

# THUNDER on the ALLEYS

They're beginning to crack that 300 barrier! Yes, keggers hereabouts would seem to be improving with six over-300 games registered this week in the 14 leagues reporting their scores — two of them by the gals.

Jacky Maxwell in the 48 Alley Rockers bunch had a nifty 350 while Gladys McKersie of Ladies' Special rolled a 337. For the men, top single of the week was Art Hutton's 356 in Commercial while two P. L. Robertson boys, Bob McGinnis and Jim Sproat, just broke the barrier with 301 and Larry Arbie repeated the 301 feat in the Mr. and Mrs. Club gathering.

In triples, the ladies shone again as Jacky Maxwell (in Town & Country Club this time) shot a 736 and June Gould of Kitty Kats topped a few timbers for a 727. Art Hutton still led the men with a neat 802 while Jack Peddie of PLR netted a 712 and Justin McNamara of Ratepayers was next with 698.

That's the cream of the crop — there were lots of good games over this past week that are too numerous to list here. See the individual team reports for the tops in each league.

Some of the league secretaries, especially new ones this year, are somewhat confused over the report sheets we drew up last year. We neglected to point out that the "standing" column on the form is actually to show total points to date. The "points won" and "total pins" column means the points and pins of that particular week's bowling while the standing column should show the team's total to date.

And if there are other good scores fairly close to high single or triple, feel free to use the back of the sheet for this and any other data about your league.

That's it for our capsule comment this week — think we'll do like Shakespeare advised and "Rave on, MacDuff!"

### Mr. and Mrs. Club

Oct. 6 — Larry Arbie with a 301 and 653 topped the male section while in the ladies' division, Faye Higgs with a 240 and Gene Barr with a 556 led the pack. Those Larriats had a nice three-game total of 3,129, and won 5 points for their effort over Jimmy Crickets who polled 3,042 pins. Barbarons had a go at Honest Eds and after the auditors had checked "Honest" Ed Stroud's bookkeeping, it ended up 5-2 for the B.B.s.

Standings are Larriats 23, Barbarons 12, Crickets and Eds 10.

### 48 Alley Rockers

Oct. 6 — Jacky Maxwell rolled highest this past week with a nice 350 single game which helped boost her tricoat to 672 (350-118-204).

King Pins under the captainship of Pat Marshall are tops in team work with 26 and next, in order, are Pin Heads 22, Head Pins 19, Scuttlebush 18, Drifters and Kool Kats 12, and Hot Shots 10.

This week Pin Heads were the big victors with a 7-0 purge of Kool Kitties.

### Commercial

Oct. 7 — Bill Doherty's Ramblers and Bill Praught's Meter boys had a close go on the above date. Both ended up with 2,845 total pins and had to split the point so Meters picked up 4½ in the duel leaving 2½ for the Ramblers. The same night, Bandits whopped Millionaires for 7 and Painters picked up 5 while Flyers got the best of a 4-3 count with Jets.

Standings: Flyers 18, Millionaires and Painters 17, Meters 14½, Jets 13, Bandits 11, and Ramblers 8½.

Art Hutton showed 'em how it's done in the city with a 356 single and 802 (196-356-250) triple.

### Milton Ratepayers

Oct. 7 — Ragtimers and Aces hit the alleys determined for a real fight and they got it. The Aces took two games and left one for Ragtimers, but when the scores were tallied it found both with identical total pins of 3,093. Aces took 4 and Ragtimers 2. Next week they'll fight it out for the extra point.

Standings are Kings 20, Warriors 17, Rockets 15, Ragtimers and Bouncers 14, Aces 13, Hot Shots 11 and Thunderbirds 7.

This week high scores were by Willis Pettibone 290, Justin McNamara 698, Norma MacMurphy 252 and 673.

Since the last bowling night, the teams have been reshuffled to get the married couples bowling together and even out the averages. Also, new captains John Conway and Bill Gould were inducted into office.

### 24 Club

Oct. 8 — Hearts and Spades are off and running with a big lead over their opponents. Spades are top card in the deck with 12 to date, while Hearts are nipping at their heels with 10. Diamonds have 4 and Jokers aren't joking about their deuce. (In points, that is).

The two weeks of play saw Spades grab 7 and Hearts 5 this past week, while the previous week both of these teams picked up 5. October 1, Pink Teasel held high tricoat with 571 and Audrey Brush got the single, a 255 effort. This week, it was Phyl Raspberry's 225 and Olive Smith's 576 which led the game.

### Rock and Roll

Oct. 8 — Nip Cervais with a 258 and Ray Andress by virtue of a

MILTON'S HOCKEY MERCHANTS operating this year under the sponsorship of about 50 local and district merchants, held their first workouts Sunday and another followed Tuesday evening under the watchful eye of coach Dooney Evans whose job it will be to pick out the best of over 20 hopefuls out to scrimmages so far. Above, the boys give prospective cage cop Don Rose the big rush during Tuesday's tryouts.

647 were top pinbusters this week as the real cool ones got down to some quiet ? ? ? bowling.

