

OIL PAINTING of Matthew Clements, a sheriff of Halton County from 1882 to 1908, was presented to present sheriff, W. J. Robertson, left, on Wednesday. Russell M. Clements and E. B. Clements, shown with the sheriff, presented the painting.

Honor Woman Leaving District Many Attend Family Reunions

A life membership in the W.A. was the gift to Mrs. C. Brown, by Mrs. Hazel Reid at the regular meeting of the Evening W.A. Mrs. Brown thanked everyone for such an honor. Mrs. Peggy Leamont presided over the meeting and Mrs. Pat Southwood was secretary. The treasurer's report was given and Mrs. Bertha Grexton gave the devotional. Last minute details for the wedding were made and plans for the family picnic to be held in July were made. Mrs. Lois Reid showed pictures she took on her trip to the West and down through the States. A delicious lunch was served by Mrs. Hazel Reid and Mrs. Donalda Neelands. Present Gift The afternoon W. A. held their regular meeting at the home of Mrs. A. Marchmont on Tuesday afternoon. Mrs. D. Leslie presided. Mrs. M. Brown read the minutes and gave the treasurer's report. It was decided to hold the July meeting at the home of Mrs. S. Leamont. Grimby. Mrs. S. Winch presented Mrs. C. Brown with a matched earring and necklace set as she is moving from this district and this was her last meeting. The bazaar date was set for Nov. 3th. A delicious lunch was served by the hostess assisted by Mrs. S. Price and Mrs. E. May. Baby Shower A surprise baby shower was held for Betty Hall at the home of Mrs. D. Shaw. Eleven neighbors were present. A few contests were played. Irene Saunders and Adele Leslie received prizes for the first one and Irene Saunders was lucky enough to win the second one too. Betty thanked everyone for the lovely gifts. She was sure would be useful. A bountiful lunch was served by the hostess. 85 at Reunion Eighty-five descendants attended the Hall Reunion held this year at

Mr. and Mrs. Stan Hall's and Mr. and Mrs. Frank Hall's of Streetsville. Dinner and supper were served. The sports committee had an afternoon of sports arranged. A ball game was played with everyone having a turn at bat. Victor Hall was the oldest one present and Scott Leslie two months old, was the youngest. An enjoyable time was had by all. Our apologies to Mrs. Bertha Grexton for omitting her name from the school picnic committee last week. Honor Friend Eleven girl friends of Miss Alma Bradley treated her to supper at the Lichee Gardens in Toronto on Thursday night. It was a farewell supper as Alma is leaving by plane for Peoria, Illinois on Sunday June 8th. Those present were Jean Peterson, Jeanette Tallyn, Marian Robertson, Edna Lee, Irene Saunders, Adele Leslie, Bertha Grexton, Mary Fippance, Wilma Ellis and Chris Bradley. Chinese food was enjoyed by everyone. Several from this community accepted Mr. and Mrs. Dave Wilson's invitation to their home to see their many wedding and shower gifts. Jean Sinclair and Evelyn Sinclair assisted the bride and her mother. A cup of tea was served. Belated anniversary greetings to Mr. and Mrs. Garnet Howden who celebrated their eleventh wedding anniversary on June 7th. Euche and Lunch The family and close friends met at the home of Mr. and Mrs. H. Bradley to wish Alma a safe trip home. A few games of euche were played and a most delicious lunch was served. Hornby boys lost both ball games this week to Omagh. The first game at Hornby was 10-2 and the second game at Omagh was 5-5. Bill Thompson is home from Potsdam, N.Y., for the summer. He wrote his last exam on Tuesday

Council Sells Centennial Money Gets \$100 for 1500 "Plasters"

Members of the town council, at their regular meeting on Monday evening agreed to sell the remaining 1,500 shin plasters left over from the centennial celebration to the Canada Coin Exchange for \$100. Council agreed to give endorsement to the resolution passed at the April session of Gray County Council, on subsidizing of sewers and sewage disposal. The resolution referred to the insurance of healthier conditions in built-up areas and urged the Provincial and Federal Governments to give serious consideration to the subsidizing of sewage and sewage disposal to the extent of one third of the cost by the Federal, one third by the Provincial and one third by the municipality concerned, so that in future, more and better types of sewage disposal will be within the reach of every Urban Municipality, so that a healthier condition can be reached. New Well in Few Days Bruce McKerr, town foreman told council that the new well would be working on a temporary basis in the next few days. It was also agreed to send the Milton Public School Board the sum of \$20,000 as requested by their letter and also the sum of \$12,047.45 under the by-law 1136, which is the balance of their capital account, on the W. I. Dick school. A solicitor, it was agreed should be consulted, regarding notifying the contractor of the new sewage plant to secure a licence from the Chicago Pump Company as they have a patent. Asks Tree Cutting Councillor Cunningham asked that

