Barbara Pickard, Top Speaker To Represent Halton in Finals

Friday evening, October 24th, saw the Halton Junior Farmers stage their annual Inter-Club Debating and Public Speaking Competition at the Milton High School.

Under the able chairmanship of Roy F. Ford, president of Halton Junior Farmers, ten young people participated in the two debates and public speaking competition.

The official judges, R. F. Bornhold, Geo. E. Elliott, Q.C. and E. W. Foster, had a difficult task, but came through with flying colors. The resolution under debate was, "Resolved that rural youth in Ontario is being adequately trained for modern agriculture."

Two Debates

The first debate brought together Evelyn Booth and Don Taylor of the Palermo club, who upheld the affirmative against Norval's negative team of Bill Wilson and Ralph Cunningham — here by a split decision the Palermo club secured the judge's decision.

Doris Thompson and Pat Hitchcock of the Acton club upheld the affirmative in the second debate

against Milton's team of Sandy Hepburn and David Wilson. In this case the negative team from Milton won the honors so the subject is still open to debate.

In addition, the judges had the added and even more difficult task of selecting the four young people who will represent Halton in the provincial inter-county debating series, which will get under way during the current month.

Those selected were as follows: Evelyn Booth, Sandy Hepburn, Bill Wilson and Dave Wilson.

Two Public Speakers

Following an enjoyable singing ably led by Bill Marshall, one of Halton's provincial campers in 1958, president Ford introduced the two public speakers, Mark Marquardt representing the Milton club, and Barbara Pickard, the Palermo club.

Certainly those in attendance were more than compensated for any effort they had made to be in attendance, not only by the quality of the two debates, but also by

LOOKING OVER a prize heifer on a southern Ontario farm are, left to right, George Atkins, Ken Graydon, Johnny Moles and Jim Ross, the four Toronto farm-commentators who together make up CBC's farm broadcast team. They bring an assortment of farm programs, both radio and television, to towns and rural centres throughout Ontario and Quebec.

Halton Presbyterian W.M.S. Sponsors Sectional Rally

Halton Presbyterian Women's Missionary Society north and south sectional rally was held Wednesday, October 22, 1958, in Hornby United church.

The morning session was opened by Mrs. G. Gray and the afternoon session by Mrs. J. Kirkwood. The president of Hornby Auxiliary and Rev. J. Hill welcomed the delegates.

Rock Chapel Auxiliary led in worship in the morning and Mrs. George Brownridge in the afternoon. Mrs. Sheehan, literature secretary, gave a brief synopsis of the books chosen for the mission study on "Concerns of a Continent."

Plans H.S. Course In Driver Training

TRAFALGAR — Tentative plans are being made for student driver training courses at Thomas A. Blakelock High School in the new year. Trafalgar Student Officer John Robson said the response to the proposal was very good.

P.C. Robson addressed the students during an assembly and showed two safety films.

Dates

- November 1 — All Saints Day (Provincial holiday - Quebec).
 - November 6 — John Philip Sousa born, 1854.
 - November 11 — Remembrance Day.
 - November 14 — Prince Charles, Duke of Cornwall born, 1948.
 - November 20 — Wedding of Queen Elizabeth and Duke of Edinburgh, 1947.
 - November 26 — Grey Cup Festival, Vancouver, B.C.
 - November 30 — St. Andrew's Day.
 - November 30 — Sir Winston Churchill born, 1874.
- Howden: Tom Hunter; Keith Leslie; Keith Merry; John Wilson; Don Taylor; Howard Speck.
- Open tractor utility class: Charles Bonney; Doug Reid; G. Malcolm; B. Dixon; N. Tyndall; Lloyd May; J. H. Taylor; H. Dunk; Thomas Howden.
- George E. Elliott special, youngest Halton plowboys: Ken Howden; Dwight May.
- Horse show, Nelson Robinson special: Stanley May, Hornby; Lloyd May, Milton.

International Champion Plowman Demonstrates at Halton Contest

Charles Bonney of Princeton, newly crowned champion tractor plowman at the recent International, again demonstrated his uncanny ability with a tractor plow, by winning firsts in the open tractor and the open utility classes at Halton's annual Match held on the Martin Van den Boom farm near Milton on Saturday, October 25.

Weather conditions were disagreeable to say the least and retarded on the entry and attendance alike.

In all, 40 ridges were turned and according to Winfred Timbers of Stouffville and George Hostrawser of Kitchener, who were the official judges, the quality of the work was high and compared favorably with that seen at any Match this year. Both judges commented on the excellence of the workmanship in the two utility classes where no handling or coaching was permitted.

Esso Specials

The Esso Walking Plow Special, which is awarded to the Halton plowman with the best ridge, was won by Lloyd May of Milton, R.R. 4. A similar Special from the same company, for the best tractor ridge plowed by a Halton plowman, was won by Arnold Howden of Milton, R.R. 4.

The Eaton's of Canada Special for the best ridge by a Halton contestant under 18 years, was won by Keith Leslie of Georgetown, R.R. 4. The top plowman in the Ernest Irvine Utility Class, open to Halton, was won by George Dixon of Georgetown, R.R. 4.