Jivers lost a 4-3 fight with Hep Cats and Down Beats were on the down side of a 5-2 battle with Be Bops. Standings are Jivers 20, Be Bops 17, Down Beats 10 and Hep Cats 9.

### Ladies' Special

Oct. 2 — Last we heard of Norma MacMurphy she was outshining all the keggers in another group — but we can't keep a good bowler down so here's that name again. Norma took high single with a 269 and Marg Barnes topped her with a triple of 601.

Skunks skunked Chimps and Beavers chawed up 5 points while Kangaroos jumped high with a 5-point tally also. Standings are Skunks 20, Beavers 18, Kangaroos 14, Chimps and Camels neck and neck (some race) with 13 and Weasels 6.

### P. L. Robertson Men

Oct. 8 — Bob McGinnis and Jim Sproat tied for the single game with a 301 apiece and that's nice going. Jack Peddie edged them in the triples division, though, with a 712 which included a nice 294.

Smith's gang was the big winner this week with a 7-0 thumping of Shannon's stalwarts. Peddie and Marshall won 5 while Sproat got 4 in a close one with Coates.

Standings are Peddie 31, Marshall 22, Fletcher 17, Sproat 16, Smith 15, Brush 13, Shannon 12 and Coates 11.

Others with over-200 games included Bob Brush, George Fletcher, Ed Stroud and Roy Weston, each with two, and George Gilbert, Duke Coates, Jim Sproat and Eric Toletzka with one each.

### Town & Country Club

Oct. 10 — Bob Brown's Bob Cats nipped Nip Marsh's Cat Nips (groan) for a 5 by a score of 3,037 to 2,822, making it 24-11 for the Cats. Bob Cats, that is.

Jacky Maxwell was high with a 262 single and added a 232 and 242 to a triple of 736.

### Kitty Kats

Oct. 9 — It's a close game between Crazy Kats, presently leading with 18, and Kool Kats who took 5 this week to gain a 17 total.

Alice Brush topped all with a 271 single but June Gould with 258, 259 and 210 for a 727 tricoat held the honors there.

### P. L. Robertson Girls

Oct. 9 — Polly Cannon with a 274 single and Marg Taylor with a 651 (226-178-247) triple were tops in scoring this week. Other nice triples included P. Cannon 625, Lil Kaszycki 593, Faye Thomas 576 and Alice Brush 565.

Lil Kaszycki and Marg Taylor are tied for first with 19, Alice Brush has 18, Marie Murray 16. In fourth spot it's a three-way scramble as Mary Heipel, Donna Grenke

and Kath Coates all have 12. Joyce Schultz is last with 4.

### Early Birds

Oct. 10 — Five Pins made like the Argos with Skunks and blew them over with a 7-0 wallpopping whilst Guppies were kegged for five and Coofers won 4 in a close timber-topping tournament.

Clay Jubb with a 286 was high single and Ian Carsley with a 657 ranked high triple for the men. For the gals, it was Merne Childs' 242 and June Gould's 585 which took the honors.

### United Nations

Oct. 10 — Grey Cup with a 2,933 total was tops all 'round — in total pins and points won. They got seven from Raiders while Macaroni got the best of a 5-2 fight with Rangers.

Reg Gray's 272 and 689 (272-220-197) were best of the night.

### Pin Dusters

Oct. 10 — Correct us if we're wrong, gals, but it seems present standings might be Brooms 12,

## Once Canadian Skating Champ R. Smith Accepts Local Classes

Twice a Week Mr. Smith will give the instruction at the arena each Tuesday and Thursday from November 4 to the time of the carnival.

Ross Smith of Guelph, the new instructor of figure skating and dancing, is a former Western Canadian and Canadian champion. He won the single, pair and dance titles while competing under the banner of the Winnipeg Winter Club.

Mr. Smith, who comes from Winnipeg originally, started skating at 19 years of age. He skated under the Winnipeg Winter Club banner for approximately 10 years.

"Pro" Eight Years In 1950 he turned professional and taught skating for five years at the Stratford Figure Skating Club, after which he was made Senior Professional of the Guelph College Figure Skating Club. He has been with this group for the last four years. Also from May through September he operates the Guelph Summer Skating Club at the Guelph Curling Club.

Besides his ability as a teacher, he has exhibited a great talent for producing fine amateur skating carnivals. So Milton can look forward to seeing an exceptionally fine show at the close of the skating season this year.

### North Hornby Girls Begin Wool Project

The first meeting of the North Hornby 4H Club working with wool was held at the home of Mrs. Man May of Hornby. The officers are president Patsy Wilson, vice-president Brenda Robertson, secretary Ruth Robertson and press reporter Betty Kingdon.

Samples of wool were given to all the girls and they learned of the quality of wool and material. A lovely lunch was enjoyed by all.

Mops 2. We have no record of team points won on Sept. 26.

Faye Thomas with a 197 was high gal in singles and Ethel Riddell's 522 tricoat was tops in triples. This week Brooms mopped up the place using Mops as a broom. Catchy, huh? It was 7-0 for Brooms, 2,701 to 2,553.