Council members were invited to attend a special showing of a film prior to the next county council meeting outlining the new Hospital Insurance Plan. The estimate of K. Gervais to repair the bathroom floor in the rest room apartment for the sum of \$81.10 was accepted. It was agreed that town workmen remove a tree in front of the Bentley property on Mary Street to let the sunshine through. Council approved the following accounts for payment at the meeting: Streets and Walks, \$1,883.50; Parks and Recreation, \$10.40; Planning Industrial and Welfare, \$316.53; Waterworks, \$552.39; Fire, Light and Police, \$1,627.86; Sewers and Sanitation, \$1,563.57; Properties and Contingencies, \$511.37; Finance and Arena, \$6,895.09 and Capital \$2,239.00 making a total of \$15,649.79. VALUABLE SERVICE MONTREAL (CP)—The Quebec division of the Canadian Red Cross reports its inquiry service located 241 missing persons in 1957, most of them children separated from their families. Cornwall Invitation The city of Cornwall invited the Mayor and Reeve to attend a driving golf tournament in Cornwall during their celebration from July

Ratepayers Approve Township Zoning By-Law

Trafalgar Township's Northern Zoning By-law, which received heavy opposition from area residents when it was prepared in 1954, was discussed by a near-capacity crowd of ratepayers in Trafalgar Memorial Hall last week with nearly complete agreement. The by-law was temporarily approved by the Ontario Municipal Board last year until June 30, 1958. With the slight revisions discussed it now goes before council and then the municipal board for final approval. Only objection was from former-reeve Robert Marshall, who, as a member of the Milton district hospital board, said he thinks it will

not be desirable for an industrial warehouse zone to be so close to the new Milton district hospital proposed for erection southwest of the town at the First Line and No. 10 side road. "I would like to see the zone changed—one lot I would say, at least," he declared. Planning Director E. R. Cumming pointed out the proposed revisions, which include the warehouse zoning, make it more desirable than in 1955 when the industrial zones were not stipulated as "heavy" or "light." "The industrial zone you've had there since 1955 would permit all sorts of things," Mr. Cumming said.

Visitors from India, S. Africa Impressed at Co-Op, Local Farm

Halton Co-op and the Clarence Ford farm had interesting visitors on Saturday when T. P. Singh, Director of Agriculture, Bihar, India, A. S. Cheeme, Director of Agriculture, Punjab India and M. Luther vanAs, assistant chief of publicity for the Department of Agriculture, South Africa, arrived. In a brief interview the Indian members of the delegation explained that the average farm in their country was about five acres and this might be located in 10 different places. View Map Mr. vanAs from South Africa, viewing a map of Halton expressed surprise at the regularity of the township roads and evenness of the farm acreages. The delegation was part of a special international extension group

Board Reviews School Planning

Architect's plans for the additions to Acton and Georgetown High Schools were reviewed Monday evening by members of the North Halton District High School Board when they met in Milton. The Board approved both sets of preliminary plans in principle. The Acton addition calls for three classrooms, a laboratory, gymnasium-auditorium and a recommended proposal for a home economics area. The extension is proposed for the north end of the building, the connecting corridor space being in the area of the present girls' washroom. The architect's report suggested the addition in this location would block off a minimum amount of existing classroom light. The plan is in two storeys. The first floor would contain two standard classrooms. The boys' washroom would remain unchanged, the foyer and front entrance would be enlarged and improved because of increased traffic to the auditorium. The auditorium could be closed off from the balance of the school for after hours use. The gymnasium - auditorium would be 45 by 70 with a stage. Boys' shower room and dressing room would be adjacent to the gym and similar facilities would be provided for the girls. The second floor would contain one laboratory, a classroom and bleachers over the dressing rooms. The report suggests additional classrooms required in the future could be built on the second floor

of the existing building. The architect's report noted the construction of the gym in the proposed location precludes a future double gymnasium. Reporting on the Georgetown High School, the architects recommended construction of the addition mostly at the north of the existing buildings providing the most pleasing appearance from Guelph St. The gymnasium wing would be to the south of both additions that have been made to the original school. An open court would connect Guelph St. to the gym. Other parts of the addition would be over the first addition and on the site of the present old school. Both sets of plans were approved in principle. Chairman John Hall reported the surveyor had been instructed to obtain the survey and necessary levels for the use of the architect in planning the new Milton High School.

Don't Criticize Newcomers, Warns Halton Warden at Labor Meet

"Newcomers from overseas shouldn't be criticized for developing opportunities that we can't see, though they are right under our noses," Warden William Card told 70 Saturday night at a banquet sponsored by the Oakville and District Labor Council. The warden of Halton county termed municipal relief "degraded"

Local Students Pass at Guelph

Examination results were announced at the Ontario Agricultural College and MacDonal Institute, Guelph, recently. Receiving their first year degree at the Ontario Agricultural College were David J. Hume and Heatheranne L. Hayward from Milton. Katherine L. Merry received her second year degree at MacDonal Institute, and R. L. Coulter of Campbellville received the third year degree at MacDonal Institute. Norman A. Bird from Georgetown received his second year degree in the Ontario Agricultural College.

The U.S. headquarters of the international labour unions receive about \$35 million a year from the dues paid by Canadian members. It is estimated that in the current year federal government spending will exceed \$6 billion, more than three times the 1949 total. The carvings and painting on the totem poles of our west coast Indian families relate ancestral legends and also honour the family's totems, or favourite guiding spirits.