Approximately 175 were in attendance for the evening banquet held in the main hall at the Milton Fair Grounds. Here, under the chairmanship of president Leonard Lister of Hornby, an interesting program was run off, following the delicious dinner catered by the ladies of the Scotch Block W.I.

Rev. Royal Speaks

Rev. G. L. Royal of Norval, who was introduced by Stanley L. Hall, M.L.A., took as his subject, "Oh, for the Good Old Days."

"Let us first," stated Mr. Royal, "ask ourselves this question: were the good old days really so good, or is it just my imagination?"

"The need of the past and the need of the present is leadership," added Mr. Royal, and on this he based his most stimulating and interesting address.

Another pleasing feature of the program was the recognition and presentation made to Halton's popular and charming Dairy Princess of 1958 — Mrs. James C. Reid of Georgetown, R.R. 2, who it will be recalled was reserve to Janette Lockman of Brant County in the Dairy Queen Contest at the Canadian National Exhibition, which contest brought together 45 of Ontario's top young ladies from as many different counties and districts.

Brief Speeches

Others who spoke briefly included Warden Wm. Card of Oakville; H. W. Kelson, manager of the Milton branch of the Bank of Nova Scotia; C. Dobie, manager of the Milton branch of the Bank of Commerce; George E. Elliott, Q.C., Milton; J. H. Taylor of Burlington, R.R. 2; George Swann, Milton; and Messrs. Timbers and Hostrawser, the official judges.

Music provided by Miss Mary and Mr. Tom Joyce rounded out a most enjoyable evening's program. The presentation and awards were as follows:

Open jointed plows in sod: Lloyd

THEIR LIVES—HIS LIVELIHOOD—DEPEND ON OIL

Imperial contributes to a better life for Canadians through constant leadership in oil... finding new supplies... pioneering more useful products

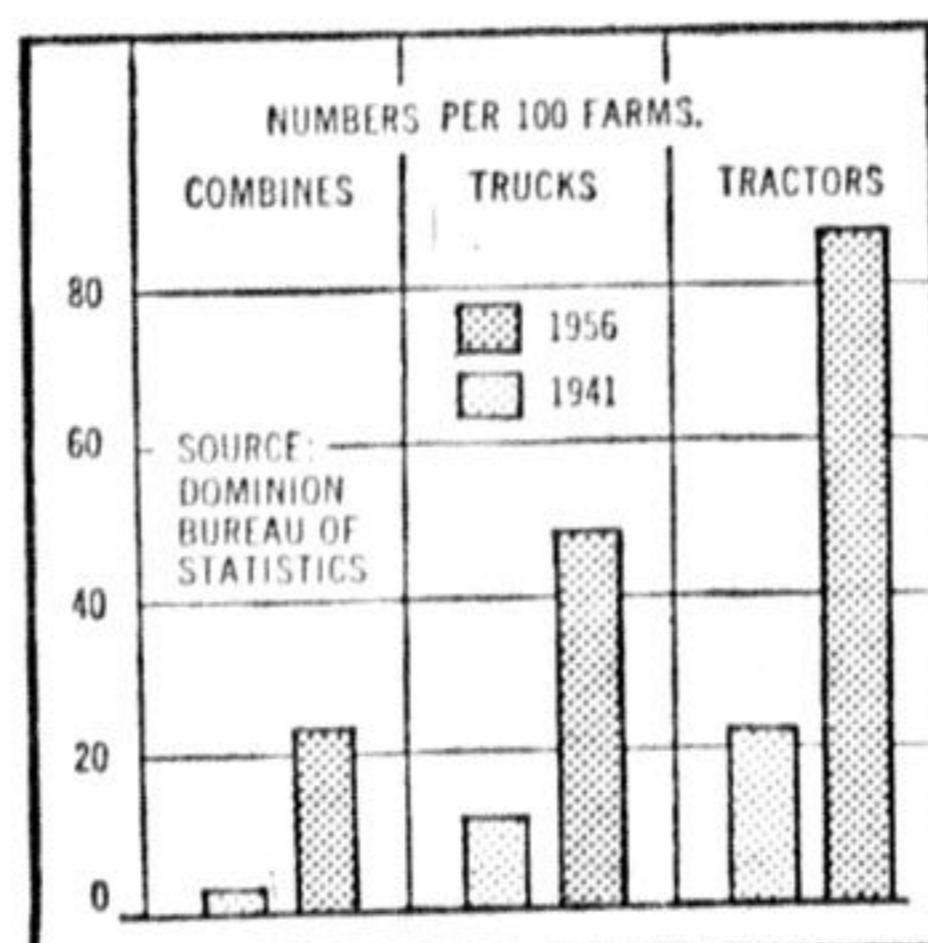

There are more than five tractors for every six occupied farms in Canada... one motor vehicle for every four Canadians. More than half the homes in Canada are heated by oil.

Canadians consume half again as much gasoline today as they did in 1946, nearly five times as much heating and diesel fuels.

