Strikes did the same over Hotshots. Phantoms took two games from Bombers but said Bombers got the pins point by 16 points. Standings are Misfits 47, Strikes 46, Bombers 45 (very close), Phantoms 38, Hotshots 37 and Tigers (R.I.P.) 13.

Dave Brush with a 322 single and Lou Challinor (236) were tops in singles while Andy Keilty led the men with a 750 (268-245-237) triple and Lou Challinor led the ladies with a 557 (126-195-236). Dave Brush had a nice 740 triple but lost out by 10 to Andy.

IT WAS A BIG DAY for the boys from the four towns participating in the big minor hockey tournament in Milton on Saturday. At left, Milton's junior bantam net-minder David McKinnon, 11, is flanked by players Allan Reid, left, age 12, and Ricky Rowley, 11. In the picture at right, 10-year-old Dick Marshall of Milton's pee wee group happily holds the sign proclaiming his gang's win over the scoreless Acton crew in the first game of the day. Dick, along with linemate Craig Brush, scored a hat trick in the game.

Murray 37, Corp 35, Coates 23, Brush 31 and Grenke 25.

Lil Kaszycki wowed 'em all with a 350 single and 717 (187-180-350) triple. Other good triples were Donna Grenke 665, Pauline McMILLAN 658, Mary Heipel 638 and Joyce Schultz 623.

Rotary-Scout Stamp Is Prize Possession

Earl Mongraw of Milton has in his possession a very special stamp called "Rotary-Scout Cachets", issued by the United States government to commemorate the Rotary club.

Mr. Mongraw attended the "most distinguished and comprehensive exhibition of the Rotary commemorative stamps of the world ever displayed" recently at a Buffalo convention where he received this stamp and mailed it to himself to have a "first-day" postmark stamped on it.

Only 500 issues of the cachet are being distributed.

LETTER TO THE EDITOR

President of March of Dimes Reports Drive Quota Reached

The Rehabilitation Foundation for Poliomyelitis and the Orthopaedically Disabled.

Dear Mr. Dills: I would like to send my very sincere thanks for your most effective help in the recent March of Dimes campaign.

Although returns are not yet complete, we are fairly confident that we will go over the \$500,000.00 figure, and there is no question that this has been the most successful campaign since the March of Dimes was first organized in Ontario seven years ago.

We tend to sit back and be extremely proud of our medical rehabilitation program, but we are fully aware that without the enthusiastic help of Ontario newspaper-

ers, there would be no March of Dimes.

This year we've tackled a big job—expanding our rehabilitation program to include a much wider category of handicapped persons, and naturally we were a little nervous about our increased responsibility; but with results such as we have had this year, we feel that we have taken the right step and we know that we will be able to do a most effective job in keeping people out of convalescent hospitals and getting them back to useful activity once again.

Your help in raising the necessary funds is genuinely appreciated.

Yours sincerely,
W. Denis Whitaker, President.
