

Two Batters Hit Homer To Aid Village Victory

Campbellville tied up their best of five series with Dundas at one game apiece as they won 5-1 in Dundas Monday evening. Bruce Hamilton went all the way for the village, giving up one run off six hits. He walked one, hit a batter, and struck out six. He was only one pitch away from a shutout.

The home run ball he served up to Bailey in the ninth spelled the difference. Harvey Knox went all the way for Dundas allowing five runs off nine hits. He walked three and struck out five.

Early Lead
Campbellville took a 1-0 lead in the second when Bill Elliot walked and scored on Eaton's single when the Dundas outfield over-threw third base. It was a 1-0 ball game until the top of the sixth when Campbellville got another on Earl Cairns' long inside-the-park home run.

The league champions made it 3-0 in the seventh when Laverne Hamilton doubled and scored on Bruce Hamilton's single. Campbellville made it 5-0 in the eighth when Wingrove singled and scored ahead of Henderson who blasted a homer over the fence in left centre.

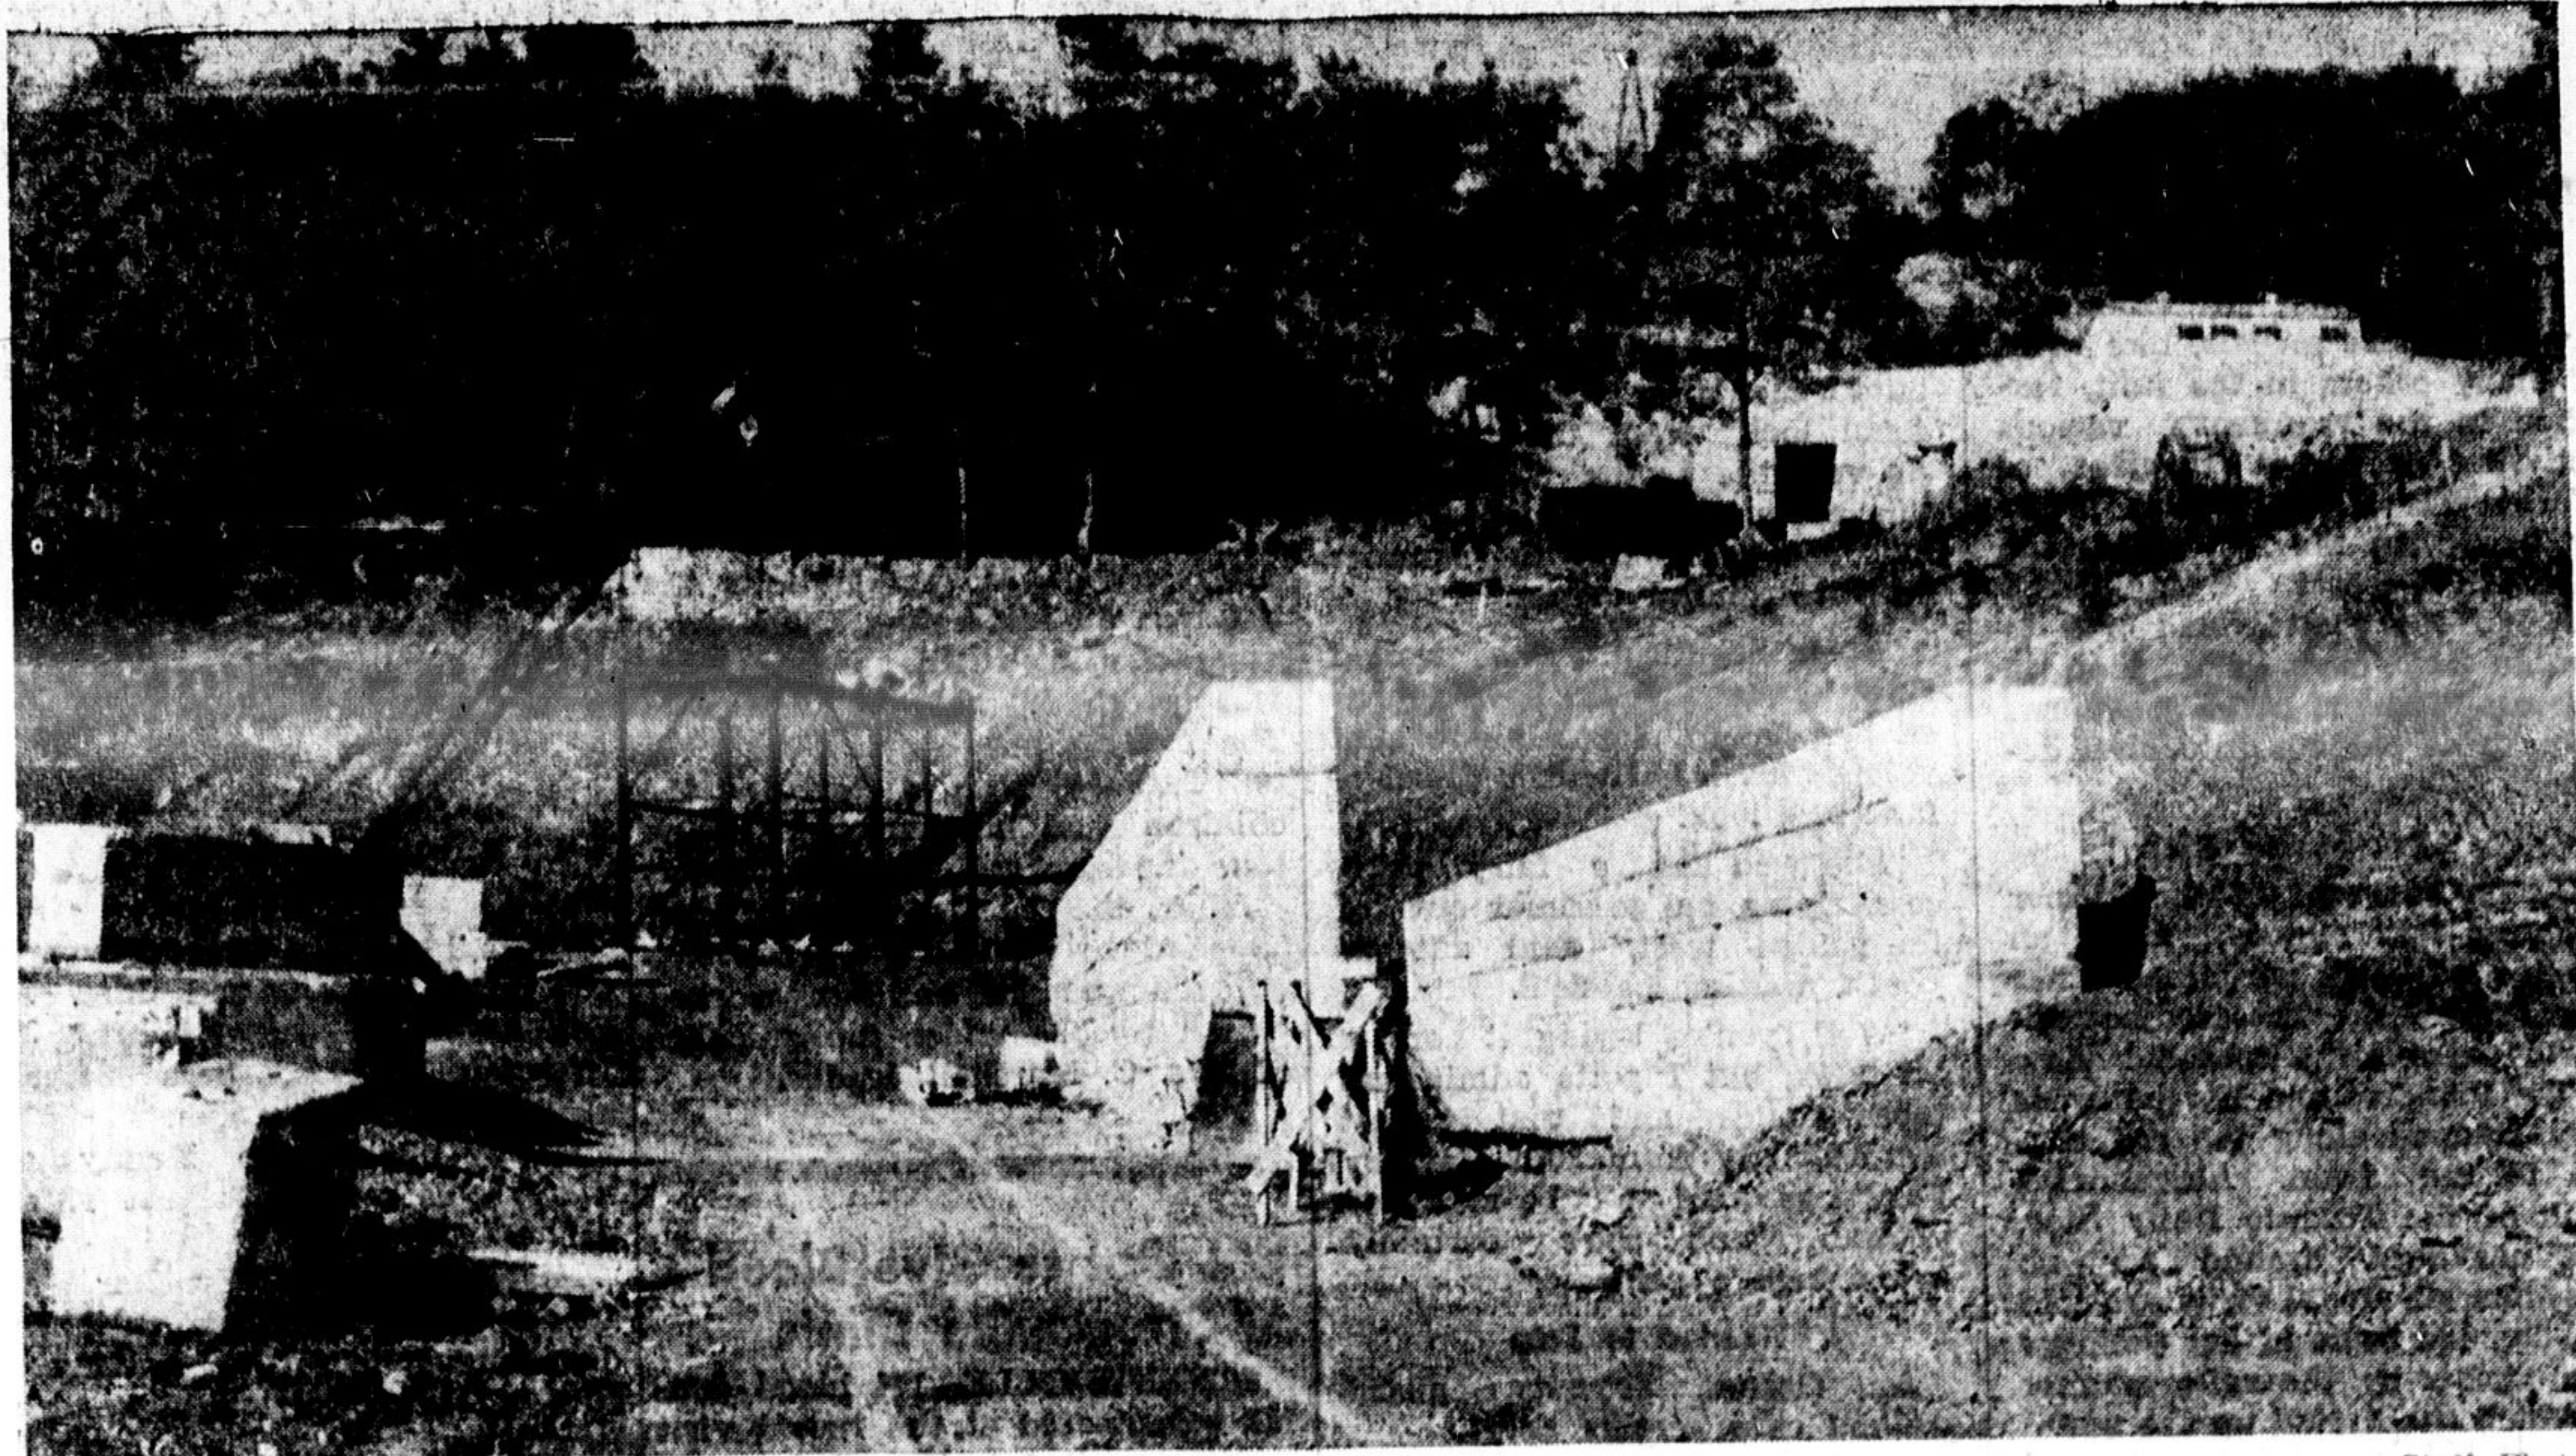

Homer in Ninth
Bailey's home run in the ninth accounted for Dundas' only run. Bailey with a double and a home run was best with the bat for Dundas. Martin, who is having a good series, batted out two singles while Young and McPhail each singled once.

Stan Henderson homered and singled for the winners. Earl Cairns homered, Laverne Hamilton doubled and Allan Wingrove, Lloyd Early, Denny Eaton and Bruce Hamilton each singled once.