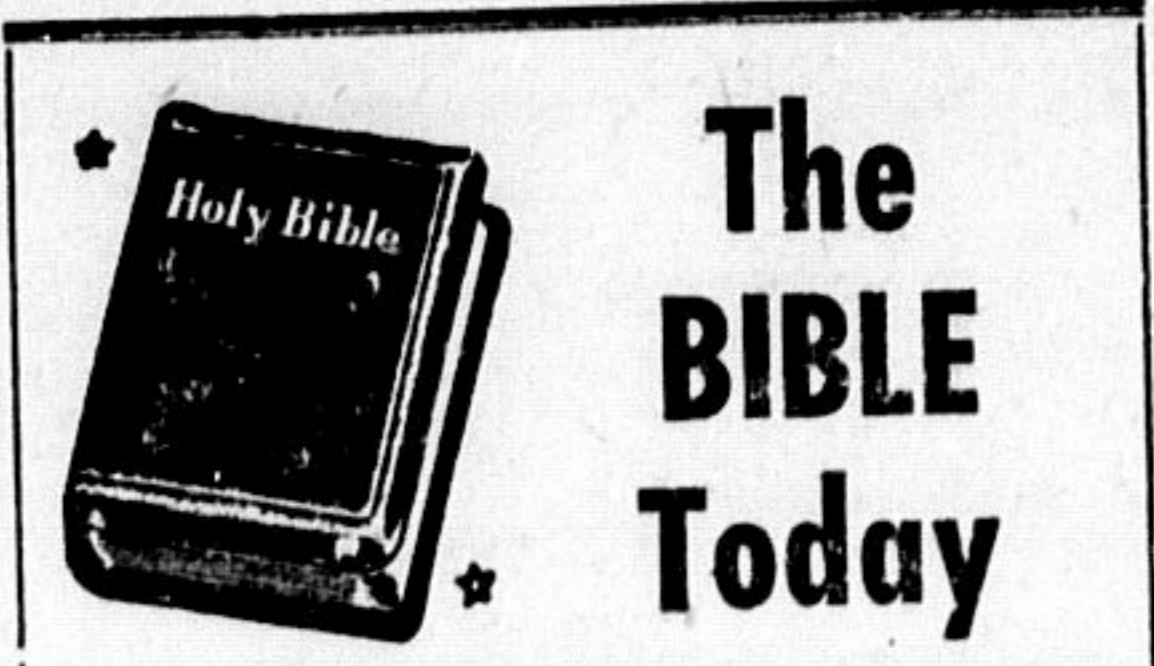

Imperial has been a major contributor to this better life, more productive economy. In 1946, Canada pro-

duced less than one-tenth of its oil needs. In 1947, Imperial discovered oil at Leduc, in Alberta. Today, Canada's own fields produce nearly 60 percent of our requirements.

Through its nine refineries from coast to coast... and in its research operations, larger than the rest of the Canadian oil industry put together... Imperial has constantly been able to lead in the development of newer and more useful products... to make a fuller life for Canadians.

Since 1941, gasoline-fueled equipment on farms has risen sharply.

The Bible is a well used book in the Royal household. The connection of the Royal family with the Bible and the Bible Society has been of long standing. One king's name is immortalized in the King James, or Authorized Version. The printing of the Bible in England is supervised by Royal Charter.

Royal Patrons

Her Majesty, Queen Elizabeth, and the Queen Mother are both patrons of the British and Foreign Bible Society. The Duke of Edinburgh usually reads the Scripture lesson in the churches when the Royal couple attend divine worship.

Canada's strength as a moral influence in international affairs is based largely on the fact that her beginnings were founded on the teachings of the Royal book — the Bible.

Suggested Readings

Sunday, Micah 7: 1-20; Monday, Zaccariah 4: 1-23; Tuesday, Malachi 3: 1-18; Wednesday, Luke 1: 1-38; Thursday, Luke 1: 39-50; Friday, Matthew 2: 1-23; Saturday, Matthew 11: 1-30.

HARD DIAGNOSIS

Doctor: I'm darned if I can figure out what's wrong with you. I think it must be too much drinking.

Patient: That's all right, doc. I can come back when you're sober.

Board Foresees Three High Schools in Town

BURLINGTON — Burlington Board of Education approved a \$5,500,000 budget forecast for the next five years.

According to the budget an allowance is made for \$650,000 per year for the next five years for

elementary schools on the basis that the town will grow as in 1958.

For secondary schools the allowance for 1959 is \$600,000 for an addition to the Nelson High School and alterations to both the Burlington and Nelson high school.

For 1960 an allowance of \$1,700,000 is made for a third high school in Burlington.

Modern Lighting for Modern Living

Today, lighting plays a new role in modern living. Coloured bulbs, new fixtures and controls all make it easy to add pleasure and beauty to our homes... to create an atmosphere of warmth, spaciousness, and hospitality.

Housework and hobbies are so much easier and safer if the lighting in your house is the proper intensity for good vision. Inside and out, modern lighting protects your home from prowlers, protects your family from accidents.

At Christmas you can share the festivity and enjoyment with your neighbours with colourful Christmas lighting.

Modern lighting is a silent partner, helping you to see better, enjoy new comfort, new convenience... helping you to "Live Better Electrically"—the safe, clean, modern way.

electricity does so much...costs so little
