Extend Season to August 1 First Reports in on Contest

Open season on Halton foxes | tension unanimously, after the clerk until August 1 was temporarily de- reported neighboring Wentworth clared by county council Tuesday county was also allowing the afternoon. A by-law will be passed August 1 deadline. at next month's meeting allowing the shooting of foxes and payment of bounties until that date.

The extension from the regular February 28 closing date was first urged by the Ford Rod and Gun Club, Oakville, in a letter to council. The club suggested adding the word "fox" onto the groundhog and starling licence.

"Halt Rabies"

to destroy the foxes," urged deputy | 27. reeve Archie Service of Nassagaweya. Council approved the ex- all the Burlington foxes.

A suggestion to have the county become the licencing agent for Halton hunters and anglers was turned down after considerable discussion. It was felt the extra duties would be too much for the county staff. Township outlets will be continued.

First Reports Reporting to council, the Burlington Sportsmen's club had killed seven foxes during the fox bounty contest period. The Hornby Hunt "The only way to halt rabies is club notified council their tally at