Footnotes
The third game of the series will be played in Campbellville on Thursday, August 14, starting at 6:15 p.m. The fourth game is back in Dundas on Saturday at 2:30 p.m. and the fifth game, if necessary, is in Campbellville at 2:30 p.m. on Sunday.

Ken Moore, on holidays, missed the first game of the series and Elmer Dredge, the second game for the same reason.

It was Bruce Hamilton's fifth win of the season against one loss. Campbellville's two home runs were their 20th and 21st of the season.

Art Parades Three Pitchers Fails to Halt Acton Hitters

The Milton Red Sox and Acton Merchants battled through seven innings Saturday in the opener of a Round-Robin series and had to settle for an 11-11 deadlock. The game was called in the bottom of the seventh on account of darkness.

The Red Sox paraded three hurlers to the mound in an effort to stop the hard hitting visitors. Starter Wayne Hilson received rough treatment in the 1st innings he pitched. He was nicked for five runs, four hits and gave up five free passes.

Converted infielder, Glen Dance, came on in relief and scattered seven hits over the 4th innings he worked which were good for four runs.

Leading 11-9 going in the top of the seventh coach Art Melanson called on ace left-hander Butch Riddell to preserve the lead. After getting the first batter Riddell gave up a single to Lawson and a walk to Skilling which set the stage for B. James' game tying blow. James who hadn't hit all day singled to right to score two runs.

Right-hander John Cunningham went all the way for Acton and the Red Sox picked up 12 hits, one less than the visitors. Milton staged a five run rally in the third inning and had Cunningham in trouble most of the game.

The veteran Sonny Townsley led the Acton attack with three hits.

Meter, Brickers Win Industrial Tilts

Canadian Meter plant's industrial softball entry suffered its tenth loss on Tuesday night when the up-and-coming Canadian Legion team trounced the Metermen 3-5. The same evening, Milton Brick won its sixth of the season over P. L. Robertson's 12-5.

It was the first night of action for over two weeks for the teams, which have been away during plant holidays. While creaking bones and stiff muscles prevailed, the ball soon got back to its usual speed and the jeers and cheers showed the boys were still out for fun and laughter—as well as winning.

Eric Has Homer
In the Meter-Legion encounter, Max Bradbury started pitching for the vets and was retired after four innings by Frank Kaszycki. Leg-ion was in there slugging with five home runs. Eric Toletzka was the big man with five safe trips to the plate including a homer.

Meters started with their slow-ball ace, Vince Brohman, but he only lasted one inning as the Legionnaires hit him with everything. Ab Januzzi went in after that but

Say Many Campers Ignorant of Safety
Checking of fishermen by conservation officers of the Ontario Department of Lands and Forests has brought to light an alarming ignorance of some about camp fire safety.

Conservation officers and forest protection officials point out that "a good camper must be fire conscious — or soon there will be no place left for him to camp. Ontario already this summer has had more than a thousand forest fires, most of them due to human carelessness."

They offer these camp safety suggestions:

Build your camp fire for cooking or warmth on mineral soil or rock and close to the water.

Keep it small—and be sure it's dead out before you leave it. Best way is to drown it with plenty of water—then feel through the ashes to make sure no spark is left.

Don't light a camp fire at all if the wind is high or blowing inshore.

Always obtain a travel permit before travelling through the bush off the main highways. It's for your own safety because Lands and Forests officers will then know where you are if a forest fire does break out in your vicinity and can come to your aid.

Al Wallis' Brickers were sharp after the holidays as they downed P.L.R. Errors helped pave the way for the Brickmen as Robertson's had some sloppy outfielding. Home runs for the winners were by Grant Stark and Toots Perusello.

Bruce Marshall was in there slugging for the losers with a homer. Bob McPhail, the Screwmens' star shortstop, hit a very long ball

No Snow Yet
Ken Peddie's Omagh squad of rural softballers have taken a nice 2-1 lead in games over the Nelson entry in the final battle for the 1958 Milton Milling trophy and the Halton crown. Next game, and possibly the last, is this Friday at Lowville. If a fifth game is necessary it will be in Omagh on Tuesday. (Looking back over last year's snow soon.)

Lucky Sevens?

Some wag once suggested newspapermen were softies in the sports line! Well, we won't brag about local news sharks and their duffing prowess, but down Exeter way, editor Don Southcott of the Times-Advocate registered a neat hole-in-one last week, and Herb Campbell, Dutton Advance publisher, also potted one the same week. Don's was a 17th hole shot, while Herb got this ace on the seventh hole. Could those sevens be lucky for the weekly editors?
